## SUN-NEWS ANNOUNCES SUBSCRIPTION CONTEST

### NEW 1957 FORD FIRST GRAND AWARD \$1,000 IN CASH AWARDS, COMMISSIONS

### Hatchett Tells Of Referendum Vote in Letter

Virginia Beach City Manager W. Russell Hatchett this week released a letter to the public dealing with the forthcoming \$750,000 bond issue to be placed before the voters on April 16.

In the letter the City Manager set out point by point the purposes for which the money would be used if the bond issue is approved by the voters.

Foremost among the improvements to be undertaken, according to Hatchett's letter, would be the reconstruction, rebuilding and paving of Pacific avenue in the city, beginning at Seventeenth Street and extending north to Forty-fourth Street.

The second item set out in the letter deals with the construction of a convention hall on the city-owned property at 20th street and 19th street between Pacific avenue and Arctic avenue. The ground-work that has gone into the planning of this facility is outlined by Hatchett.

Equally important is the construction of a city health center and certain street improvements, including Holly Road, Baltic Avenue and the extension of 21st street.

Also included in the bond issue will be approximately \$19,000 for removing and relocating the city's shops from their present location behind city hall to 14th street and Park Avenue.

It is understood the letter was mailed to voters this week and is intended to inform the voter so that he may be in a better position to decide when he is called upon to vote on April 16.

**Editor's Note:** The entire text of City Manager Hatchett's letter concerning the forthcoming bond issue is reprinted on the editorial page of this week's Sun-News.

### AMERICAN LEGION AUXILIARY UNIT TO MEET

The regular monthly meeting of the American Legion Auxiliary unit 118, Princess Anne County, will be held Monday evening April 8th, 8:00 p.m. at the Legion club house on Larkin Road.

### Beach Soldier Named Winner of Problem

A Virginia Beach soldier, Private Donald W. Faircloth, a trainee in Company "D," 2nd Infantry Battalion, has been named winner of the NCO School Problem Toss No. 23 at Fort Benning, Georgia.

Faircloth is the son of Mr. and Mrs. William Faircloth of Virginia Beach. He has been in the service since the first of January.

Young Faircloth, in winning the award, is the first trainee at Fort Benning to win top honors. He received a three-day pass from the commanding general.

The award was made on the quality of an answer to a tactical problem in basic infantry tactics.

### Beach Council Takes Steps to Purchase Tract

A tax anticipation loan of \$150,000 has been approved by the Virginia Beach City Council, with part of the funds to be used to purchase property adjacent to the Virginia Beach High School.

A letter from Superintendent of Schools Frank W. Cox explained that the property was needed for future expansion of the school plant.

The city had asked an appraisal of the property by a special committee named for the purpose. The committee found a valuation of \$35,000 on it, including a lot on which a house is situated.

Adding price of the tract of about 11 acres was about \$45,000. The Council favored the purchase of the portion between 23rd and 26th streets at \$10,000.

The city manager was authorized to negotiate with the owner of the property with a view to purchasing it at the lowest possible price.

### Va. Beach Dog Wins Top Honors

A Virginia Beach dog won top honors in last week's Elton, Virginia, Muzzle Field Trial when Fox Lippitt's Snider's Ice Delivery won first place in the open all-age class.

Lippitt's Triple Cross-Stormy also won third place in the Open Derby class. Herman Clark's Thalia Shore Don took second place in this event.

Clark also scored in two other events with Hurricane Lamb taking second place in the Shooting Dog Stakes (Open) and third place with the same dog in the Amateur Shooting Dog class.

### PA Woman's Club Receives Award

The Woman's Club of Princess Anne County received second place award on its press book at the spring meeting of the Tidewater District Virginia Federation of Women's Clubs held last week at the Chamberlin Hotel, Old Point Comfort. The following club members were winners in the literary contest: One act play, Mrs. F. I. Gilbert, first place; Short story, Mrs. E. Guy Robertson, third place; Poetry, Class A, Mrs. Earl DuVal, third place; Poetry, Class B, Mrs. F. I. Gilbert, first place and Mrs. Earl DuVal, second place.

### PROCLAMATION

WHEREAS, the general health and welfare of our citizens depend upon wholesome surroundings arising from good clean living conditions, and

WHEREAS, the lives and property of our people are endangered by fire and accidents caused by littered and cluttered conditions in homes, factories, places of public assembly, alleys, streets, and roads

WHEREAS, a clean and beautiful community is a proud and prosperous one and

WHEREAS, unity of effort is required for future development of our county,

THEREFORE, I, S. Paul Brown, Chairman, Princess Anne County Board of Supervisors, do hereby designate the month of April as Clean Up Month and most respectfully call upon all departments of the county, its commercial organizations, civic clubs, schools, churches, boys' and girls' clubs and all other associations and our people in general to take an active part in this constructive program of community improvement to insure its success.

This, the 1st day of April, 1957

Chairman S. Paul Brown  
County of Princess Anne

### Chest Here Votes to Merge Into United Community Fund

The Board of Directors of the Virginia Beach-Princess Anne Community Chest voted unanimously Monday night to merge into a new organization, "United Communities Fund," which is in the process of being formed out of the present Norfolk Community Chest organization.

Formal action by the board of directors of the Norfolk Chest is expected to be taken Friday and immediately thereafter the new organization is to be formed.

The United Communities Fund would include Norfolk, eastern Norfolk County, Princess Anne County, South Norfolk and the City of Virginia Beach.

In addition to approving the merger the Virginia Beach-Princess Anne Board empowered the merger committee headed by Albin R. Mailhes, to continue to

work with representatives of the Norfolk Chest until completion of the merger.

As proposed the United Communities Fund organization would have a board of directors numbering 121 with 21 of that number to be representatives of the Virginia Beach-Princess Anne Group.

At Monday's meeting Mailhes pointed out that combined efforts at area-wide united funds are being made throughout the country.

Sidney S. Kellam, a member of the merger committee, told the group that "we will get benefits of many more services than we have now." He also pointed out that "I think the Norfolk Chest wants to cooperate with us 100 per cent."

At Monday night's meeting board members were shown proposed sketches of the new organization which would include a drawing of the Cape Henry Light-house within a large "U" and the list of communities under the name, "United Communities Fund."

### Local Station Gets Awards In State Radio

Three broadcasters of Radio Station WBYA, Virginia Beach, have won the honors in the Virginia Associated Press Broadcasters contest. It has been announced.

The Virginia Beach station shared top honors with WSYA, Harrisonburg, among the single-station cities. Here the winners were Leo Hearty, won a first place in comprehensive news; Lon Beckman in local and state news, and Bob O'Brien, Jack Garrison and Hearty combined for another in sports for WBYA.

Under contest rules metropolitan stations are in cities with two or more stations, while the non-metropolitan stations are those in single-station cities.

The awards were presented to the state's radio newsmen for outstanding work in the 1956-57 years. The awards banquet was held at the National Press Club, Washington, D. C., Friday, Jack Knell, of WBT and WBTW, Charlotte, N. C., chairman of judges, said the entire "twere of extremely high caliber and much better than those of any previous year when I served as a judge." He specified that all were good with the winners really outstanding. "Blair Eubanks, of WTAR, Norfolk, who took top honors, must have done a tremendous amount of work and had a fine sports show."

### Library Groups Working Hard On Bldg. Fund

Would you like a lovely library for your community? The library committee of the Princess Anne Junior Woman's Club has been hard at work laying plans to accomplish just this.

This is a most worthwhile project and quite a big undertaking however with the cooperation of all civic minded citizens certainly it can be realized.

A group of Junior Women went to the city council last August to ask for staff and maintenance as well as property for locating a building. At that time the council appointed Mr. Russell Hatchett and Mr. Frank Tarrall to work with the Junior Women in finding property. At the present time a tentative location is the corner site of 24th and Baltic Avenue, however if a more desirable site can be located it will of course be utilized.

An account has been established to receive funds and checks should be made payable to the Public Library Fund and mailed to Box 214, Virginia Beach.

The Virginia Beach, Sun - News will award a new 1957 Ford Customline Tudor, Sedan, and more than \$1,000 in cash during the next few weeks in a big subscription campaign, designed to make this newspaper the most widely read and circulated weekly in this part of Virginia.

### Delegate Davis Expected to Run

Delegate Harry B. Davis, veteran representative of Princess Anne County in Virginia's General Assembly, is expected to announce soon for the delegate seat he has held for 12 terms in the State's legislative body.

Davis is a veteran of 24 years as a member of the General Assembly and is generally regarded as one of the most capable lawmakers in the legislature.

The Law maker first went to the General Assembly in 1933 and has been returned each term by the voters of Princess Anne County and the City of Virginia Beach. Davis' election will be subject to the Democratic primary to be held in July.

### Electoral Board for County Re-appointed

The three members of the Princess Anne County Electoral Board have been re-appointed by Circuit Court Judge Floyd E. Kellam. It was announced by the clerk of court's office.

Members re-appointed to three year terms are F. B. White, L. H. Vaughan and Ben G. Gombert. White serves as chairman of the board and Vaughan is secretary.

Candidates who do not win one of the regular awards offered in the Big Cash Campaign will be paid 20 per cent cash commission upon money collected and turned in by them. In order to qualify for the commission the candidate must remain active until the end of the campaign by turning in at least two subscriptions each week they are in the campaign.

## RULES OF THE CONTEST

Any person who is of good character is eligible to take part in the "Automobile and Cash Offer" Campaign. Persons may nominate themselves or anyone else by filling in the Nomination Coupon with the full name and address, or nomination may be made by telephoning the campaign manager of the Virginia Beach Sun-News and giving him the name and address.

No regular employee of the Virginia Beach Sun-News or any member of an employee's immediate family will be permitted to take part in the "Auto and Cash Offer" Campaign. The campaign is for individuals only.

Votes or credits will be issued on paid-in-advance subscriptions to the Virginia Beach Sun-News for a period of 12 months to 10 years. Votes positively cannot be purchased. Each remittance must be accompanied by the subscriber's name and address.

Votes are not transferable. One candidate cannot withdraw in favor of another candidate. Should the candidate withdraw from the race for any purpose his or her votes will be automatically cancelled. The giving or transferring of subscriptions from one candidate to another will not be permitted. Votes on such subscriptions are subject to cancellation. Any collusion on the part of a candidate to nullify competition will not be tolerated. The person or persons so doing may be disqualified at the discretion of the management.

There will be only one way to secure votes in this campaign, and that is through the schedule announced or to be announced later with the direct understanding that due notice will always be given. Votes will also be issued on nomination coupons, First Subscription Coupon, Opportunity Coupons, and club offers by periods.

It is agreed and understood that each candidate will be responsible for all money he or she collects and will remit such amount in full to the campaign manager at least twice each week during the campaign. The first period will end April 30th, and each period will be one week's duration.

During the first period of the campaign 200,000 extra votes will be credited on each \$20 in subscrip-

tions. All business turned in up to this time will be applied upon it; 100,000 extra votes the second period; 100,000 extra votes the third period; 100,000 extra votes the fourth period; 100,000 extra votes the fifth period, and 100,000 extra votes for final period.

Protect-You-Vote ballots of 1,000,000 votes each will be awarded the three contestants having to their credit the largest number of votes at the end of the fifth period. Right is reserved to add extra prizes to any period in the campaign. Extra prizes can be announced on or before the end of the campaign.

Cash, check or money order must accompany all subscriptions where votes are credited. Candidates may secure subscriptions anywhere they choose.

All printed matter elsewhere in this issue relative to the campaign is hereby made a part of the rules and regulations governing it. Any question that may arise during the campaign will be decided by the manager of the campaign and the decision of the Virginia Beach Sun-News will be final. No statement made by a solicitor or any other person varying from the printed rules or statements, will be recognized by the management.

The campaign will end May 25. The judges' awards are final and in no instance will a commission be paid instead of an award. In case of a tie, awards of equal value will be given those polling the votes. A list of candidate's names and the number of votes accepted for publication will be printed from time to time throughout the campaign. This newspaper reserves the right to correct mistakes or typographical errors.

The newspaper reserves the right to reject any nomination. The presentation of the awards will be made by representative business men of this section. Address all nominations and communications to Campaign Manager, Virginia Beach Sun-News, Virginia Beach, Va.

Contestants are advised to see their friends and solicit their subscriptions at the earliest possible moment.

### THE PLAN . . .

The PLAN of the CASH OFFER CAMPAIGN has been endorsed by the leading business men and women where it has been in use. It has been OK'd by the most skeptical as being the fairest and most equitable plan yet devised whereby a person may earn one of the most handsome cash awards or an automobile during spare time on a short period. It offers a highly dignified method of securing in a few short weeks that which normally requires months and sometimes years of labor and savings to acquire. Ambition and close application to a pleasant occupation during spare moments is all that one needs to succeed in an Automobile and "Cash Offer" contest. In fact, one is generally surprised at the ease with which rapid progress is made after one enters and determines to succeed.

## EDITORIAL SPEAKING

### We Favor The Bond Issue

On April 16 the voters of the City of Virginia Beach will go to the polls to vote their approval or disapproval of a \$720,000 bond issue for capital improvements to the city. We trust that the answer will be a definite approval.

Every improvement included in the bond issue is one of progress. It would be difficult to single out any one as being more important to the advancement and improvement of our city than another.

Certainly the rebuilding and reconstruction of Pacific Avenue is an improvement that has been long needed. It is a very necessary improvement if we are to grow and prosper. The Pacific Avenue project certainly merits the approval of all.

Along with the Pacific Avenue improvement in the needed category we believe

the great majority would favor the construction of the convention hall. This project has been a "must" in the thinking of many of our people if we are to maintain our position economically in the resort and travel field. We believe this project would pay greater financial dividends than anything we could do at this time.

The other improvements are equally worthy. A new health center is badly needed, street improvements, other than Pacific Avenue, will enhance property values and make our city more attractive. The relocation of the city's shops, although minor in cost, will be a great improvement.

All in all, we believe the forthcoming bond issue warrants favorable support from the voters. We are strongly in favor of its passage on April 16.

### Chest Joins In United Fund

By action of its Board of Directors last Monday night the Virginia Beach-Princess Anne Community Chest has ceased to exist as such and will soon become an important part of the United Communities Fund. The United Communities Fund will include, geographically, Princess Anne County, the City of Virginia Beach, Norfolk City, South Norfolk and Eastern Norfolk County.

The decision to merge into the area-wide organization was reached by the local Chest after many meetings of merger-study committees of the local Chest and the Norfolk Community Chest. The Virginia Beach-Princess Anne committee studied the proposal from every conceivable angle since it was first approached on the subject by officials of the Norfolk Chest.

In the final analysis it was thought that all of the communities would benefit from a merger into one area-wide united fund and that more and better services could be rendered to the various localities through the merger.

The Virginia Beach - Princess Anne Community Chest has had a successful life and only once since 1940 has the fund campaign failed to reach its goal and that by only a few dollars. The local Chest began as a War Fund and did not become a Community Chest until 1946. Last year it raised approximately \$60,000 during the fund raising drive. Its success through the years can be traced to two important factors. The first ingredient to the success of a

community chest is a generous public that recognizes its responsibility in giving to such a cause. This has played a major part in the success of the local Community Chest as the people of Princess Anne County and Virginia Beach have always responded graciously and willingly.

The second factor in its success has been the leadership and devotion to civic duty of the officials of the community chest down through the years. The local Chest was built on a solid foundation and those who have been in command since that time have had a much easier job because of the groundwork laid by civic leaders who first conceived the need of the War Fund and later the Community Chest.

All of these ingredients will be needed even more in the future. Although the Virginia Beach - Princess Anne Community Chest has ceased to exist in name, the work that has been performed in the past will continue in the future under the new name United Communities Fund. Those citizens who have worked and who have contributed in the past will be called on in the future as a part of the United Communities Fund and the job of raising money to support the various fund agencies will become even larger. It will take leadership, industry and an increasing number of workers in taking care of our share of the responsibility of the United Communities Fund, which will be a united joint effort of friendly neighbors in a common cause.

## WHAT OTHERS ARE SAYING

### Newspapers Serve Informed Public

#### WHAT OTHERS ARE SAYING

"The Dallas Morning News"  
There is no getting around the fact that an informed public is the key to most that is summed in the old phrase of the American way of life. Mr. Jefferson saw this at the birth of our nation when he said that if forced to make a choice of having only newspapers or only organized government itself, he would not hesitate to choose the press. Apparently the present generation of Americans agree with him almost 100 per cent. Certainly we insist upon being the best informed people on the face of the earth. New records of newspaper circulation continue to be set.

N. W. Ayer & Son's new 89th annual directory of periodicals discloses that morning and afternoon newspapers last year set an all-time circulation record of 56,596,000 copies a day. This average is an increase of more than a million a day over the previous year. 1956 is also the fifth straight year in which increases were chalked up.

Not only are the dailies more than holding their own in the fierce competition for the attention of the minds of the public. The small town press, represented chiefly by the weeklies, is also a stronger and more potent force for democracy than ever before. These gains in the diffusion of the printed word are made in the face of continuing remarkable advances by other and newer means of mass communication. Radio and television are also reaching new peaks of public acceptance.

Time was — and not so long ago — when many felt that these newer agencies of news transmission would spell the doom of the press. But it is now seen that they have exactly the opposite effect. Both the spoken word and the picture on the TV set complement rather than discard the printed page. Each of the three mediums stimulates the thirst of the public for more knowledge and understanding of events around us. The gain to the public is immense from the work of all three.

### Girl Scout Roller Skate Merit Badges Now Available

Roller skating classes are now being conducted for Girl Scouts interested in completing the requirements for the Roller Skating Merit Badge.  
Classes may be started at any time with day and hours set for your convenience. All instruction is under the expert direction of our own Professional Skating Instructor Joan Wright, a former Roller Skating Champion, and now recognized as one of the foremost skating teachers on the east coast.  
Classes are held at the skating rink with one extra class

for final tests and award presentations. The fee is 50c per lesson, this entitles the scout to one hour of instruction, use of shoe skates and a ticket good for any regular public session. Extra practice time will be allowed when convenient.  
All requirements presented in the Girl Scout Handbook are covered along with some extra instruction which we believe to be of advantage to the skating scout. In addition to the Merit Badge awarded by the Girl Scout Headquarters, the Oceana Skating Rink presents each girl completing the course with our own Certificate of proficiency in Skating. At the end of our scout program we are planning a contest among the various troupes who have completed the skating course at which time additional individual awards will be made plus a Trophy to the Girl Scout Troop scoring the greatest number of points.  
If your troop would like to start work on the Roller Skating Merit Badge, or if you desire further information on this subject, call The Oceana Skating Rink, phone 3601 or 3298 Virginia Beach.

## Referendum To Be Held at Both Precincts April 16

Your City Council has given much thought and study, for a period of many months, to the construction and location of a Convention Hall in the facilities for the future growth and welfare of our City. Surveys have been made and data compiled. As a result, the Council has approved, for your consideration, a program which entails the expenditure of \$720,000.00 and it is the Council's opinion that you, the voter, should be apprized more in detail as to the improvements to be made and how this money is to be spent.

The first item included in this bond issue is the reconstruction, rebuilding and paving of Pacific Avenue in the City of Virginia Beach, beginning at Seventeenth Street and going north to Forty-fourth Street. This is the first phase of the Pacific Avenue project. The State and Federal Governments will pay three-fourths of the cost of this project and the City one-fourth. Our inability to obtain more State and Federal aid at this time is the reason the Pacific Avenue project will be accomplished in two phases. The completion of the second phase of the Pacific Avenue project from Seventeenth Street south will be determined when additional State and Federal aid is obtainable.

Our portion of the cost of the first phase is \$230,000.00, which amount includes additional funds that the City will be required to spend for the relocation of water and sewer lines and building additional storm drains. All public utilities will have to be relocated by the respective companies. When completed, Pacific Avenue will be paved, curbed, guttered and widened, with new sidewalks in place for the length of this phase of the project and the necessary traffic lights installed.

The Council employed one of the best known consultants, namely Horwath & Horwath, a firm with a national reputation, to make a survey of the needs of Virginia Beach for a Convention Hall. As a result of this survey it was determined that Virginia Beach was ideally located for the purpose of entertaining conventions. Good highways, utilities, railroads and steamships make it accessible to thousands of people. The survey showed further that Virginia Beach was second only to Richmond in the State of Virginia, in available first-class hotel and motel accommodations, and that the economy of the City stood in dire need of adequate facilities for taking care of assemblies, banquets and meetings on a large scale as tourist travel is our chief industry.

Further, as a city-owned and operated project, the convention hall can be used in the summertime for various attractions for both the visitors and citizens, and it is Council's hope to transfer all activities from the present Community House to the Convention or Assembly Hall, once it is completed. This undoubtedly would entail the sale of the present Community House as it would no longer be of use to the City. It is also planned that the Chamber of Commerce will have its offices in this building. The building is to be completely furnished and equipped, offering facilities for feeding 1,200 people and seating 2,000. It is the hope of the Council that the use of this building can be in with a planned and properly supervised recreational program for the City.

The next item is the construction and equipping of a Health Center. This building is to be constructed on the site of the present Health Center which is the northwest corner of Annapolis Avenue and Nineteenth St. It is to be of brick construction and designed to take care of the needs for the future growth of Virginia Beach. The cost of the construction of this building and equipping same, is \$466,666.00, and our portion is 45% or \$210,999.00. The balance of \$255,667.00 is to be paid from federal funds.

The next item is the sum of \$19,000.00 to be used for the moving, building and relocating of the City's shops so as to maintain all equipment in one place, namely Fourteenth St., and Park Avenue, and to make way for the location of the new Rescue Squad building, and looking to the future expansion of the City's offices and jail.

The next item calls for the draining, scarifying and rebuilding of Holly Road; repaving of Baltic Avenue; extension of the Twenty-first St. storm drain, and extension of water lines in the Shadow Lawn Heights area, at a cost of \$75,000.00.

The last item is to effect and carry out a complete replacement of road and City of Virginia Beach at a cost of \$15,000.00. This general replacement is required by State Law. The foregoing totals \$720,000.00 and it is proposed that these bonds will be paid off annually in the amount of \$36,000.00 until the entire bond issue is retired within twenty years. The total bonded indebtedness of the City as of March 1st, 1957 was \$2,203,010.00. On June 1st, this indebtedness will be reduced in the amount of \$60,000.00 by retirement of erosion bonds. Thus, if the voters vote for the proposed bond issue of \$720,000.00 it would make a total bonded indebtedness of \$2,863,010.00 on or after the 1st, without giving consideration to funds held by the Debt Service Commission. This amount places the City well within its bonded limit.

As is the custom in other localities with convention hall facilities, it is proposed to charge hotels at the rate of 10 per cent for business and pleasure guests staying at the convention hall, this money to be used for the purpose of maintaining the convention hall and employing a person to head a Convention Bureau. It is thought that possibly with the exception of the first year, no additional revenue from taxes may be needed. It is possible however, that a ten or twelve per cent increase in real estate taxes might be needed the first year. Thereafter, the increased business which we can expect to, enjoy as a result of conventions should cover the costs.

Trusting the information given may help you in deciding on this important program for our City, I am, very respectfully,  
W. Russell Hackett  
City Manager

## Jack Greenspoon Dies Wednesday

Jack L. Greenspoon, of Virginia Beach, died Wednesday morning in a Norfolk hospital after a short illness. He had suffered from a heart ailment for some time. He was 63 years old.

Greenspoon was widely known in Virginia Beach and throughout Tidewater Virginia. He was originally from New York City and had been a resident of Virginia Beach for fourteen years. He was vice-president of the Greenspoon Corporation, operators of Seaside Amusement Park and builder of the new Ocean Ranch Motel.

He is survived by his widow, three sisters, Mrs. Gertrude Howard, Miss Jean Greenspoon and Mrs. Fay Waxman. Also surviving are three brothers, Dr. Reuben Greenspoon, Mr. Albert Greenspoon and Dr. William Greenspoon.

The body was forwarded Wednesday afternoon to Westminister Chapel, Brooklyn. The family requested that flowers not be sent and that contributions, if desired, may be made to Temple Emanuel, Virginia Beach.

## Bayside Becomes Two Precincts

PRINCES ANNE—In response to a voters' petition, Judge Floyd E. Kellam Monday in Princess Anne Circuit Court divided the Bayside Precinct of Kempsville District into two parts.

The petitioners said 1,135 votes were cast in the November general election and that many voters had to stand in line two hours and a half toward the end of the voting day.

Judge Kellam set the boundaries of the new precinct, to be known as Bayside Precinct No. 2, as beginning with the Chesapeake Bay shoreline at the northeast corner of the Naval Amphibious Base, following the Race line south to Shore drive, Shore drive to east to Route 177 to Route 650, thence through Ocean Park to the Lesser bridge.

The largest community in the new precinct is Chesapeake Beach. Bayside Precinct 1 will consist of the remainder of the old precinct.

## VBHS Receives Highest Rating

At the annual State One-Act Play Festival held at the University of Virginia in Charlottesville last Thursday, Friday, and Saturday, Virginia Beach High School received the highest rating of "Distinguished," 97 points out of 100, for its prize winning play "A WEDDING." From the 66 plays performed, the judges only rated fourteen "Distinguished," the rest receiving "Superior" or "Creditable."

The able cast and stage crew include: Sue Winters, Bride; Richard Morner, Groom; P. B. White, Best Man; Anthony La Giglia, Friend; Alyce Savage, Groom's Mother; Don Hill, Bride's Father; Ernie Killen, Best Man; Judy Ventre, Maid of Honor; Shelly Smyth, Peter Treibler, Paul Gregory, and their director, Mr. George F. Snelgrove, English Instructor at Virginia Beach. The play was a source of applause for their outstanding achievement.

There will also be a brief arbor ceremony centering around a newly planted tree on the school grounds.

Those wishing to attend may bring sandwiches for a picnic on the lawn after the play show. Friends School will supply the beverages.

The school, which will be open for inspection, opened Sept. 1955 with kindergarten, 1st and 2nd grades; expanded Sept. 1956 with a 3rd grade; expects to expand further Sept. 1957.

In case of rain, the play show will be postponed to the following Friday, April 12.

## Scott Memorial Board Entertained

Mrs. F. H. Strickly was hostess to members of the Official Board of Scott Memorial Methodist Church, their wives and husbands, at a dinner given for them recently, in the social hall of the Church. The occasion was the celebration of the birthday of Rev. F. H. Strickly, pastor of the Church. Seventy guests were present at the dinner.

Master of ceremonies was Mr. A. Gene Melson, Chairman of the Official Board.

The Rev. Homer Lemaster, pastor of the Church, gave a testimonial to the Rev. F. H. Strickly, who gave a humorous address much to the delight of all the guests. Mrs. Ernest Hoff, a member of

## Art Association Chooses Setting For Home, Garden Tour Exhibit

The Virginia Beach Art Association has chosen the John O. Trafton, Jr. garden on North Bay Shore Drive as the setting for the exhibit which will be a part of the Bay Colony Home and Garden Tour, sponsored by the Bay Colony Garden Club on Friday, April 12, between the hours of 10:30 AM and 4:00 PM.

The paintings that will be shown are representative of those to be seen in the Art Association's Spring Exhibition, to be held at a later date, and there will be some paintings for sale. Mrs. Lawrence B. Wales, Exhibition Chair-

man, reports that Leonette Adler, Reha Seidel, Winifred Nixon Green, Sue Price, and Alice G. Parker are among the artists who have submitted paintings so far, and others are expected.

If the weather is unsuitable for an outdoor exhibition, the exhibit will be moved into the D. B. Boykin home on North Bay Shore Drive. The Boykin's garden is one that has been added to the Bay Colony Home and Garden Tour, but the home will not be opened except as noted above.

Tickets for the Bay Colony Home and Garden Tour can be bought by calling Mrs. Frank C. Book Jr., phone number 424, or any member of the Bay Colony Garden Club, or they will be available at an information booth which will be situated at the Bay Colony sign.

## NEWS FOR VETERANS

The Soldiers and Sailors Civil Relief Act of 1940, enacted for protection of men inducted into service in WW II, among other things, provided that certain commercial life insurance policies should not lapse because of loss of income when a man became a member of the armed forces. The Act provided that inducted men would continue to receive the protection of previously owned life insurance while in service without having to pay the premiums. Insurance companies were required to keep the policies of servicemen who elected in writing to come under the Act in effect until one year after discharge, even though these men made no further payments. The Government guaranteed to the companies that the premiums would eventually be paid by issuing promissory certificates to the companies.

After discharge the Veterans Administration notified all such persons that unless they paid the premiums with interest, their policies would lapse. If the veteran allowed the policies to lapse, the Government paid the companies after deducting the cash surrender of the policies and demanded reimbursement from the individual. Many veterans went ahead and paid the Government, and others paid in full or in part from their National Service or Government insurance dividends.

The United States Supreme Court on January 14, 1957, handed down a decision that the 1940 Act contained no express provision which required reimbursement for premiums paid by the Government on a lapsed policy, and that all such veterans are entitled to a refund on monies tendered or withheld from government insurance dividends.

"The VA is now studying the Supreme Court decision, and may be in position to make refunds within six months. Veterans eligible for such refunds may direct a letter to the Veterans Administration, Washington 25, D. C., making claim for reimbursement, supply the Marine Corps March 23 at Quantico, Va.

To earn his commission, he graduated from a 10-week officer candidate course designed to screen candidates from the national colleges and the enlisted ranks of the Marine Corps.

He is now enrolled in the eight-month Officer Basic Course, also at Quantico.

"Stay in the law and out of traffic trouble," asks our Governor's Highway Safety Committee. Laws are made to protect a give them a chance to do just that. Cheerful and strict obedience to just laws is the hall mark of a good citizen. Co-operate; don't violate.

## Sarah Sadler School of Dance To Hold Tea

Sarah Sadler, director of The Sarah Sadler School of Dance will be hostess at the Sixth Annual Mother's Tea Friday afternoon, April 5th at the studio on 67th Street, Virginia Beach. A feature of the tea will be a ballet demonstration by Miss Allison Allen, a student of the school and one of the most promising young ballerinas in the area.

Another highlight will be the showing of spring and summer fashions from Rose Hall Shops, with Mr. Colin Studis serving as commentator. The fashion show will be staged with a dance theme.

Miss Sadler, who has long been associated in the dance field in New York, California and The Tidewater Area, has recently added evening ballroom classes in addition to the children's daytime classes in ballet and modern dance. One of the more popular pre-dinner clubs at the Beach for the past few years has become the Virginia Beach Junior Cotillion Club, which was initiated in 1951 by a group of interested parents who wished to afford their children the additional social activities along with instruction in ballroom dancing and decorum. The Cotillions are held monthly at the Jefferson Hotel Ballroom and are under the personal supervision of Miss Sadler.

## Diamond Springs and Bayside Dominate All-County Selections

PRINCESS ANNE, The Diamond Springs BLUE DEVILS, and the Bayside BUMS of the County Junior Basketball League placed four boys each in the first ten selected for Junior All-County honors.

James Nowby, Danny Vincent and Michael Mastaleki of Diamond Springs were voted to honors on the first team while George Good was the lone selection for second team honors.

Bayside placed Johnny Strickland (only unanimous selection) and Herbie Conway on the first team and Boosie Ward and James Collier on the second team.

Mike Warner, Kemperville and Frank DeMills, Oceana were voted the final two selections for second team.

Boys selected to the Junior All-County first and second teams were presented a miniature silver basketball as an award for their achievement.

During the first five days after their landing on two Jima, Marine Corps communication crews laid more than 700 miles of telephone wire, although operating under heavy artillery fire and harassed by snipers.

## Easter Bonnet for Community Chapel

Bright and early Saturday morning all the people who attend the Virginia Beach Community Chapel will gather for a busy day of work, food and fellowship. These folks have decided to use the money ordinarily spent for Easter clothes to "dress up" the small building in which approximately 75 people have been holding Sunday School and church services

this past year. In order to handle the recent growth in attendance, walls will be coming down on the inside, while a new room is being added on the outside of this interesting little residence on Laskin Road next to the American Legion. An architect is being consulted regarding a building program which is to begin soon on this site. In connection with this Easter work-day there will be an old-fashioned "dinner on the ground" plus recreation for the children.

The pastor of the Virginia Beach Community Chapel is Mr. Richard Woodward of Norfolk who is also the Minister of Visitation for The Tabernacle Church of Norfolk. At the present time Mr. Woodward is giving only part of his time to the Chapel but anticipates assuming full-time duties as pastor there in the near future. Mr. Woodward received his training at Bob Jones University in Greenville, S. C., San Jose State College in San Jose, California, Biola Bible College in Los Angeles and Dallas Theological Seminary in Dallas, Texas.

This past Sunday night Mr. Woodward began a series of messages which will last for six weeks entitled, "Sixty - six

Messages From God to Man." Each Sunday night a different book of the Bible will be presented until the entire Bible is covered in an approximately one year. On Wednesday evenings a book of the Bible is studied, chapter by chapter, in a discussion group led by Mr. Woodward. This affords an opportunity for all who attend to participate in study and discussion, and this is in many ways the most popular of the services at the Chapel. In addition to these services there is a Sunday School held at 9:15 A.M. each Sunday morning for all ages.

The Virginia Beach Community Chapel is an inter-denominational church where people from many walks of life and varied denominational backgrounds gather around Jesus Christ as they find Him in the Holy Scriptures. It is a branch of The Tabernacle Church of Norfolk which is also a community church and is pastored by Rev. John Dunlap. The Chapel would like to extend an invitation to all those in the Virginia Beach area who are interested in what the Bible teaches to attend the schedule of discussion groups and services listed above.

## Farmers Invited To Attend Tour Of Area Farms

Farmers in Princess Anne County have been invited to attend a tour of pastures and forage crops on farms in the Norfolk-Princess Anne area April 10. Dick Cockrell, county agent, says he is making local travel arrangements and anyone wishing to make the tour should contact him at his office in Princess Anne.

The tour, sponsored by the VPI Agricultural Extension Service and the county Extension offices of Norfolk and Princess Anne, will include the farms of: Beverly and Roger Sawyer, Lynnhaven; A. J. Herschberger, Lynnhaven; John J. Cogliandro, Norfolk; and H. G. Ashburn, Hickory.

The tour will begin at 9:00 a.m. at the Sawyer farm. VPI Extension Service specialists who will accompany the tour and discuss the various pasture and forage crop systems are: K. E. Loope, associate agricultural economist; G. R. Epperson and John F. Shoulters, associate agronomists; Curtis Mast, animal husbandman; and Dr. Frank Ellmore, dairy scientist.

The Sawyer farm is primarily a beef cattle and hog operation. The Herschberger and Cogliandro farms are dairy operations; and beef cattle production is the primary enterprise on the Ashburn farm.

Cockrell says farmers should be able to get some good ideas on a year-round feed program for livestock on the tour.

Who rates what for performance and smoother riding in the low-priced three? Chevrolet has laid the answer and the proof on the line!

First, Chevrolet won the Auto Decathlon over every car in its field, and over the higher priced cars that were tested, too. This rugged ten-way test (right, below) showed Chevrolet was the champ in handling ease, braking, acceleration, passing ability, smooth-

ness of ride and other driving qualities you want in a car.

Then, Chevy won the Pure Oil Performance Trophy at Daytona (left, below) as "best performing U. S. automobile."

It's quite a feeling to know that you are driving a car that performs so well, responds so beautifully and is so finely built. You feel proud, of course. But you also enjoy a surer, smoother, steadier way of going, a keen

cat-quick response of power, and the easiest handling you've ever experienced behind a wheel. Just try this Chevrolet (V8 or Six) and see!

*Chevy showed it's still the champ...  
at Daytona...and in the Decathlon!*

**Miss Virginia Whitehead Smith, Edwin S. Reid Jr. Wed March 16**

The marriage of Miss Virginia Whitehead Smith, daughter of the late Mr. and Mrs. Paul L. Smith, of Kempville, to Edwin Sidney Reid Jr., son of the late Col. and Mrs. Edwin Sidney Reid of Chatham and Richmond, took place Saturday, March 16 at noon, at the home of the bride's brother-in-law and sister, Mr. and Mrs. W. W. Oliver, Jr. in Bayside.

The ceremony was performed by the Rev. Leroy Brown, pastor of Hagood Methodist Church.

The bride was given in marriage by her brother-in-law, Robert J. Johnson, of Arlington. She wore a street length dress of antique ivory taffeta, made princess style with a Peter Pan collar of white Alencon lace. Her flowers

were a corsage of white orchids. Her only ornament was an heirloom watch worn by the bridegroom's maternal grandmother.

Mrs. W. W. Oliver, Jr. was her sister's matron of honor and only attendant. She wore a light blue, princess style, taffeta dress with navy blue accessories and a corsage of purple orchids.

Charles Paxon of Bayside was best man for Mr. Reid.

After the ceremony a small reception was given. Later Mr. and Mrs. Reid left for a wedding trip and upon their return they will reside on John Silver Road, Bay Lake Pines.

The bride is a graduate of Longwood College. At present she is an art teacher in the Norfolk Public Schools.

Mr. Reid is a graduate of the University of South Carolina, where his maternal great-grandfather, James H. Thornwell, served as president.

**The MIXING BOWL..**IT'S *Fun* TO COOKBy LUCILE CLARK  
SUN-NEWS FOOD EDITOR

For the very latest in food fads and fables... for practical, down-to-earth recipes that please both palate and pocketbook, read the "Mixing Bowl" by Lucile Clark each Thursday in the Sun-News.

Inasmuch as Seafoods are so popular during the Lenten season the United States Fish & Wildlife Service has prepared for us some interesting facts & recipes that have been kitchen-tested by 16 selected kitchens.

Although only about seven species of fish are well known to the average person from coast to coast - there are actually about 200 varieties sold in the United States. This is in addition to the 40 varieties available in our food & fish markets.

No matter what their prices may be, foods from both salt fresh water sources contribute generously to the nutritional needs. As protective foods, fish & shellfish provide high-quality protein as well as essential minerals & vitamins.

While the flavor, texture and appearance, & size may vary according to the species, the fundamental rules for cooking most fish are few & easy to follow. Summarized they are:

1. **Avoid over-cooking.** There is no such thing as a tough fish, requiring long, slow cooking to tenderize. Fish is cooked when the protein has coagulated & the very small amount of connective tissue present has been broken down. Fish is cooked when it "flakes easily when tested with a fork." Beyond this point, cooking causes the fish flesh to become increasingly dry & chewy.

2. **Keep in mind the Variation in fat content.** Both fat & lean fish can be cooked by any of the basic methods, but lean fish require more added fat during cooking to keep them moist & flavorful.

3. **Handle fish as little as possible during & after cooking.** Fish flesh is tender & delicate. Turning many times during frying or broiling & transferring the cooked fish several times before serving, tend to harm the appearance of the final product.

Oven methods, combined with the practice of cooking & serving in the same utensil, help simplify the guarantee of fish cookery. These practices insure proper handling of the fish before cooking, & eliminate the need to transfer the cooked food before the final serving. Added advantages are less dishes to wash & the food stays warm longer during the serving period. Also, the home-

maker can plan her time better because the actual preparation for oven - cooking can be made well in advance. The food, however, should be kept refrigerated until the time comes to place it in the oven.

Fishery products are rich in nutritive value, since they are excellent sources of very digestible proteins & many contain essential minerals, vitamins & fat. The National Nutrition Committee recommends that everyone eat at least one serving of fish, meat or poultry every day.

In one serving (4 oz) of canned Salmon you will find the daily requirement of protein, calcium, iron, Vitamin A, Thiamine, & Riboflavin - & very few calories.

**Ocean Perch and Cheese Souffles**  
1 pound ocean perch fillets, frozen

1 quart boiling water  
1 tablespoon salt  
3 tablespoons butter or other fat  
3 tablespoons flour  
1/2 teaspoon salt  
Dash pepper  
1/4 teaspoon Worcestershire sauce

2 or 3 drops tabasco  
1/2 cup milk  
4 egg yolks, beaten  
1/2 cup grated cheese  
4 egg whites, beaten

Thaw fillets. Skin fillets and place in boiling salted water. Cover and return to boiling point; simmer 10 minutes or until fish flakes easily when tested with a fork. Drain and flake. Melt butter; blend in flour and seasonings.

Add milk gradually, and cook until thick and smooth, stirring constantly. Stir a little of the hot sauce into egg yolks; add to remaining sauce, stirring constantly. Blend in cheese and fish. Fold in egg whites. Pour into a well-greased casserole. Place in a pan of hot water. Bake in a moderate oven, 350° F., for 40 to 45 minutes or until firm in the center. Serve immediately. Serves 6.

**Salmon Casserole - Dinner**

1/4 cup butter or other fat, melted  
2 tablespoons lemon juice  
1 teaspoon grated onion  
Dash paprika  
Drain oysters. Combine eggs, milk, and seasonings. Dip oysters in egg mixture and roll in crumbs.

**Pan Fried**  
Place oysters in a heavy frying pan which contains about 1/4 inch of fat, hot but not smoking. Fry at moderate heat. When oysters are brown on one side, turn carefully and brown the other side. Cooking time approximately 5 minutes. Drain on absorbent paper. Serves 6.

**Deep Fat Fried**  
Fry in a basket in deep fat, 375° F., for 2 to 3 minutes or until brown. Drain on absorbent paper. Serves 6.

Note:—A commercial breading may be used. Follow the directions on the package.  
The importance of garnishes cannot be emphasized too much. "Eye Appeal" is always important. Take a few extra minutes & add a dash of color or a touch of garnish. From an uninteresting plain dish - that garnish will add glamour & turn it into an attractive & appetizing one. Here are a few suggestions:

Beets—Cooked whole or sliced  
Cucumbers—sliced or sticks  
Hard-Cooked Eggs—Slices-wedges  
Lemons—Slices or wedges  
Paprika—Sprinkled sparingly  
Parsley—Sprigs or chopped

## Marriage Friday at Jamestown to Mark Anniversary Of Vows Said in 1604 by Pocahontas and John Rolfe

WILLIAMSBURG, April 1 — Friday's reenactment of the marriage of Pocahontas and John Rolfe at Jamestown will be only the first of 194 wedding ceremonies this year for Mr. and Mrs. James Moffatt.

Selected to portray the lovely Indian maiden and her colonist-husband, the Moffatts will be "married" the other 193 times when they continue their roles in "The Founders," Paul Green's new drama of Jamestown which will open in Williamsburg on May 13.

Both he and she admit that the idea of a new marriage every day is fascinating, but nothing they would have dreamed of when they first took the wedding vows a few years ago.

This week's ceremony to be held in the old Church at Jamestown, will mark the anniversary of the historic wedding in 1614. The morning event will also serve as a reunion for all descendants of Pocahontas, and is being held in connection with the Jamestown Festival. Reverend Churchill Gibson, who will conduct daily services in the old Church during the Festival, is to perform the colorful wedding.

Wearing the same dress she will use for the wedding scene in "The Founders," June Moffatt will greatly resemble the lovely Indian princess. Her dark complexion, and long, straight black hair will be set off by an elegant golden gown trimmed in brown, and set off by an intricate pattern of beadwork and a bright orange lining.

Costume designers for "The Founders" explained that the custom of white wedding dresses for brides came in much later, during the Victorian era. Her husband will be dressed in a brown velvet coat with a flowing cape, green pantaloons, a stiff white collar trimmed in lace, and light stockings. Having had several years of theatrical experience each, neither of the participants admit any qualms about having to wear the 17th century clothing.

"I'm actually looking forward to it," June exclaimed, "the dress is so beautiful." For the Jamestown colony, the wedding of Pocahontas and Rolfe was more than a colorful occasion, though. Since the young maiden was the daughter of the powerful chief, Powhatan, their marriage formed a bond of unity between the English settlers and the hostile Indian tribes which was to last until the Indian Massacre of 1622.

"The Founders" tells the story of the Jamestown colony, from its settlement in 1607, through the torrid massacre of 1622. A new outdoor theatre, "The Cove," is now being completed for the drama near the site of Green's other noted historical production, "The Common Glory." Opening on the 350th anniversary of the colonists' landing at Jamestown, "The Founders" will be given each afternoon, except Mondays, thru October 19.

### ACHING MUSCLES

Relieve pain of tired, sore, aching muscles with STANBACK, tablets or powders. STANBACK sets fast to bring comforting relief... because the STANBACK formula combines several prescription type ingredients for fast relief of pain.

Pocahontas and John Rolfe emerge from the old brick church at Jamestown, flanked by colonists and Indians, after a rehearsal for Friday's reenactment of the historic marriage.

Portraying the colorful couple from history are James and June Moffatt, who will continue their roles in Paul Green's new outdoor drama, "The Founders," when it opens in Williamsburg on May 13.—The Founders photo.

### Anita De Castro to Appear at Cavalier

Straight from an engagement in Las Vegas comes dynamic Anita De Castro and her Latin American Band to the Hunt Room at The Cavalier.

Beginning her engagement April 12th, she and her band will entertain nightly (except Sundays) until the opening of The Cavalier Beach and Cabana Club.

A vivacious brunette, Anita De Castro started her career as a coloratura soprano, having studied at the Julliard School of Music. Later she switched to popular and rumba tunes. She by her talent naturally from her father, a noted pianist, and her mother who was an actress with the legitimate Spanish Theatre.

During the period when she was singing with the well known Spanish American Bands of Nora Morales and Tito Rodriguez she met and married Roger Mendes who helped Anita form her own band by doing her arrangements and playing drums in her group.

Although Anita De Castro has "rave" notices for her Latin American Rhythms, her old fashioned tunes and current show tunes make her band a hit with everyone. It is said in the trade when this gal gets into motion nobody sits out a dance.

The calibre of Anita De Castro and her band may well be measured by the top supper clubs and cocktail lounges in which she has appeared: The Waldman Park Hotel, Washington, D. C., Wonder Bar in Kansas City, Havana Madrid in New York City, Rancho Vegas in Las Vegas, Town and Country Club in Brooklyn and The Chanticleer in Baltimore and many others of note.

### New Cultural Association

#### Formed at Beach

On Wednesday evening, at the home of Mrs. Floyd Dormire, the Allied Arts Association of Virginia Beach, Inc. was formed. Officers elected were: George T. Mullen, President; Mrs. Floyd Dormire, Vice President; Mrs. Gilmore Tibbels, Secretary; Mrs. John H. Doyle, Jr., Treasurer. Groups represented and interested in the new organization are the Little Theatre of Virginia Beach, the Virginia Beach Concert Association, the Virginia Beach Art Association, Inc., and the Council of Garden Clubs of Virginia Beach and Princess Anne County.

This group has been meeting over a period of months to discuss means of fulfilling the need created by the cultural growth of the Virginia Beach area, and promoting and stimulating such growth.

The Navy's new super-carrier, USS Forrestal, required 2,400 miles of one-quarter inch welding, 265,000 pieces of steel, 200,000 rivets, about 180 miles of pipe, 290 miles of electric cable, 13,500 drawings and 2,100 miles of blueprints.

## Thalia Beautification Project Under Way

The Thalia Garden Club entered the beautification contest which started September 1st, 1956 running thru April 15th, 1957.

The beautification of community property contest is being sponsored by the Tidewater District Virginia Federation of Garden Clubs.

The Thalia Methodist Church grounds, because of its location on Virginia Beach Blvd., where it can be seen by tourists as well as local residents, was the Club's first large project undertaken to beautify.

Serving as Chairman of the project is Mrs. M. M. Bateman assisted by Mrs. H. O. Freeman, Mrs. H. C. Clark, Mrs. Roy T. Booker and Mrs. John Mathews. Members of the Club have been very enthusiastic and cooperative, working many hours and very hard to make this project a most successful one. Principles of landscaping design were followed in developing this project.

Mrs. H. C. Clark, husband of one of the Club members, gave a great deal of his time, effort, material and equipment to help with the

project of landscaping as well as putting in a gravel drive way.

Members donated a variety of shrubs, Azaleas, Hollies, Pyracantha to name a few. Other plants and shrubs were purchased to help complete the landscaping.

The main Church entrance has a very attractive flower box arrangement planted with dwarf shrubs.

The Club members found this project to be a most rewarding and gratifying opportunity to help the new Church which has been a great asset and a pleasure to the fast growing community.

This week the Club members will complete the finishing touches to the church grounds. This project will be one of 25 that are competing for top cash awards to be given by the Home Federal and Loan Association.

## Special Committees Established By Order of Cape Henry, 1607

Special committees were established by the Order of Cape Henry, 1607 Wednesday night in anticipation of the 37th annual pilgrimage to the Cape Henry Memorial Cross on April 28.

In a meeting in the Port Story Officers Club, Mrs. H. M. Schriener was appointed chairman of the luncheon committee by Mrs. Francis Naylor, president. The luncheon, also to be held in the Port Story Officers Club, will precede the ceremonies at the Memorial Cross, at which the Archbishop of Canterbury will be principal speaker. Colonel George E. Woods, Jr., commanding officer of Port Story, who will be host for the buffet luncheon, appointed Deputy Post Commander, Lieutenant Colonel F. G. Ward as representative of the command in assisting the committee.

Reservations for luncheon tickets, at \$2.75 per person, can be obtained from Mrs. Schriener at 2400 East Banner Drive in Norfolk (telephone LO 31461) or Mrs. C. F. Falson, Jr., co-chairman, at the Mayflower Apartments, Virginia Beach (telephone 2111). Checks should be made payable to the Order of Cape Henry, 1607.

The luncheon is scheduled for 12:30 p.m. and ceremonies at the Memorial Cross begin at 3. Dignitaries including Governor and Mrs. Stanley and the Asalee Queen and her Court are expected to attend the observances of the first landing of the English settlers who later established the colony at Jamestown. Hostesses in Colonial costumes will help set the mood for the occasion.

Miss Betty Cash of Beta Sigma Phi International Sorority and Miss Mary Strasser of the Emblem Club were appointed to the ticket committee. Miss Florence Bruce of Beta Sigma Phi and Miss Irene Kaswich of the Emblem Club will serve on the publicity committee. Mrs. Delmar Dee, Sr. of the Cape-Henry-by-the-Sea Garden Club will be in charge of decorations. Mrs. Gordon C. T. Simonson of Beta Sigma Phi will have charge of the arrangements committee and Miss Martha Page of Beta Sigma Phi and Miss Dorothy Cudd of the Emblem Club will head the membership committee. Miss Mary Alice Amburn of Beta Sigma Phi and Miss Mildred Baker of the Emblem Club will direct the hostess committee.

By Shirley W. Jones

### KEMPSSVILLE BENEFIT DANCE:

The Kempsville Garden Club will sponsor a dance with the Kempsville Parent-Teacher Association on May 17th at the Kempsville School gymnasium. Proceeds from this affair will benefit the Kempsville Volunteer Fire Department.

Mrs. C. W. Odehman, chairman, announced at the meeting Monday of the Kempsville Garden Club, that tickets are ready to be sold by members and at local business establishments. Music for the dance will be furnished by the "Starboarders."

Club members will be selling nuts, to aid the Garden Center. Mrs. R. H. Ewick, Mrs. H. F. Tyler and Mrs. R. R. Garriott were named the nominating committee for the garden club.

Mrs. Florence Moore and Mrs. Gloria Yeager were welcomed as new members. Mrs. Chester A. Bamforth spoke on corsages. Hostesses for the evening were Mrs. E. E. Zarn and Mrs. P. L. Jester. Judges were from Lakeland Garden Club. Mrs. George Reif, Mrs. Denver Rogers and Mrs. Robert Bartlett awarded ribbons.

### BOULEVARD MANOR GARDEN CLUB:

Mrs. D. L. Prescott has been elected to serve as president of the Blvd. Manor Garden Club, for the year of 1957 and 1958. Officers elected to serve with her were Mrs. J. W. Landrum, first vice president; Mrs. H. K. Taylor, second vice president; Mrs. D. W. Woolard, secretary; Mrs. Dorothy McAllister, corresponding secretary; Mrs. G. H. Goad, treasurer; Mrs. E. Lang, historian; Mrs. M. L. Whiter, reporter and Mrs. D. E. Keep, librarian.

The club held its meeting Tuesday at the home of Mrs. D. S. Willard on Seaford Avenue.

### AVALON TERRACE GARDEN CLUB:

Members of the Avalon Terrace Garden Club will participate in a flower arranging clinic, beginning March 28, 1957.

The club met Tuesday, at the home of Mrs. H. P. Cobb, on Elin road. Mrs. J. P. Sill was co-hostess.

Mrs. J. E. Etherington gave a demonstration of corsage making, which each member enjoyed. The club has completed one of its beautification projects, the erection of street markers in the area.

## Info Booths In Beach Will Serve Tourists

At the monthly Board of Directors meeting of the Virginia Beach Chamber of Commerce a report was made that the two information booths were completed and now in their locations on 17th Street and Pacific at 33rd St.

Tom Adams, chairman of the Information Booth Committee, stated that all is in readiness for the opening of the booths at the date to be determined by the supervisory committee. Adams further reported that banners will be placed over the street approaching the booths to direct the motorists to these information centers.

The hours proposed for the booths to be manned are from 11:00 AM to 7:00 PM and each booth will have a telephone. Chamber of Commerce members subscribing to the service of the information booths will pay \$25 for the season to help defray their operating cost.

A supervisory committee to handle the operative details if to be appointed from the Chamber of Commerce and the Hotel Association.

Other business before the board was a financial report by James Konojima, a request from Harold Kellam, President of The Chamber of Commerce, that all members attend the breakfast for the 80 AAA agents who will tour the beach April 11th under the auspices of the Virginia Travel Council. The Traymore Motor Hotel and Holiday Sands Motel will be host to the group for their overnight stay.

Herbert Holt discussed the Chamber of Commerce's Semi-Annual Dinner Meeting on Monday June 3rd. A very dynamic speaker will be on the program and will be announced later, according to Holt. The Chamber invites the public to attend this yearly dinner and is making tickets available immediately at the Chamber of Commerce.

## Luncheon to be Served During Garden Week

During the annual Garden Week in Norfolk and Princess Anne County, luncheon will be served on both Friday, April 26 and Saturday, April 27 at Eastern Shore Chapel, from 12 o'clock until 3 o'clock. The luncheon will be served in the Parish House under the auspices of the Woman's Auxiliary. The Chapel, which is located on Larkin Road, is included in the agenda of the annual tour, thereby making the stop for luncheon a convenient one. Communion silver from Queen Anne's Bounty is still in use at the Chapel, which was established in Lynnhaven Parish by 1680.

## Bay Colony Garden Tour Scheduled for Tomorrow

Welcome the newly arrived spring season with the Bay Colony Garden Club by joining their Bay Colony Home and Garden Tour on Friday, April 12, between the hours of 10:30 A.M. and 4:00 P.M. Hostesses from the club will be present at each garden or home to answer questions and point out unique or interesting features.

An exhibition of paintings by members of the Virginia Beach Art Association will be included. The paintings will be on exhibition in the garden of Mr. and Mrs. John G. Trotter, Jr., on North Bay Shore Drive. If the weather is unsuitable for an outdoor exhibition, the pictures will be shown in the home of Lt. Comdr. and Mrs. D. B. Boykin on North Bay Shore Drive.

The tour will begin in the garden of Mr. and Mrs. William L. Gilliam, Jr., where whitening dogwoods start the lush green lawn. The borders of bright spring flowers are evidence of the loving care given this garden by its young owners.

Next is the garden of Col. and Mrs. John H. Fry 160 Ditchley Rd., a delight to the eye and the heart. Here among the profusion of spring blooms stand trees with names. Three tall pines are "The Three Sons," representing their three stalwart sons.

In the woodland setting of Bruton Lane is the home of Mr. and Mrs. Frank R. Motley, a home, low white house with a long cast iron. This home should be of

## Models and Baskets for Convention

These are models for the fashion show to be held in conjunction with the 46th Regional Conference of the South Atlantic Region of Sororist and 31st Regional meeting of Ventures at the Cavalier Club starting Friday. They are shown looking over baskets prepared especially for the meeting which is expected to attract 300 delegates. The models are Miss Sylvia Velez, Miss Jean Crowder, Mrs. Virginia Worrell and Mrs. Margaret Schnell.

## Ceremony Will Honor Former Cooke Principal

Miss Mary Kellam, who served as the principal of the W. T. Cooke School here for many years, will be honored in special ceremonies at the school next Tuesday night. It has been announced.

A special plaque will be unveiled commemorating the services of Miss Kellam to the school and to the youth of Virginia Beach. The meeting will begin at 8 p. m.

The inscription on the plaque reads: "VIRGINIA BEACH—A tribute to Miss Mary Kellam from the Virginia Beach City School Board and the Teachers of W. T. Cooke School in recognition and appreciation of her outstanding and unselfish services to the youth of this community 1926-1951."

Miss Kellam's spirit and teaching is a legend in Virginia Beach and during the twenty-five years she served the youth of this community she tutored many of the area's leading citizens.

It is unfortunate that Miss Kellam will not be present for the ceremonies Tuesday night. Ill health will prevent her from being physically present and she will remain at her home in Belle Haven, Virginia. Two of her sisters will be present.

Her teachers, students and parents never ceased to marvel at Miss Kellam, according to those who worked with her. Everyone was impressed by her dignity and gracious manner.

During the period Miss Kellam served W. T. Cooke school the enrollment grew from 146 pupils to 650 pupils in 1951.

special interest to anyone contemplating the addition of space to their own home, for the Motley's have made three additions to the original home, and each addition has blended with and enhanced the lines of the house.

Leaving Bruton Lane, the tour goes to the garden of Maj. and Mrs. Gilmore L. Tibbott on Lee Road. Set on a rolling green hill, the broad lawn is enclosed by borders of flowering shrubs and a variety of perennials such as few gardens can boast.

Across Lee Road from the Tibbotts is the home of Mr. and Mrs. William L. Gilliam, Jr., where whitening dogwoods start the lush green lawn. The borders of bright spring flowers are evidence of the loving care given this garden by its young owners.

Next is the garden of Col. and Mrs. John H. Fry 160 Ditchley Rd., a delight to the eye and the heart. Here among the profusion of spring blooms stand trees with names. Three tall pines are "The Three Sons," representing their three stalwart sons.

Miss Mary Kellam, of Belle Haven, Virginia, was principal of the W. T. Cooke School here for many years, will be honored in special ceremonies at the school next Tuesday night. A plaque will be unveiled commemorating her service to the youth of this city.

## Fitzgerald Speaks To Richmond Group

John E. Fitzgerald, president of the Virginia Beach lodge of the Fraternal Order of Police Associates, spoke to the Richmond lodge of the F.O.P. last Tuesday night in Richmond.

Fitzgerald told the police group that it was the aim of the Virginia Beach Associates lodge to make the Virginia Beach police department the finest in the State. He told them that they were nearing that goal.

E. A. Culverhouse, of Virginia Beach, represented the Virginia Beach lodge of the Fraternal Order of Police.

## Crackdown in Clean up Drive Is Underway

Chief of Police Reeves E. Johnson of the City of Virginia Beach announces a crackdown on violations of sanitary, litter and dog ordinances in Virginia Beach after May 1, 1957.

"Violations of City and State ordinances have been numerous in the past," he said in a statement to this newspaper. "Notice is hereby given that flagrant disregard for these laws will be subject to due process of law."

A copy of the Sanitary Code of Virginia Beach pertaining to trash and garbage disposal has been or will be given to each school child in the area for delivery to parents. Residents who have not received a copy may have it in the mail by calling the office of City Manager W. Russell Hatchett, Virginia Beach 3400. As fines for violations of these laws are stiff, ranging up to \$500.00 for some offenses, it will be well for residents to acquaint themselves with their stipulations.

The Virginia Beach Clean-up Committee, composed of representatives from civic organizations and the Council of the City of Virginia Beach held a special meeting in the offices of the City Manager this week. Members of the committee renewed their pledge to work with the City governing authorities in every way to make Virginia Beach a cleaner, safer and more beautiful community.

Mr. Hatchett gave a report on his recent study of successful clean-up methods of other cities with problems similar to those of this area.

Mrs. Earl Strole, chairman, of the committee, said that the committee was proud Davis had seen fit to seek re-election.

"We feel that his experience and seniority of service in the Legislature," they said in a joint statement, "is of great value to Princess Anne and Virginia Beach. We have faith in Mr. Davis' ability to meet the ever-growing problems facing us. We will give him our wholehearted support."

The statement was signed by Treasurer V. Alfred Etheridge, Clerk of Court John V. Fentress, Commissioner of Revenue Ivan D. Mapp, Sheriff John E. Marr, Commonwealth's Attorney Robert S. Wamb Jr. and Assistant Commonwealth's Attorney J. Peter Holland III.

## 2nd Polio Shot for Adults Scheduled City, County

Adults in Princess Anne County and the City of Virginia Beach who have had their first Salk polio shot four weeks ago are urged to take notice of the dates and locations for the second shots.

The clinics will be held on the nights of March 15 and March 18 at the following four locations: Virginia Beach High School, Seatack Elementary School, Princess Anne High School, and the County Health Center located at the Courthouse.

The schedule calls for clinics to be held from 7 to 9 P.M. The shots are being sponsored by the Princess Anne Medical Society in cooperation with the County Health Department and civic clubs throughout the county and in Virginia Beach.

A nominal charge of one dollar will be made. Funds for the purchase of the vaccine are furnished by the Princess Anne Chapter of the National Foundation for Infantile Paralysis.

## 'EARLY BIRD' WILL GET EXTRA VOTES IN SUN-NEWS "SUBSCRIPTION CAMPAIGN"

### Council Votes to Buy Land near High School

The Virginia Beach City Council gave final approval in a special session Tuesday morning to purchase approximately 11 acres of land lying near the Virginia Beach High School on the western edge of the city for future development. The price approved was approximately \$48,000.

The action came after City Manager W. Russell Hatchett read a letter from a special board of appraisers in which they revised their original price of \$35,200 to \$53,920. This was done, according to the letter, after additional information had been obtained concerning the property.

The vote was three to one for approval with Mayor Duch. Councilmen McCombs and Tarrell voting for the purchase and Councilman W. W. McClanahan casting a dissenting vote. McClanahan asked that a portion of the property be bought, but Councilman McCombs said the purchase of one tract without the other was "useless." He said the land was needed for a new school which the State Board of Education has said the City will need within the next five years.

J. W. Dunn, a taxpayer, objected to the council's action stating that he was not familiar with certain aspects of the property, that is property lines and water mains and the exact property in question, but that he opposed the purchase.

Councilman Frank D. Tarrell, Jr. sided with McCombs and made a motion that the two tracts be purchased in their entirety. The council voted three to one on the motion. Councilman W. C. Everett was not present for the meeting.

City Manager Hatchett said the board of appraisers had changed their estimate after it was learned that waterlines had been installed in a portion of the property, that the present owner already had sales contracts for 11 lots and that the City School Board was desirous of obtaining the property.

Council also approved on second reading a \$13,234.80 engineering bill for proposed improvements on Pacific avenue. It also received an invitation to attend the unveiling of a plaque at the Willoughby T. Cooke Elementary School here Tuesday night in honor of Mrs. Mary R. Kellam, who was for many years principal of the school. April 22 was selected as the date for the Council's next session.

## Davis Announces for Delegates Seat Seeking Twelfth Term

Princess Anne County Delegate Harry B. Davis announced his candidacy for the Virginia General Assembly this week and immediately received endorsements from leaders and office holders in Princess Anne County and Virginia Beach. Davis will be seeking his 12th two-year term in the July 9th primary election.

Mayor Frank A. Duch and Councilmen John W. McCombs and Frank D. Tarrell, of Virginia Beach, heartily endorsed Davis' candidacy, and they were joined by E. W. Smith, city commissioner of the revenue, Lewis E. Smith, city treasurer, and H. E. Halstead, city sergeant.

The supervisors said in a statement that Davis has proved himself an able legislator. They called for re-election of the veteran lawmaker at this time when "experience and ability are so important in resolving the problems of our day."

The constitutional office holders said they were proud Davis had seen fit to seek re-election.

"We feel that his experience and seniority of service in the Legislature," they said in a joint statement, "is of great value to Princess Anne and Virginia Beach. We have faith in Mr. Davis' ability to meet the ever-growing problems facing us. We will give him our wholehearted support."

The statement was signed by Treasurer V. Alfred Etheridge, Clerk of Court John V. Fentress, Commissioner of Revenue Ivan D. Mapp, Sheriff John E. Marr, Commonwealth's Attorney Robert S. Wamb Jr. and Assistant Commonwealth's Attorney J. Peter Holland III.

## Clubs Meeting This Week at Cavalier Hotel

forty-Virginia Beach, Virginia Club and Venture Club of Norfolk, Virginia welcomes the 46th Regional Conference of the South Atlantic Region of Sororist and 31st Regional Meeting of Ventures, April 12 through 16th at the Cavalier Club, Virginia Beach, Virginia.

In April 1952 the Norfolk-Virginia Beach Club was host to the South Atlantic Region then consisting of twenty-five clubs now in the Region consists of forty-nine clubs. About 300 guests are expected to attend this Spring Conference. In the Spring there is no place comparable to Virginia. Certainly there is no area in Virginia lovelier than Tidewater in Spring. Even Norfolk bows to the Beach when the ocean's warm breezes waft forth. Members of the Sororists and Ventures are urged to plan early for Conference attendance. For the early registrants there will be an unusual gift-foot-bag suitable for continued Spring use.

Following close of sessions on Sunday, April 14, there will be a two hour bus tour leaving the Cavalier at one p.m. to explore Norfolk's world famous Annapolis Gardens and Historic spots such as Cape Henry. A box lunch will be included. The price will be \$2.75 per person. Reservations must be made as soon as possible and no later than April 11.

Miss A. Olivia Nicoll, Governor

## Pageant in Seashore Park To Open Jamestown Season

The Jamestown Festival salutes the first landing of the Jamestown colonists at Cape Henry with a pageant on April 26th in Seashore State Park. The pageant which will attract thousands of spectators will begin at 2:30 on the shore side of Seashore State Park. The site chosen is a grassy area about 400 feet long by 200 feet wide by the restaurant and bath house of the park which is on the shore side of Route 66 west of Fort Story. The natural setting beyond fondest expectations" by Byron Harfield, Jamestown's Director of Pageantry.

The Virginia Beach Jamestown Committee, in cooperation with the Jamestown Commission will be responsible for handling the staging, the seating, parking and other details of the pageant. Through this committee's request the Virginia Beach Little Theatre will stage the commemorative pageant under the direction of Ann Pennington.

A cast of seventy will participate in the re-enactment of the landing on 1607 when the first permanent settlers touched our shores at Cape Henry. The local actors will be supplemented by an Indian Chief and thirty other actors from Jamestown. All costumes will be sent from Jamestown for dramatic play written for the occasion by Byron Harfield.

Replicas of the three landing ships, The Susan Constant, The Godspeed, The Discovery, will be brought from Jamestown and anchored close in to the beach for a realistic re-enactment of the colonists coming ashore. Thus a narrative the story will unfold with the cast in authentic costumes will turn the clock back on this significant historical event that made Cape Henry the birthplace of the nation. The Archbishop of Canterbury will be an honored guest of the pageant which will be covered by newspaper, press, radio and TV.

## Clean-up Drive...

(Continued from Page One)  
The Clean-up Committee, said in an interview that her Committee is grateful for the announcement by Chief Johnson, "It is our hope," she said, "that it will not be necessary for the City to fine anyone for violations. The month of April has been designated as Clean Up Month by the City of Virginia Beach and the County of Princess Anne."

"You might call April a grace period," she went on to say. "During this time our Committee is trying to contact the public and by personal interview a great majority of the people living here. Good results are to be seen already and we hope to see the same at the ceremony of the Cape Henry Landings on April 28th that Greater Virginia Beach will have under a real 'live lifting'."

A note of humor slipped into the distribution of the Sanitary Code when an eight-year-old, a Virginia Beach second grader, came home with two notices for her parents. One was an application for a subscription to a children's magazine.

"I don't know what the other one is," she told her father, "but whatever it is I want it too." It was a copy of the Sanitary Code of Virginia Beach.

Read the Code and you will "wait" it too. And you will want the cleaner, more sanitary Virginia Beach which its observance will bring.

## Clubs Needed...

(Continued from Page One)  
of the South Atlantic Region of Sororist International will preside at the Sororist tea along with Miss Nicoll is a member of the Washington, D. C. Club. She is now employed as Assistant Executive Secretary of the Dairy Industry Committee and for fifteen years was the registered lobbyist for the Dairy Industry. Miss Nicoll will appear on WVEC-TV on Friday April 12 at 8 p.m. Channel 15.

The Sororist theme "Learning Together" explains the purpose of the Conference. Busy women in World Affairs will be learning effective ways to better serve the community, state and country. These women will be working toward building understanding throughout the International theme.

Mrs. Mary Bell, Director of the South Atlantic Region of Venture Clubs and member of the Westminster, Md. # How to make more money with Corn

## USE THE BEST HYBRID SEED

From the standpoint of quality and price, there is none better than Southern States.

### Here's Why:

1. Bred Right
2. Produced Right
3. Harvested Right
4. Dried Right
5. Graded Right
6. Treated Right (chemically protected against disease and soil insects)
7. Laboratory Tested Right (double tested—the "regular" and "cold test" for germination and vitality)
8. Field Tested Right

## USE THE BEST CULTURE PRACTICES

Southern States Hybrid Seed Corn will help you get more plants, more corn per acre—especially if you use good culture practices.

### Here's How:

1. Don't plant too early (soil should be 65° F or warmer).
2. Don't plant too deep (usually not over 1½ inches).
3. Provide sufficient plant food.
4. Apply high analysis fertilizer properly (not too close to seed).
5. Plant enough kernels per acre (for example, if you want 12,000 plants, plant 14,000 kernels).
6. Check planter plate drop (before and after starting to plant).
7. Don't plant too fast (hold tractor to 3½ miles per hour).
8. Cultivate with care and control weeds.

PLUS-

## GUARANTEE REPLANT AGREEMENT

Southern States Hybrid Corn is guaranteed to the full extent of the purchase price to be as represented in variety, purity and germination. Patrons may return any seed corn that is not thoroughly satisfactory. After the corn is planted if there is any definite evidence the seed was not as represented, Cooperative Seed and Farm Supply Service will refund the purchase price, but will in no case be liable for more than the purchase price of the seed.

Should a patron find it necessary to prepare the seed bed a second time because he failed to obtain a satisfactory stand from the use of Southern States Hybrid seed corn, Cooperative Seed and Farm Supply Service will supply at no cost to the patron, sufficient Southern States Hybrid seed corn for one replanting of the acreage involved; but in no case will Cooperative Seed and Farm Supply Service be liable for loss resulting from flood or high water or for any loss occurring after a satisfactory stand has once been obtained.

When you start with Southern States Hybrid Seed Corn, you are on your way to a Bumper Harvest. Remember, "Good Seeds Don't Cost. They Pay."

## FORT STORY TELLINGS

### EASTER SERVICE

FORT STORY, Va.—Final plans for the annual Easter Sunrise Service to be held at the Cape Henry Memorial Cross have been announced by the Fort Story Chaplain's Division.

An estimated 2,000 persons are expected to attend this 30th annual service, sponsored by the Fort Story Chaplains in cooperation with the Virginia Beach and Princess Anne County Ministerial Alliances.

Chaplain (Captain) William A. Martin will open the 5:30 a. m. service and Colonel George E. Woods, Jr., commanding officer of Fort Story, will welcome those attending. The Rev. C. O. Kidd, pastor of the First Methodist Church of Virginia Beach will conduct the responsive reading and the Rev. F. H. Strickly, pastor of Scott Memorial Methodist Church in Oceana will lead the morning prayer.

The Rev. Henry C. Barton, pastor of the Eastern Shore Episcopal Chapel in London Bridge will present the Scripture Lesson followed by an anthem by the Fort Story Chapel Choir. Chaplain (First Lieutenant) William W. Owen will deliver the morning message. The benediction will be pronounced by the Rev. John Keister, pastor of the Lutheran Church of the Good Shepherd at Virginia Beach.

The 38th Army Band will perform the prelude and postlude. Site of the services is the Memorial Cross on the Fort Story Military Reservation marking the approximate site of a worship

service held 350 years ago by the settlers who landed here before founding Jamestown.

### FAR NORTH

Officers who have worked and will be working in the Far North this summer visited the post this week to assist in the training of Fort Story units scheduled to take part in the gigantic operations near the Arctic Circle this summer.

1957 will mark the third consecutive year that Army Transportation Corps troops, working with the Military Sea Transport Service, have carried supplies and equipment to the radar outposts and military bases along the DEW (Distant Early Warning) Line and other Far North defenses.

Visiting on the post for conferences with the post commander and orientation of the units which will serve in the Arctic this summer were Lieutenant Colonels Harold Brown, James Wolliver, George L. Ford and Glenn Hartman. Brown and Wolliver have commanded units in the Far North. Hartman will have command of the Fort Story units serving on Project 572 and Ford those units serving on "Osg Fine."

**TRI-FAITH WEEK**  
Dr. Walter C. Gunn, pastor of the First Place Methodist Church of Norfolk, is Protestant Missioner for Tri-Faith Religious Emphasis Week now being conducted at Fort Story.

Dr. Gunn replaces Assistant Second Army Chaplain (Major) Allan G. Dillon, who has been hospitalized at Fort George G. Meade, Maryland.

Tri-Faith Religious Emphasis Week, which began Sunday, is an annual program designed to help servicemen renew their religious convictions, according to the Fort Story Chaplain's Division.

Rabbi Ariel Weissman of the Temple Emanuel of Virginia Beach will be the first Jewish speaker.

And the Rev. Albert Van Hulle, priest of the Congregation of the Immaculate Heart of Mary will be visiting speaker for Catholic services.

### RADAR

An additional safety factor was added to marine operations at Fort Story recently. The command craft of the 806th Heavy Boat Company was equipped with surface radar.

The electronic mechanism will assist in rescue and regular operations at night and during fog, according to First Lieutenant John Grdina, commanding officer.

The 48-foot craft, formerly used for air-sea rescue, controls the operations of the LCM's (Landing Craft Mechanized) assigned to the company. The radar, in addition to being an added safety factor, will assist in control of wave landings of the fast-moving assault craft.

### SPEAKERS

First Lieutenant William A. Young of the 14th Transportation Battalion at Fort Story will speak to the Portsmouth Rotary Club at 1 p. m. today (April 11) on the subject of "The BARC's, World's Largest 'Swimming Trucks'."

Lieutenant Young served in the Far North with the 88-ton amphibians last summer and was one of two officers to cross the Arctic Circle on the only one of the mammoth craft to do so.

The talk was arranged through the Fort Story Speakers Bureau which provides speakers on a wide variety of subjects to civic, patriotic, fraternal and educational groups in the area.

Chaplain (First Lieutenant) William W. Owen assisted in the dedication of the new Seaboard District Elementary School last Sunday.

The Chaplain offered the Dedication Prayer for the new school at Princess Anne.

### ANYWHERE

During his military career, a service man may be called on to serve in any part of our world. In order to assist the soldier in becoming acquainted with the locality in which he is stationed, a special "Pocket-Sized Guide Book" to the country is issued.

Master Sergeant William D. Crockett, clearing the post for assignment in Europe, stocked up on the "Pocket Guides" to various countries on the continent. Then he discovered a booklet which he decided gives him a complete coverage.

It's entitled "A Pocket Guide to Anywhere."

- AS MODERN AS TOMORROW'S JET AIRLINER:  
New magnetic recording with true high-fidelity "laid" on a permanent, reusable, erasable MYLAR belt. No needle scratch; no belts or discs to buy or replace; and a clear beautiful tone that will be a joy to your secretary forever.
- AS SLEEKLY FUNCTIONAL AS A GUIDED MISSILE:  
In fact, magnetic recording on a MYLAR belt was developed, by DuPont engineers, for use in guided missiles. The acoustically efficient case of moulded plastic laminate matches the appearance of your other fine office machines and is at home among the most luxurious surroundings. The simple controls, the effortlessly instantaneous action and the economy of movement offer to the modern office the counterpart of automation in the factory.
- AS INDISPENSABLE TO ECONOMIC PROGRESS AS IS THE THERMO-NUCLEAR WEAPON TO MILITARY SURVIVAL:  
Archaic methods yield to modern mechanization. The cost of the machine, any machine, measured in terms of productivity makes one ask not "Can I afford it?" but rather "Can I afford to be without it?"

# Pontiac Springs Another "First!"

**-Lowest Priced Car with Tri-Power Carburetion!**

Pontiac started 'em all talking by tagging this eye-popping Chieftain below 30 models of the low-price three. Now Pontiac has tossed another firecracker into the low-price field... with Tri-Power Carburetion available at extra cost on any model. Pontiac alone at so low a cost offers this sensational track-proved carburetion system that has officially outperformed super-charged and fuel injection cars. Here's how it works: For normal driving, only one of three double-barrel carburetors is in operation. When you want a safety-surge of power, press your toe and pronto—the other two carburetors pour out a bonus of go as long as you need it. Ease up... and you're back to the gas-saving economy of one-carburetor operation! In short—your new Pontiac Chieftain can be tame or terrific—at the touch of a toe! Try it, and you'll see why they're biting their nails in the low-price field. Check the car... check the price... and all bets are that you'll graduate to Pontiac with plenty left over in your budget to celebrate the occasion!

## EDITORIAL SPEAKING

### We Endorse Delegate Harry B. Davis

When Princess Anne County Delegate Harry B. Davis announced several days ago that he would seek a twelfth term in the House of Delegates, subject to the July 9th primary, the people of Princess Anne County and the City of Virginia Beach were assured of being able to vote for a man who has established a distinguished and an enviable record in the Virginia General Assembly for the past 22 years.

Harry B. Davis is looked upon by his fellow lawmakers and people throughout the State of Virginia as one of the most able legislators ever to grace the Richmond scene. He has proven his ability and his energetic approach to all matters concerning his area have always been dealt with immediately.

His candidacy for re-election has met with widespread approval among county

and city officials and among Mr. Average Citizen. These endorsements are easily understandable when one looks at the record of Harry B. Davis through 12 years. It is an outstanding record of accomplishment.

Delegate Davis is among the top echelon in the General Assembly and his ability has been recognized time and again as he is placed in high positions on important committees. He is one of the key figures in Virginia's lawmaking body.

His re-election for a twelfth term to the General Assembly will insure the people of Princess Anne County and Virginia Beach a continuation of the same able and capable representation that he has given them in the past. We wholeheartedly endorse Delegate Davis and urge the full support of the voters for his return to Virginia's General Assembly next January.

## WHAT OTHERS ARE SAYING

### "An Editorial"

Ever so often someone rises up to protest the federal government's promotion of U. S. Savings Bonds. The citizen could earn more interest on common stocks or municipals, it is said. Or inflation overcomes the increments at maturity; and the government ought to issue "purchasing power" bonds to play square with the people.

U. S. Savings Bonds are, in principle and in fact, the soundest and most practical source of mass savings in the world today. Why? Because their earnings, though modest, are certain. They are promptly convertible. And even though one can point to a multitude of blue chip alternatives in today's salubrious economic climate, the Savings Bond is the real rock in heavy weather.

If every American were born with a built-in instinct of thrift; if all persons found easy access to comprehensible and honest financial counseling; if every man were endowed with a little "mad money" that he could afford to lose while breeding it

with opportunity—that would be one thing. But such is not the case. So the people, the masses of the people, need inducements to simple and sure savings—bonds paid for by withholding, for example. And Uncle Sam, who would like to be on a cash basis but can't be, needs the money even though the taxpayers have to pay for it, even and including interest to themselves.

No, the people have confidence in their government beyond that which they have in some more remunerative investment. That's why more than 30 per cent of Americans' liquid savings are held in Savings Bonds. Ten million families bought bonds in 1956, and 60 per cent invested through payroll savings. They might have done better. They surely could have done worse. But what they did was safe, sane, and in the public interest—including their own.

We have no hesitancy in recommending, indeed urging thrift and preparedness through savings media provided by the United States Government.

## Ground Breaking Ceremonies Are Held by Diamond Springs Christian Church, Sunday March 31st at 3 P. m.

Ground breaking ceremonies were held by the Diamond Springs Christian Church Sunday, March 31 at 3 p. m. Work was started Monday, April 1 on their \$45,000 building, which is scheduled for completion in October. The new building will be the first of three sections planned by the congregation. The church hopes to have the plant finished in the next 10 to 15 years.

The first unit will be a combination fellowship hall and Sunday School building; the second unit, an enlargement of the first section, and the third unit, the sanctuary.

The new church will be located on a two-acre lot at King William Street and Haden Road, in Diamond Springs. The church lot was purchased last June for \$15,000 by the church's sponsor, the First Christian Church, a group that helps finance new congregations in centers and large percentages of military personnel.

Those taking part in the ground breaking ceremonies Sunday were: The Rev. John W. Johnson, pastor; John Webster, who presided

and represented members of the church; James E. Hawkins, superintendent of the Sunday School; Richard Markham, chairman of the official board of the church; Murphy Miller, who represented the Building Committee; Mrs. William Reese, who represented the Women of the Church; Mrs. Rolla Leggett, who represented the Sunday School teachers; Miss Sandra Kitchen, who represented the children of the church; Miss Jeanie Bacon, who represented the youth of the church; A. F. Morris, who represented the men of the church.

The choir, led by Mrs. George Olsen, led the congregation in singing. There were approximately 300 persons on hand for this event.

The new building will be brick and of contemporary design. Courtney and Spence are the architects and E. M. Pope will be the contractor.

The congregation is four years old. Two years ago it called its first pastor, the Rev. J. W. Johnson. At that time the congregation numbered 33. Today it has grown to 128.

## Break Out Your Fishing Cans

PRINCESS ANNE—Kids! Break out your fishing poles. Here is your opportunity to fish from the William Steel Fishing Pier free of charge. Through the cooperation of the management of the William Steel Fishing Pier located on the South end of Atlantic Ave. in Virginia Beach, "Fishing for Recreation" will be allowed for children 8 to 17 years of age, inclusive every Monday and Tuesday afternoons during April, May, September, October and November from 3 to 6 p. m. During the summer months of June, July and August, Fishing for Recreation will be permitted on Monday and Tuesday mornings from 9 to 11. Those public, private and commercial groups desiring to fish from the pier during the above seasons must make reservations through the County Recreation Department. Reservations may be made by phoning the Recreation Office, Lowell 5-0631, Princess Anne 2811 extension 96 or Virginia Beach 969. In making reservations state the number of children to participate, the day and date requested and the name, address and phone number of the adult in charge.

There is no charge to the Recreation Department or children participating in fishing for recreation off the William Steel Fishing Pier; however, each participant must provide own fishing equipment and bait. Those desiring to rent fishing equipment and purchase bait may do so for a small fee.

The refreshment stand will be open and drinks, ice cream, sandwiches, etc., must be paid for by persons desiring refreshments.

"Don't be one of those 'in-a-hurry' drivers. Impatience in traffic can be fatal. Remember, life is much better to be a few minutes later getting there than not to get there at all," says our Governor's Highway Safety Committee. "Speed can be relative and is often dangerous even below the posted limits."

Are you a criminal? Of course, you don't consider yourself one but our Governor's Highway Safety Committee says every time you break a traffic rule you have committed a crime. Our traffic situation is too serious to laugh off offenders that can result in death as something "everybody does."

"Look three ways before crossing a street," says our Governor's Highway Safety Committee. Look to the right and left for oncoming cars and the look behind you for a car which may be turning into the street you are going to cross. The right of way might be yours but it isn't worth dying for.

You don't have to be at fault strictly within the law and make every allowance for unfavorable conditions. Drive defensively, as if everyone else was out to Crash into you.

home and garden, giving visitors an opportunity to see a home that is true to the modern concept of indoor and outdoor living. Redwood siding, a beamed cathedral ceiling, and "open" planning help establish the contemporary atmosphere.

Moving onward to Bay Shore Drive, visitors will approach "Burtons Bluff", the home of Mr. and Mrs. Lloyd H. Burton overlooking Linkhorn Bay. An island bed of 500 tulips in the driveway and a formal planting of 760 azaleas promise to produce a riot of welcoming color beneath the tall pines surrounding this spacious home.

Further down North Bayshore Drive, Lt. Comdr. and Mrs. Dennis B. Boykin, Jr. have transformed what was open ground just last spring into a beautiful garden around their new home. They moved hundreds of azaleas, camellias, flowering shrubs and perennials from their former home in Norfolk, and it is inspiring and almost incredible to see what can be accomplished by two people in less than a year. Even trees, including a large holly and an apple tree, were moved down by the Boykin's.

Mrs. John G. Trafton, Jr. have a garden that will set all gardeners to day dreaming. It was planted gradually by its owners, and reflects the charm of the Williamsburg gardens. One visitor was heard to say that it was like a lovely English cottage garden, so green was the grass and so fresh and delicate the colors of the myriad spring flowers.

A visit at the end of the tour to the home of Mr. and Mrs. Lawrence P. Tucker on Lake Shore Drive gives one a renewed appreciation of the heritage of tradition in which Tidewater is so steep. Old brick, beautiful trees, and velvety grass enclosed by a flower bordered white fence add to the atmosphere of charm.

A program containing the tour route has been prepared by Mrs. John H. Doyle, Jr. and Mrs. Frank R. Blackford. Tickets and programs will be available at an information booth which will be situated at the Bay Colony Sign on the corner of York Lane and Bay Colony Drive (47th Street extended). Tickets for the complete tour will be \$1.50. Proceeds will be used to beautify the Laskin Road approach to Virginia Beach where many of our Jemtown festival visitors will get their first impressions of our community. The garden club also plans to make a donation to the Art Association's building fund.

...except for Chrysler!

For Chrysler Owners the era of lurch, lean and lunge has ended. Torsion-Aire Ride... Chrysler's all-new suspension... makes road travel a relaxing new kind of motion!

In the glamorous new Chrysler there's no more tensing yourself against sudden stops... no more leaning against curves... no more jolting and bobbing on rough roads. The reason is Torsion-Aire Ride, greatest automotive ride improvement in 20 years.

his new ride is an exclusive combination of suspension features that make Chrysler the smoothest sailing land yacht afloat. No other car in its price class has torsion bars and rubber-isolated ball-joints and outrigger rear springs and a new lower center of gravity. Together, they spell a new sensation in motoring the others can't even imitate.

This history-making new development is just one of the new experiences awaiting you in the Mighty Chrysler for 1957. You're in for a pleasant surprise, for example, when you learn how easy it is to own. The Mighty Chrysler actually costs no more than many models of the medium- and even low-priced cars... cars that do not have Torsion-Aire Ride, new pushbutton TorqueFlite® drive and other Chrysler features. Come in today and drive the Mighty Chrysler.

## Fashion Show, Card Party Is Successful

The Womens Club of Chesapeake Beach were hostesses Tuesday afternoon, April 2, to a very successful affair which included a luncheon, fashion show and card party. The home of Mr. and Mrs. J. W. Meekins in Alantown was the very elegant setting for this event.

The fashions were furnished by Ames and Brownley of Norfolk with Mrs. Mildred Alexander, Woman's Director of WTAR, Norfolk, doing the commentary.

One hundred and eighty women enjoyed this party to which reservations were closed 10 days before it was scheduled to be held. Club women from other clubs as well as the Chesapeake Beach Club modeled the stunning clothes and hats. They included, from the Cape Henry Woman's Club, Mrs. Wallace T. Clark, Mrs. Frank Kellam, from the Princess Anne Club, Mrs. J. W. Pick, Kempville Club, Mrs. Ivan D. Mapp, Ocean Park Club, Mrs. Henry C. Todd of the South Norfolk Woman's Club, and Mrs. Forrest P. Old of the Bayside Junior Woman's Club. Those modeling from the Chesapeake Beach Club included Mrs. Richard G. Hines, Mrs. Gordon Oliver, Mrs. Earl M. George and Mrs. Violet Lee Smith.

Many door prizes were given as well as table prizes and Mrs. Ralph Stuart of Kempville was the lucky recipient of a lovely new spring bonnet given by the Ames and Brownley Hat Shop.

The delightful luncheon which carried out the Easter motif was served under the direction of Mrs. H. W. Fulford, assisted by Mrs. L. E. Ledington.

Mrs. Elwood A. Hudson, Ways and Means Chairman of the club, has announced that proceeds from the affair will be approximately \$280 which will go toward the Woman's Club annual yearly payment on the Chesapeake Beach Community Center, a project of the Woman's Club, Men's Club and Fire Department of Chesapeake Beach.

## Little League Baseball

Undaunted by the mellow-creeping wind at NAS, Oceana, well over 100 boys turned out for the first practice of the American League of Virginia Beach Little League baseball Saturday afternoon.

Enthusiasm ran a dead heat with the stiff breeze sweeping the field just inside the North gate of the station. Huddled in the shelter of the dugout, mamas, daddies, baby brothers and sisters watched their hopefuls throw and catch while the officials and coaches created order from confusion.

The boys were divided into groups according to age and met their coaches. A short work-out followed with the promise of a two-hour session next Saturday at 2:30 p. m. at the Air Station.

Before the regular season opens June 11, four uniformed teams will be chosen. The players who are not picked for a sponsored team will be able to participate in the activities of the farm system. The teams and their coaches are: Sports, John Hill; Rotarians, Tom Larsen; Cubs, Bill Rann; Tigers, Roy Doss.

## Little Theatre Announces Cast For Coming Show

An excellent production is promised to patrons of the Little Theatre of Virginia Beach when its third play of the season, "The Happy Time," will be shown on April 22 and 23. An unusually outstanding cast has been selected for the performance consisting of many with several years experience with the local Little Theatre and others who are veterans among Little Theatre players and have long background of experience in other theatre groups.

Among those taking parts in "The Happy Time" will be Anne Henry and George Mullen, who have been with the local theatre group since its beginning; George J. Parker, Anthony Laghila, Natalie Centry, Neal Thomas, Len Beckman and Bill Britton will all be well remembered for their interpretation in outstanding roles they have played with the Virginia Beach Little Theatre. Others in the cast include Tony Sargent, Linda Medrick, Betty Cadieux and Gene Broadman.

The play will be presented in the auditorium of the Virginia Beach High School, curtain time is 8:30 p. m.

## Beech Grove Methodist Church Scene of Lee-Kidd Wedding

The marriage of Miss Shirley Faye Lee, daughter of Mr. and Mrs. Vernon Booker Lee of Princess Anne Court House, to Harry Gray Kidd of South Norfolk, son of Mrs. Emma Mae Kidd and the late Robert L. Kidd of Bluefield W. Va., took place last Friday at 9 p. m. in the Beech Grove Methodist Church.

The Rev. Homer L. Lemaster performed the ceremony.

The bride, given in marriage by her father, wore a ballerina length gown of white lace with tulle. Her finger-tip veil of illusion fell from a lace tiara. She carried a white Bible topped with a white orchid. Her only ornament was a pearl necklace, a gift of the bridegroom.

Miss Mary Louise Lee was maid of honor for her sister. She wore a baby blue chiffon gown and a blue headpiece with pink and blue flowers on one side. She carried a nosegay of blue flowers with pink and blue streamers. The bridesmaid, Miss Carol Lee, sister of the bride, wore a blue chiffon gown with a dead-end like that of the honor attendant and carried a nosegay of blue flowers with blue streamers.

Harold Gray Kidd, twin brother of the bridegroom, was best man. The groomsmen were Lewis O. Myers Jr., brother-in-law of the bridegroom; James Thompson,

cousin of the bridegroom, all of Norfolk and Vernon Lee Jr., brother of the bride, of Princess Anne Court House.

After the ceremony, a reception was held at the home of the bride. Later the couple left for a wedding trip to West Virginia and upon their return they will reside at 836 Wellington Ave., South Norfolk.

## Mayer-McChesney Vows Said in March

Mr. and Mrs. Charles E. McChesney Sr. announce the marriage of their son, C. E. McChesney Jr. to Miss Bennie Mayers, daughter of the late Mr. and Mrs. T. H. Mayers of Harrogate, Tenn.

The double-ring ceremony took place March 22 at the home of the bride with the Rev. W. C. Reeves officiating.

Mrs. Carol Mayers was matron of honor and Leonard Whitaker of Virginia Beach was best man. After a tour of the State of Kentucky the couple will reside at 816 24th St., Virginia Beach.

## ROBERT R. HUNTLEY ELECTED TO FRATERNITY

Robert R. Huntley, of Winston-Salem, was recently elected to Phi Beta Kappa and has recently been elected to the Order of the Coif at Washington and Lee University. This order recognizes scholastic achievement in law study. Mr. Huntley, a senior at Washington and Lee, passed the Virginia State Bar examination this winter and upon graduation in June, will be associated with the law firm of Booth, Duncan, Koontz and Booth in Alexandria, Va. Mr. Huntley is married to the former Miss Evelyn Whitehurst, daughter of Mr. and Mrs. Eldridge Whitehurst of Virginia Beach.

## RULES OF THE CONTEST

Any person who is of good character is eligible to take part in the "Automobile and Cash Offer" Campaign. Persons may nominate themselves or anyone else by filling in the Nomination Coupon with the full name and address, or nomination may be made by telephoning the campaign manager of the Virginia Beach Sun-News and giving him the name and address.

No regular employee of the Virginia Beach Sun-News or any member of an employee's immediate family will be permitted to take part in the "Auto and Cash Offer" Campaign. The campaign is for individuals only.

Votes or credits will be issued on paid-in-advance subscriptions to the Virginia Beach Sun-News for a period of 12 months to 10 years. Votes positively cannot be purchased. Each remittance must be accompanied by the subscriber's name and address.

Votes are not transferable. One candidate cannot withdraw in favor of another candidate. Should the candidate withdraw from the race for any purpose his or her votes will be automatically cancelled. The giving or transferring of subscriptions from one candidate to another will not be permitted. Votes on such subscriptions are subject to cancellation. Any collusion on the part of a candidate to nullify competition will not be tolerated. The person or persons so doing may be disqualified at the discretion of the management.

There will be only one way to secure votes in this campaign, and that is through the schedule announced or to be announced later with the direct understanding that due notice will always be given. Votes will also be issued on nomination coupons, First Subscription Coupon, Opportunity Coupons, and club offers by periods.

It is agreed and understood that each candidate will be responsible for all money he or she collects and will remit such amount in full to the campaign manager at least twice each week during the campaign. The first period will end April 30th, and each period will be one week's duration.

During the first period of the campaign 200,000 extra votes will be credited on each \$20 in subscription.

tions. All business turned in up to this time will be applied upon it; 100,000 extra votes the second period; 180,000 extra votes the third period; 140,000 extra votes the fourth period; 120,000 extra votes the fifth period, and 100,000 extra votes for final period.

Protect-You-Vote ballots of 1,000,000 votes each will be awarded the three contestants having to their credit the largest number of votes at the end of the fifth period. Right is reserved to add extra prizes to any period in the campaign. Extra prizes can be announced on or before the end of the campaign.

Cash, check or money order must accompany all subscriptions where votes are credited. Candidates may secure subscriptions anywhere they choose.

All printed matter elsewhere in this issue relative to the campaign is hereby made a part of the rules and regulations governing it. Any question that may arise during the campaign will be decided by the manager of the campaign and the decision of the Virginia Beach Sun-News will be final. No statement made by a solicitor or any other person varying from the printed rules or statements will be recognized by the management.

The campaign will end May 25. The judges' awards are final and in no instance will a commission be paid instead of an award. In case of a tie, awards of equal value will be given those polling the votes. A list of candidate's names and the number of votes accepted for publication will be printed from time to time throughout the campaign. This newspaper reserves the right to correct mistakes or typographical errors.

The newspaper reserves the right to reject any nomination. The presentation of the awards will be made by representative business men of this section. Address all nominations and communications to Campaign Manager, Virginia Beach Sun-News, Virginia Beach, Va.

Contestants are advised to see their friends and solicit their subscriptions at the earliest possible moment.

### THE PLAN...

The PLAN of the CASH OFFER CAMPAIGN has been endorsed by the leading business men and women where it has been in use. It has been OK'd by the most skeptical as being the fairest and most equitable plan yet devised whereby a person may earn one of the most handsome cash awards or an automobile during spare time on a short period. It offers a highly dignified method of securing in a few short weeks that which normally requires months and sometimes years of labor and savings to acquire. Ambition and close application to a pleasant occupation during spare moments is all that one needs to succeed in an Automobile and "Cash Offer" contest. In fact, one is generally surprised at the ease with which rapid progress is made after one enters and determines to succeed.

This "Cash Offer" Campaign is being conducted by the

### Tuna Fish Pie

Steaming hot wedges of Tuna Fish Pie and individual tomato apple salads team up for a tempting Lenten menu.

A meatless main dish pie can be the star of an outstanding Lenten lunch or supper. Tuna Fish Pie is a hearty and satisfying substitute for meat during the pre-Easter season.

Cheese added to the pastry gives a glamorous touch to Tuna Fish Pie. You can use the same good self-rising flour to make the pastry that you use for quick breads. The baking powder in the flour will make a light, airy pastry. The flour contains salt, too, so you won't need it in the recipe.

Interesting main dishes and hot home-made breads can make your Lenten menus appetizing and appealing. Use self-rising flour to save time and insure good results when you bake biscuits, muffins and nut breads.

#### TUNA FISH

1/3 cup shredded American cheese  
1/4 cups sifted enriched self-rising flour  
1/3 cup shortening  
3 to 4 tablespoons cold water

Stir cheese into flour. Cut or rub in shortening until mixture is crumbly. Sprinkle with water, mixing lightly until dough begins to stick together. Turn out on floured board or pastry cloth

It has been said Seafoods are more popular during Lent than other time of the year - However, that is not necessarily so - for one might say "Every day is fish day" for those who enjoy fish and for others - No, for some people just do not care for any seafood. We have talked together before about the nutritional value of seafoods - so I would suggest that you include them in your menu planning often.

Had a few fish lines from Frances Smith of J. Walter Thompson Company of New York the other day and she gave me some of the figures released recently from the U. S. Fish & Wildlife Service. They showed that Americans ate \$3.2 million pounds of fish sticks in 1956. All surveys made by chain stores indicate sticks to be the favorite frozen fish product. Such popularity is well deserved. Among most convenient of all convenience foods, fish sticks have only to be prepared according to the simple package directions & served with your favorite sauce, be it hot or cold.

Here are some suggestions for both from the National Fisheries Institute.

**Scandinavian Dill Sauce**  
1 cup sour cream  
2 teaspoons prepared mustard  
1 teaspoon dried dill  
1/4 teaspoon salt  
Blend ingredients together and chill. Makes enough for 2 packages of sticks.

**Tomato-Rabbit Sauce**  
1/2 pound Cheddar cheese, grated  
1 can condensed tomato soup  
1 tablespoon minced onion  
2 tablespoons ketchup  
1/2 teaspoon Worcestershire sauce  
1/4 teaspoon dry mustard  
1 egg, beaten  
Salt and pepper  
Melt cheese in top of double boiler. Add soup, onion, ketchup, Worcestershire sauce and mustard. Cook, stirring constantly, until heated through. Add mixture a little at a time to beaten egg. Return to top of double boiler and cook, stirring constantly, for 5 minutes. Serve hot. Makes enough for 3 packages of sticks.

The ungainly but universally popular fellow - the crab, now has been honored by its own book, "How to Cook Crabs" written by Fish & Wildlife Service home economist Dorothy M. Berry & Rose O. Kerr is available to anyone who sends 20 cents to the Superintendent of Documents.

and press dough together. Cover or wrap in waxed paper. Place in refrigerator while preparing Tuna Filling.

#### TUNA FILLING

3 tablespoons butter or margarine  
1/3 cup finely chopped onion  
2 tablespoons enriched self-rising flour  
1 teaspoon salt  
1/4 teaspoon pepper  
1 cup milk  
1 teaspoon Worcestershire sauce  
2 cups drained, flaked tuna (10-ounce cans)  
1 cup cooked, drained peas

Melt butter or margarine in saucepan. Add onion and cook 2 minutes, stirring frequently. Blend in flour, salt and pepper. Gradually stir in milk and cook until thickened and smooth, stirring constantly. Blend in Worcestershire sauce, tuna and peas. Remove from heat. Divide pastry in half. Roll one-half to circle 1/2 inch thick and fit into 8-inch pie pan. Roll remaining half of dough for top crust. Four Tuna Filling into bottom crust. Arrange top crust over filling. Trim and flute edge. Prick or slash top pastry to allow steam to escape. Bake in moderately hot oven (400°F.) about 40 minutes. Cool a few minutes before cutting into wedges. Makes 4 servings.

Government Printing Office, Washington, D. C. From the blue crabs of the Atlantic & Gulf to the Dungeness of the Pacific, some species of crab is fished from all United States Waters. The Authors tell you about other kinds too, as well as the many forms in which this delicious shellfish may be bought. The 32 recipes includes old favorites; Crab Cakes, Ravioli, Gumbo, Imperial.

**Imperial Crab**  
1 pound crab meat  
2 tablespoons chopped onion  
2 tablespoons chopped green pepper

3 tablespoons butter or fat, melted  
2 tablespoons flour  
1/2 cup milk  
1/2 teaspoon salt  
Dash pepper  
1/4 teaspoon Worcestershire sauce

2 hard-cooked eggs, chopped  
Remove any shell or cartilage from crab meat; being careful not to break the meat into small pieces. Cook onion and green pepper in butter until tender. Blend in flour. Add milk gradually and cook until thick, stirring constantly. Add seasonings, egg, and crab meat. Place in 6 well-greased, individual shells or 5-ounce custard cups. Bake in a moderate oven, 350°F., for 20 to 25 minutes or until brown. Serves 6.

The luncheon served immediately after the Inauguration in the Capitol Building for President Eisenhower & Vice President Nixon was so well televised that most everyone knows that Shrimp Cocktail & Maine Lobster Newburg topped the Inauguration Luncheon Menu. We don't know how the chefs prepared this seafood for their distinguished guests, but the National Fisheries Institute has given us their recipes of these dishes.

**Shrimp Cocktail**  
Clean and de-vein 1 1/2 pounds of shrimp. Cook it by boiling it 3 minutes in 2 quarts of water to which a tablespoon of pickling spices has been added. Drain shrimp and chill it. Serve it in

cocktail glasses or sauce dishes, with a spicy sauce, either poured over the shrimp or served on the side.

**Spicy Cocktail Sauce:** Combine 3/4 cup ketchup or seafood cocktail sauce, 1/4 cup chili sauce, 2 tablespoons prepared horseradish, 2 tablespoons minced onion, juice of half a lemon, dash of Tabasco, salt to taste. Make 6 cocktails.

#### Maine Lobster Newburg

Melt 3 tablespoons butter. Remove from heat and stir in 3 tablespoons flour. Return to heat and add 1 1/4 cups light cream. Cook, stirring constantly, until thickened. Stir a little of sauce in the beaten yolks of 2 eggs; then stir egg yolks into sauce. Add 1/2 cup sherry. Add 1 1/2 cups cooked or canned lobster meat. Season to taste with salt and pepper. Continue cooking until lobster is heated through. Serve hot on hot buttered toast or in pastry shells. Makes 4 servings.

## BAYSIDE NEWS BRIEFS

Rita D. Velles—Phone LO 5-9468

### BAYSIDE JUNIOR WOMAN'S CLUB

Mrs. M. K. Crockett Jr., was elected president of the Bayside Junior Woman's Club at a meeting held Tuesday night, April 2, at 8 p. m. at the Bayside Christian Church. She succeeds Mrs. C. E. Cummings as president of the club.

Other officers elected to serve with Mrs. Crockett are: Mrs. J. S. Hoots, vice president; Mrs. C. B. Forbes, recording secretary; Mrs. R. M. Hunter, corresponding secretary and Mrs. R. L. Bailey, treasurer.

The officers will be installed at a dinner May 7 at Shore Drive Inn.

The club voted to plant crape myrtles on the grounds of the Bayside Christian Church as a project in the beautification program in connection with the Jamestown Festival.

Plans were made for a reception of new members Tuesday at the church and for a bake sale April 13 at the Bayside Shopping Center.

Mrs. Stuart Mallory, executive secretary of the Red Cross for Princess Anne County, presented caps, pins and certificates to four members completing the staff aid course. They are as follows: Mrs. J. V. Sutton, Mrs. M. K. Crockett Jr., Mrs. Forrest Old and Mrs. J. E. Powell, and Mrs. E. H. Busbee for completing the social welfare aides service course. It was announced that the staff-aides will work at the bloodmobile at Little Creek Friday.

Announcement was made that the club won first prize for scrapbooks for clubs of 100 members or less in the Tidewater District, Virginia Federation of Women's Clubs. The club voted to contribute \$5 to the education fund of the VFWC.

### ST. PIUS X WOMAN'S CLUB

The St. Pius X Woman's Club met Wednesday night, April 3, at 8 o'clock in the assembly room of the school, on Halpern Drive and Little Creek Road.

Miss Catherine McWilliams, chairman of the nominating committee presented the following slate of officers to be voted on at the May meeting. In addition to the slate there were nominations from the floor. For president, Mrs. Girard-Propster; vice president, Mrs. Peter French and Mrs. D. Garcia; recording secretary, Mrs. George W. Cox; corresponding secretary, Mrs. Rus Garcia and Mrs. R. J. Velles; treasurer, Mrs. Keith Gury and Mrs. Murrell Crockett.

The club voted to have a "bake sale" on the last Sunday of each month, following several of the masses, for the benefit of the nursery.

The president, Mrs. M. A. Negro, announced that the National Council of Catholic Women will have their state convention and workshop at the Jefferson Hotel, Richmond, on April 27 and 28. The club voted to send one

delegate to this convention. However, others may attend the convention and workshop but each council will only have one vote.

Father Bede, assistant pastor of St. Pius X was speaker for the meeting. He talked to the group on the new Eucharistic Past which went into effect in the Diocese of Virginia on March 25. Prior to that time anyone wishing to receive Holy Communion was obliged to fast from midnight from solid foods until after receiving Communion. The new regulation allows the eating of solid foods three hours prior to receiving Communion.

Father Bede in his talk pointed out that it is the wish of the church to encourage all the laity to receive Communion often.

### NOTICE OF INTEREST TO ALL BAYSIDE VOTERS

Approximately half of the voters in the county's Bayside precinct will vote in a different place in the Democratic Primary and general election this year.

Judge Floyd E. Kellam Monday afternoon ordered a division of the precinct, creating Bayside I and Bayside II. The new precinct will be made up of the residents of Ocean Park, Chesapeake Beach, Baylake Pines, Bayville Park and Bradford Terrace.

The division came as a result of a petition filed in the Circuit Court here by 38 residents of the old precinct, W. E. McKenna, one of the petitioners, testified before Judge Kellam that 1,136 votes were cast in the precinct during the last election, resulting in voters standing in line at the Robbins Corner polling place for two and a half hours in order to cast their ballots.

The creation of the new precinct brings to 18 the number of polling places established in the county. P. B. White, a member of the county's electoral board said a polling place for the new precinct and election officials will be named as soon as a formal request is received by that body.

## Colgate Thirteen at Cavalier April 18-21

As a special attraction for its members, the Cavalier presents the Colgate Thirteen from Colgate University for an engagement April 18th through Easter, April 21st. Styled as "America's Most Unique Collegiate Singing Group," they have thrilled audiences from Los Angeles to New York with their distinctive blending of voices and wide diversity of their repertoire. The group gave 115 concerts in 24 cities in 1955-1956 and have appeared in such recognized spots as Hollywood's Mocambo Club, Chicago's Pump Room, New York's Waldorf Astoria, Jamaica's Montego Hotel. On May 10th they will appear in concert in Carnegie Hall.

The Colgate Thirteen

Actually the Colgate Thirteen has a membership of about 26 men in order to perpetuate the organization and meet off campus demands for entertainment.

To spread good feeling and the joy of song for Colgate they traveled 14,000 miles in their 56-56 tour. Nearly 50 million people heard and saw them on radio and TV programs including the TV network Jackie Gleason "Stage Show."

The group who will enter the Cavalier members at the Cavalier every night at 9:00 April 18th through 21st, include Colgate students from 10 states and eight fraternities. The "Thirteen" is also represented on the campus in varsity football, soccer, swimming, student publications, dramatics, Junior and Senior honorary societies, Glee Club and many other activities.

To knowledge this is the first time a private club has given its members the opportunity of enjoying so fine a collegiate choral group as a membership privilege.

## Footlights Go Up April 12 on First Of Two Plays at Williamsburg

WILLIAMSBURG, Va. — The footlights will go up on the first of two 18th-century farces at The Auditorium on 8 p.m. Friday, April 12.

The plays — "Miss in Her Teens" by David Garrick and "The Mock Doctor" by Henry Fielding — will be presented each Friday night through May 31 as a part of Colonial Williamsburg's spring entertainment series. The April 12 opening will begin the second year for the two productions, which were well received last spring and fall.

Both plays were favorites among the playgoers of the American colonies. Their early billings called them "afterpieces"—and they served as boosters for the feature performances, which sometimes were weaker, but longer plays. Eventually, afterpieces became so popular that they were awarded regular billings. Parts in the plays will be taken by members of the William and Mary Theatre under the direction of Howard M. Scammon, Associate Director of the William and Mary Theatre. All roles will be filled by the same performers who held the parts last year.

The plots of the two plays follow the popular pattern of mistaken or hidden identity and the complications that arise therefrom present many hilarious situations.

"Miss in Her Teens" was written by Garrick in 1747 and was presented in Williamsburg, in 1768, according to old records. "The Mock Doctor" was written by Fielding in 1733.

The Auditorium is the former Reception Center of Colonial Williamsburg. It will continue to be used for plays and special programs.

## Filing Date Near on Federal Income Tax

Time is running out for late filers on Federal income tax returns for 1956. Unlike last year when taxpayers had a couple of extra days to file, because it was Leap Year, this year's deadline occurs at week's opening, Monday, April 15th. This was the reminder passed on today by District Director, G. W. Glotzbach, whose Internal Revenue Service Office at Richmond is getting plenty of mail but not as much as he expected from the taxpayers in this District.

Filers who expect to compute their taxes from last year's income and expense records had better start record-searching and soul-searching right now, Director Glotzbach warns. Those who will compute on the standard basis and its flat 10 percent deduction shouldn't lose any time either, he emphasized.

Check of money orders for any taxes still owed should be made payable to the Internal Revenue Service and sent to the District Director's office at Richmond, Virginia.

When discussing traffic safety, we generally think in terms of people killed. However, our Governor's Highway Safety Committee says that last year about 30,000 people in Virginia were injured. Many of these were permanently disabled or disabled. In addition, traffic crashes cost some \$90 million in hard cash.

## Voters Approve Bond Issue Council Lets Contract

Light Votes Gives  
2 1/2 to 1 Margin

Virginia Beach voters, showing signs of apathy with a comparatively small vote, nonetheless approved by a wide margin a \$720,000 bond issue Tuesday and City Council wasted no time in approving a contract for an aluminum-domed convention hall. The Council met shortly after the polls closed and the result was known Tuesday night.

Thus, in a short space of time after the voters approved the bond issue the City of Virginia Beach contracted with the Kaiser Aluminum Company for the construction of a convention hall unlike any structure in the United States.

The contract signed Tuesday night with the Kaiser firm calls for voiding of the contract by either Kaiser or the City of Virginia Beach if, at the end of 60 days, a satisfactory bond issue has not been sold.

The dome-shaped convention hall, as proposed, could seat 2,000 persons and would be erected between 19th and 20th streets and Pacific and Arctic avenues. It would afford space for feeding approximately 1,500 persons.

Tuesday's vote was rather small but the decision was emphatic. The vote count showed 505 votes for the referendum and 204 against. The breakdown of the vote by precincts was: Precinct number one, 358 for, 127 against; Precinct number two, 149 for, 75 against.

The sums provided in the bond issue for the convention hall is \$360,000. Other provisions are \$230,000 in improvements to Pacific Avenue; \$75,000 for Holly Road, and for construction of a new health center and other improvements.

At Tuesday night's special meeting of the Council representatives of Kaiser Aluminum and those of Globe Iron Works, Norfolk, were present for the contract signing.

## In P. A. Garden Tour

Old Donation Church, above, is one of the many interesting points in the garden tour to be conducted in Princess Anne County on April 26 and 27. Luncheon will be served at the church during the tour.

## Historic Church Included in Princess Anne County Garden Tour

Records show that there was a Parish Church on Adam Thoroughgood's land at Lynnhaven a year before Lynnhaven Parish was established in 1640. The church was built on land since known as Church Point, and was abandoned later in the century after a channel cut from Lynnhaven river into Chesapeake Bay caused the water to rise and gradually wash away the church yard.

In 1692 a new church was built on land sold by Ebenezer Taylor. This small building was soon outgrown, and another church was built adjacent and finished in 1736.

The name "Old Donation" does not appear in records until 1822, and undoubtedly originated from the gift to the Parish of adjoining lands, still known as Old Donation Farm, by the Rev. Robert Dickson in 1776 for the endowment of a free school for orphan boys. A distinctive feature of Old Donation are the four small upper windows. These lighted the hanging pews, built for the family use of wealthy parishioners - and at their own expense.

Old Donation Church was abandoned for general worship in 1842, and in 1882 a woods fire destroyed the woodwork and only the walls were left standing. The church was restored in 1916 and it is easy to see where the bricks from the old walls were used.

Of particular interest in the church is the Baptismal Font. This was in the original Lynnhaven Parish Church, and is said to have been rescued from under water where a fisherman was using it as an anchor. The furnishings of the church were given by St. Paul's in Norfolk, which at that time was being restored to its Colonial period. The Communion silver, consisting of flagon and chalice, was given to the Parish by Queen Anne. Their dates are 1716 and 1712. The pates were given by Maximilian Boush, who was a church warden, and bears his coat of arms.

Lunch to be served Friday and Saturday, from 12 till 2 April 26th and 27th.

## SUN-NEWS SUBSCRIPTION CAMPAIGN OFFERS "GOLDEN OPPORTUNITY" FOR EXTRA CASH

### Turns on Blvd. Meet. Protests Of Merchants

The State Highway Department's plan for no left hand turns on Virginia Beach boulevard has met with protest and as a result the Princess Anne County Board of Supervisors will confer with highway officials next Monday.

At a meeting of the county board here Monday, members heard a protest from L. G. Moore, owner of the Moore Upholstery Co., located on the boulevard near Glenbrook, who complained that the elimination of left turns was detrimental to his business.

The board deferred action on the letter until its meeting next week at which time members normally confer with Highway Department officials on road problems.

St. Paul Brown, board chairman, appointed James G. Darden, supervisor for Lynnhaven, and Richard J. Webbon, executive secretary to the board, as members of a permanent "cleanup" committee being formed for the county and the City of Virginia Beach.

The appointment came as the result of a request by a committee from the Council of Garden Clubs of Virginia Beach and Princess Anne County which is sponsoring the joint effort. The committee will look into more strict enforcement of existing laws covering cleanliness and will investigate the possibility of additional legislation along those lines.

In other action, the county board approved new hospital contracts with Norfolk General Hospital and Norfolk Community Hospital for indigent county patients. Acting on recommendations of the Planning Commission, the board approved several rezoning requests and issued use permits for three filling stations and a motel.

## New Contestants Can Enter And Win Make Spare Time Pay

### Rehearing Ordered by County Supervisors

Two zoning petitions have been forced back for rehearing by the Princess Anne County Board of Supervisors. The action on the two petitions was taken at Monday's meeting of the Board and at the same time a third was referred back to the Planning Commission for reconsideration.

The two applications which will be given another public hearing are: A petition by Raymond C. Fentress for a change in zoning from residential to limited commercial purposes at Robbins Corner, and the G. M. Realty Corp., for a use permit for a memorial type cemetery proposed to be located just north of the intersection of Highway 165 and Salem Road.

Referred back for reconsideration of the Planning Commission was an application for zoning change to limited commercial use of an area on Greenville Road and Shore Drive and a use permit for a filling station.

The Supervisors appointed a committee of two, James Darden, Supervisor from the Lynnhaven District, and Richard G. Webbon, secretary to the Board, to work out with the Council of Garden Clubs a plan for cleaning up county highways and roads.

Mr. Scott, executive representative of the Council of Garden Clubs, asked the Board to consider various cleanup programs, including the patrol of sand beach areas in Princess Anne County and a dog ordinance which would require dogs being put on a leash while in the sand beach area.

### See First List of Contestants Below

The Virginia Beach Sun-News this week announces the first list of persons nominated so far to compete in the Sun-News Auto and Cash Offer Campaign. Their names will be found on this page.

There are still some communities in the territory not represented by contestants, the campaign manager said this week. He pointed out that now is a "golden opportunity" to get in on the ground floor while the race is just getting started, and take a commanding place on the list.

The campaign, which lasts six weeks from last Monday, is open to any adult of good character who is not in the immediate family of anyone employed by the Sun-News. Correspondents are eligible to participate.

First prize is a new 1957 Ford from Ford Motor Sales, second prize, \$500, third, \$250, and fourth, \$150. Any contestant who remains active throughout the campaign and does not win one of the four big prizes will receive \$20 per cent commission on all sales made.

First big vote bonus offer ends Saturday and each \$20 in subscriptions will entitle the candidate to 200,000 extra votes up until and including report time Saturday. Bonus votes for \$30 clubs decrease each week as the contest goes along. Be sure to report all subscriptions Saturday, April 20.

All a person has to do to enter the contest is nominate himself or herself as a candidate, and get the necessary materials from the campaign manager. The campaign manager pointed out that the work is stimulating and interesting as well as a means of earning money. Enter your name, today.

**Jaycees' 6th Annual**

**Rodeo To Be May 18**

JAYCEES' 6TH ANNUAL . . . . . RODEO TO BE HELD MAY 18  
The Virginia Beach Jaycees will prove next month that it pays to be a safe, skillful driver. In fact that it pays to the extent of \$2,000.

The Jaycees are starting their sixth annual rodeo for teen-age safe drivers.

Any teenager who holds a driver's license, who has not had a moving traffic violation in the past six months, and who will not be more than 19 years old August 15 may compete.

The competition will be conducted in two parts. The first part will be a written test which will be given Thursday, May 16 at a site to be determined later. The second phase will be a driving skills test, given May 18.

The winner will compete in the state finals in June, and the state winners will participate in the national finals in August. The national winner will receive a \$2,000 scholarship. Second place winner will receive a \$1,500 scholarship, and the third place winner will receive a \$1,000 scholarship.

Any teen-ager interested may secure an entry blank by writing Sid Tatem, Rt. 2, Box 32, Lynnhaven, Va., or dropping a card to the Teen-Age Safe Driving Rodeo Chairman, Va. Beach Jaycees, Va. Beach, Va.

Additional prizes for the local first place winner and second

place winner will be in the form of money. Entry blanks as soon as available will be given to driving instructors of the area high schools.

Last year's local winner, Bob Keville, placed fourth in the state finals.

## EDITORIAL SPEAKING

### Beach Should Move Ahead Now

Although a comparatively small number of voters took the time to vote Tuesday in the special referendum election calling for the City of Virginia Beach to sell \$720,000 in bonds for many needed improvements, including a convention hall, the result was a clear indication that the voters are willing to shoulder this debt in order for Virginia Beach to progress.

Every item included in the ordinance is very necessary and when these improvements have been made this city should move out front in two directions. It will bring it into focus as a first rate city and we should find, in time, that our normally short tourist season will be extended by months, not days. The convention hall should prove a boon to this city's economy. The improvement program for Pacific avenue will take Virginia Beach out of the one-street city classification. It will mean

that much traffic, especially local traffic, will travel Pacific avenue during the summer months so that Atlantic avenue can be a tourist street in the heart of our season.

From a business viewpoint we believe the convention hall will be the "making" of Virginia Beach. The project has long been talked among civic and business leaders here but now it seems assured. It is difficult to estimate the value of a convention building to a resort city such as Virginia Beach, but we believe that it is the most progressive step this city has taken during its colorful history as a resort.

There have been other bond issues in this city but none more important to the future growth and development of this area than the one approved by the voters on Tuesday. Virginia Beach should move ahead now.

## WHAT OTHERS ARE SAYING

### Rules For A Happy Life

#### The Hollywood (Fla.) Sun - Tattler

Someone once asked Alice Freeman Palmer the secret of her happy life. Her reply was: "Here are three simple rules. Obey them, practice them, and you will be happy! But mind, you must not skip a day!"

"The first rule," she said, "is this: commit something to memory every day, something good. It need not be much, just a bit of a poem or Bible verse; three or four words will do, but you must do it. The second rule is: look for something beautiful every day. And remember this is to be done each day. And my third rule is—now mind, no skipping—do something for somebody every day. It need not be a

great thing; but do something helpful for somebody other than yourself. That is all there is to it. And I can assure you it works."

Seeking after beauty, thinking upon beautiful things, helping others—this indeed is a fitting program for a happy life. And the thing most to note is that the truly happy person is never seeking for happiness. It comes, growing up unnoticed, as we busy ourselves with something else.

In other words, the happiest people in the world are the people who never think much—if any—about happiness. They go along living usefully and cheerfully, and happiness just comes.

### 90-Day Wonder

#### "The Washington Post"

In three months, the people of America have taken into their homes, their factories and offices, their churches and their community activities more than 27,000 refugees from the Communist terror in Hungary. With few exceptions, these people came here with nothing but the clothing they wore. They came unable to speak English and with no advance notion of how or where they would take up life again in a strange land. Yet so fully and rapidly have they become a part of this Nation that few of us are conscious of the truly amazing dimensions and unusual aspects of his tremendous resettlement effort.

There is no need to assign "credit" for the success of this venture. Many could have prevented it, or seriously complicated the task. None did. American immigration laws were ill-suited to the unexpected need, but they have been made to serve. The two dozen or more religious and other private agencies which have found the homes and the jobs and guided the refugees to them were not equipped for so gargantuan an effort, but they have brought it off in a heartening display of cooperative, voluntary endeavor. The employers who have provided the work, the countless private citizens who have opened their homes and their hearts to these folk might easily have found reasons to evade the opportunity, but they did not. The President's Committee for Hungarian Refugee Relief, which under direction of Tracy Voorhees has helped to coordinate the resettlement, might have given in to arly fears that thousands of the

refugees would be left stranded at Camp Kilmer and might have called for a slowdown of the whole program. But it did not, and a mere handful remain at the reception center awaiting settlement.

This is, as Herbert Hoover has noted, the third wave of Hungarian immigrants to come to this country in 25 years. First to escape Hitler's terror, then Stalin's, thousands from Hungary have turned to America for haven and a new life. Those who have come before have helped to strengthen and revitalize the spirit and the culture of their adopted land. Those who have come now from a new terror will do likewise, as many of them already have demonstrated.

Some 18,000 Hungarians remain in Yugoslavia, where they fled when Russian troops sealed the Austrian border more tightly. This country's task will not be completed until it has helped to resettle these refugees now in Yugoslavia, an appropriate share of the 54,000 remaining in Austria and perhaps some of the 115,000 who have found at least temporary refuge in other European countries. As Mr. Voorhees reported to the President, the "emergency phase" of the program has been met, however, and the handling of the remainder of the resettlement program ought to be "routine." The United States, while it can be proud of the roles it has played, ought, above all, to be thankful for this renewed demonstration that its humanitarianism is deep-rooted and strong, equal to the challenges of a shrinking world in which all men are, indeed, neighbors.

### Clean-Up Drive

(Continued from Page One)

The board of directors of the Chamber unanimously adopted the motion to give the campaign the fullest cooperation. Mr. Harold Kellam told these present that the success of Virginia Beach's clean-up day depended on the active participation of each member in other words he said, "We must all roll up our sleeves and pitch in."

Two of the world's largest darts, Grand Coulee and Chief Joseph, are in Washington State about 50 miles apart.

### Friends School Pupils See Opera

by Kay Dougherty Sewell

Friends School pupils had a real treat in musical appreciation Monday at 9 a.m. They heard and saw an opera presented in palatable form by Charles Hardin of the Bristol Hardin School of Music of Norfolk and Virginia Beach.

The opera, "Hansel and Gretel" by Robert Humperdinck, or rather excerpts therefrom—just long enough, and complete enough for children to enjoy. It was accompanied by a bright, colorful film strip, in cheerful cartoon style. The children absorbed it with interest. But there was one dramatic moment, unscheduled.

The slides, projected onto a screen, were reflected (in color) in the depths of the fireplace at the back of the Friends Meeting Room, where the "opera" was held. No moment was more realistic than when the witch began to prepare her boiling black pot over leaping flames.

Three little kindergarten children rushed from their seats, went to the fireplace, and began personally laboring her with their fists for her wickedness. Having accomplished this heroic act, they went quietly back where they belonged, to watch and listen to the rest of the opera with well-bred self-satisfaction.

Dear Mr. Mailles:

It is with sincere appreciation that we wish to thank you for your helping to make the 1956-57 Sunday Forum Lecture series a success. The Association for Research and Enlightenment has won many new friends through the Winter lecture program, due largely to the publicity you have given us.

Tidewater people will benefit a great deal from the work of the A.R.E. if they know more about it, and we do thank you for making it possible to accomplish this.

We trust you will continue to present A.R.E. news as the work of presenting lecture and class programs for the public goes on.

Having reviewed the several news articles and editorials in last week's issue of local papers, I thought you might be interested in someone setting into proper focus the City's purchase of the Sea Crest Park property.

Crystal Acres, Inc., purchased this Park a number of years ago with the intention to develop a residential section, but Mr. Earl's health being what it has been, it was decided to dispose of the tract to others who might be in position to proceed with the work. Roughly, between eighteen months and two years ago, three sales were made:

First, the residence to Mr. & Mrs. T. A. Marden; Second, 12 lots near the high school to a New York Builder, and Third, the main portion of the land consisting of 38 lots to a local builder. These sales are all on the record, filed at the time they were made, and a check of the records will indicate the prices paid.

Crystal Acres, in making the original purchase, paid more for the undeveloped lots than the recent appraisal contemplated. Crystal Acres, after making their purchase of what was then an undeveloped jungle, cut through the streets, installed 66" drainage tile, covered the streets with 4" of clay and installed at a cost of approximately \$5,000.00 an approved water system, subsequently deciding it to the City. In doing this, Crystal Acres has absorbed expenses, interest, taxes and other costs of over \$15,000.00.

When the 38 lots were sold to the local builder, we have of record nearly \$30,000.00 he had paid out. Since then he has been paying taxes, interest, engineering and including some fill-in that should easily run between three and four thousand dollars.

The couple who bought the brick house are taking a one thousand dollar loss and the party who bought the 12 lots near the school is taking a two thousand dollar loss. Also, in passing, it is known that the local builder had signed sales with deposits on about 12 lots graded down to \$1,400.00 to \$1,600.00 and it would have been much more advantageous for him to proceed with his program.

As to any low lots, out of 51 items about \$5 to 7 would require some fill.

When Crystal Acres was planning on building on the 6 lots adjoining the Athletic Field, a survey indicated that if the site were graded down to a level with the Athletic Field and 24th Street were graded to the same level, there was more than enough material to level the entire property into one grade with a substantial amount going into the south side of 24th Street. The high spots of these lots would also be graded down to the level of 24th Street. Full costing expenses was estimated at about \$1,500.00.

The balance of the lots are beautifully wooded, high and well drained. The best realtors in the area assured me at the time these were being offered for sale, that there was no better value in the \$1,500.00 range in this area than the Sea Crest Park development.

In conclusion, while I have not the authority to make public the details of other individual's transactions, I would be pleased to secure authority, which I believe would be forthcoming, to show the confirming figures above, to each party as they are duly authorized to examine them.

Trusting this may, to some extent, clear up some misapprehensions in regard to the above purchase, we are  
Very truly yours,  
CRYSTAL ACRES, INC.

## Garden Week In Virginia

One of the most charming houses to be opened this year for Garden Week in Virginia is the Norfolk Garden Club is the home of Dr. and Mrs. Dudley Cooper. Future generations will think of this as one of the River Houses of this section of Tidewater Virginia.

Colonial, with Georgian additions, this lovely house is situated on the Lafayette River on an acre of park originally designed by Charles Gillette. At the farthest end of the North Shore Point promenade, enclosed by Chipendale Wall, with old Williamsburg square paving bricks on porches and terraces, stands this spacious, but warm and lived-in house, with the traditional wide center hall opening on lawn and river. In-doors are numerous collectors' items in old porcelain, furniture, silver, mirrors and chandeliers.

Upstairs and down are rare porcelains used as lamp bases; magnificent old mirror frames, books, eighteenth century furniture reproductions and antiques. A large Waterford glass chandelier originally dependent on candle power makes attention in the dining room. The Devonport, desert service in a twelve foot high Empire Cabinet. The small family room is a Williamsburg influenced with its white walnut panel pointing up the antique Dutch tile fireplace. On a halfway landing are a pair of rare Chinese Chipendale tables holding two Russian malachite candlestick lamps and throughout the house are paintings by distinguished American artists.

Richmonders should feel happy at home in this handsome house, for Richmond artists are well represented on its walls. Sara November, whose "Daily Devotions" (honorable mention at the Corcoran) hangs over the fireplace in the paneled library, is a sister of Mrs. Cooper and through her recommendation other Richmond artists have been added. Family portraits by Marcia Silvette and Greta Matson; a gay merry-go-round scene by Martha Upshur; watercolor by Theresa Pollak. M. Junkin and Jeanne Beglen. There are also a large landscape, a pastoral, a circus by Lenard Kewer and a Reginald Marsh "Boardwalk Madonna" in watercolor.

One of the most interesting features of the lovely furnishings in this house is the expert craftsmanship of some of the more recently made furniture. Because the Coopers believe in using the best in talent, a good share of their contemporary furniture has come from the little shops of Norfolk cabinet makers. Do not fail to visit this inviting home on your garden tour Thursday, April 25th, open from 10 A.M. to 5:30 P.M.

## Miss Kellam Honored

Miss Mary Raska Kellam was honored Tuesday night by former principals and friends who knew her during the 26 years she served as principal of the W. T. Cooke elementary school here. The scene was in the school auditorium.

A bronze plaque was unveiled in Miss Kellam's honor, who served as school principal from 1929 through 1955. The reverend Berkeley delivered the invocation, who was presented by Mrs. Emily Parks, present school principal.

R. H. Owen, of the county-city school system, read a message from Frank W. Cox, division superintendent, and W. Russell Hatchett, Virginia Beach city manager, represented Mayor Frank A. Dusch.

Everyone taking part in the program praised Miss Kellam, who was unable to be present due to ill health. Her sister, Miss Margaret Kellam, of Belle Haven, and a niece, Mrs. J. H. Scott, were present.

Mrs. Stuart White, program chairman, expressed thanks to all of those persons who helped make the program a success. Miss Louise Luford read the following poem which was written by Grace Mason DuVal as a tribute to Miss Kellam:

HER MONUMENTS

No monument stands within the square,  
No marble honors her with  
letters.

No holiday reveres her name,  
Yet, memory's pulse seems to  
throb.

A battle lost of wrong to right  
So principle of truth could  
reign.

How could earth's marble, bronze,  
or gold  
Reflect the work her life has yielded?

Who guides the molding of the  
day.

## Bayville Manor Open To Public April 26 and 27

If there were no "manor house" at Bayville, even if there were no plantings, shrubbery or trees, it would be a Mecca for all Americans who cherish affection for the earliest settlements of our forefathers in this hemisphere. For, although Jamestown was the first town and Williamsburg the early established seat of government, Princess Anne County was the location of Captain John Smith's first landing; it was many waterways gave easy access to rich farm lands and their bountiful produce contributed greatly to the maintenance of the colonists in Tidewater Virginia. Consequently, there are here, remote from the more thickly settled and better known sections of the James River, a country aristocracy whose generations lived, farmed and thrived. The Adam Thoroughgood Patent was in the center of this society.

Bayville Manor, known as Singleton's Bayville, Bayville Plantation and The Peasemore House during various periods of its early existence, was built on a portion of the Thoroughgood Patent by Peter Singleton II in 1686. He was the glimmer boy of the local fast set and he proved his title by losing the property in an all night card game at the Adam Thoroughgood house, where, one year after it was completed.

His successor, James Savage Garrison, must have moved in the same circles as records indicate he maintained a 50 hound pack for fox hunting and a stable of racing horses with a standard sized track for their training. It is not difficult to visualize, on the beautiful pastures of Bayville Farms, the great champion "Wagner," bred and raised on its lush fields, this great horse, the pride of Princess Anne County, climaxed his career by defeating the best of the south, "Josh Bell" at the Metairie Race Track in New Orleans and later, the blue grass champion "Grey Eagle" in Kentucky.

But there are more than imaginary visions for the visitor to Bayville who, in its grounds and dairy are opened for Historic Garden Week on Friday, April 26th and Saturday, April 27th, 1957. Great mass plantings of camellias of extraordinary size, enormous hedges of giant Ligustrum, towering trees, crepe myrtle, Japanese Weeping Cherry and magnolia attest the age and care of the property.

An impressive and unique sight is the long garden "alcove" bordered by yonon, bay and an assortment of trees native to the county. Huge balls of Ligustrum display the beauties of this hardy shrub on the magnificent approach to the house. Standing on its lawn the view of the inland waters that were the highways of colonial days and the vista of ground covered rolling pastures combine to make one realize that on this fertile ground America was truly born.

Who judges childish fights with love.

Who shares the joys and dries the tears,  
Bequeaths to man his brightest ray

To guide his footsteps where they prove  
That truth and justice have no fears.

Our hearts recall that she, alone,  
Cherished all children as her own.

When pranksters clattered through the hall,  
When parents came with praise or woe,

When teachers worked within the school,  
One knowledge dwelled within them all.

As principle she made them know  
Her standard was the Golden Rule,

And through its living ministry,  
Our worth in life, she waits to see.

From seeds of guidance she has sown,  
From lessons taught, both gay and stern.

From these, her school shall rightly grow.  
For living monuments, not stone,  
Will let her flame forever burn  
As we guide others by its glow.

May she, wear Time's great crown of life,  
For service given girls and boys—

Story, Va., on Sunday, 28 April 1957 from 12:30-2:30 p. m. Mrs. H. M. Schriener has been appointed chairman by Mrs. Franka Naylor, president, Order of Cape Henry 1907, assisted by her co-chairmen, Mrs. C. Faison, president, City Council, Beta Sigma Phi International Sorority and Miss Phyllis Honeycutt, president of the Emblem Club. The Beta Sigma Phi International Sorority and the Emblem Club are again sponsoring the Cape Henry Luncheon this year.

Colonel Wood has appointed Col. Frederick Ward liaison officer to assist the Luncheon Committee. The following committee chairmen have been appointed:

Ticket Committee: co-chairmen, Miss Betty Cash, Beta Sigma Phi Sorority; Miss Mary Streser, Emblem Club.

Publicity committee: Co-chairmen: Miss Florence Bruce, Beta

Sigma Phi Sorority; Miss Irene Kaswich, Emblem Club.

Decorations committee: Chairman, Mrs. Delmar J. Dee, Sr., Cape Henry-by-the-Sea Garden Club.

Arrangements committee: Chairman, Mrs. Gordon C. T. Simonson, Beta Sigma Phi Sorority.

Membership committee: Co-chairmen, Miss Martha Page, Beta Sigma Phi Sorority; Miss Dorothy Cudd, Emblem Club.

Hostess committee: Co-chairmen, Miss Mary Alice Amburn, Beta Sigma Phi Sorority; Miss Mildred Baker, Emblem Club.

The buffet luncheon will be held from 12:30 to 2:30 p. m. on Sunday, 28 April, 1957 preceding the memorial services which will be held at the Cross at 3 p. m. with the Bishop of Canterbury as principal speaker. Reservations may be made by sending your check to:

Mrs. H. M. Schriener, Chairman  
3400 E. Bonner Drive,  
Norfolk 13, Virginia.  
Telephone: LOwell 3-1461.

or Mrs. Delmar J. Dee Sr., telephone 2820.

The tickets are selling fast so make your reservations promptly. Reservations close 30 April, 1957. Tickets will be mailed upon receipt of your reservation accompanied by a check made payable to the Order of Cape Henry 1907.

The hostesses dressed in Colonial costumes will be there to greet you and to assist you in any way possible. Many distinguished guests will attend including Governor Stanley and the First Lady, the Asmes Queen and her court.

The public is cordially invited to attend the luncheon and the memorial religious services.

## Woman's Democratic Holds Regular Meet

The April meeting of the Woman's Democratic Club of Va. Beach and Princess Anne County was held at the Shore Drive Inn at 12:30 on Thursday April 11. Mrs. Alfred Etheridge the president presiding - Mrs. R. W. Spruill gave thanks for a very delicious luncheon and the business meeting followed.

Mrs. James Kontopoulos, chairman of Ways and Means reported \$47.33 was made on the Coffee Hour, and 31 new members, joined that day.

Invitation was extended to all women of the County and City interested in the Democratic cause to join the Club. Requirements for membership are one must be a registered and qualified voter.

All members were urged to see that their poll taxes were paid - they must be paid on or before May 3rd.

Mrs. Etheridge presented members of her Executive Club.

Mrs. R. B. Tynes, program chairman presented the speaker, Mr. Hal J. Bonney Jr., member of the faculty, who spoke on "States Rights."

## MR. and MRS. HERZER TO APPEAR ON LOPEZ SHOW

Mr. and Mrs. Clifford Herzer left for New York City Tuesday, Wednesday, they were interviewed by Vincent Lopez on a coast-to-coast network. On Saturday, Mr. Herzer will give a concert in Pelham Manor, New York. Easter Sunday they will attend services at St. Bartholomew's Church.

## Galilee Church To Open for Worship Easter

The new Galilee Church expects to be open for worship for the first time on Easter morning at 8 o'clock with the service of Holy Communion. This is the latest official word by the building committee to the Vestry last Wednesday night, according to the Rector, the Rev. Edmund Berkeley. The painting will not be complete because the wet weather has delayed the drying of the plaster, and the flooring will be laid sufficiently, the pews will be in and the organ installed, and services can be held. In addition to the early celebration at 8 a. m., there will be a late celebration and sermon at 11 a. m. and a Children's Festival Service at 4 p. m. in the new church, when the Junior Choir will sing, and the Children and Young People and their parents will present their Lenten Offering and decorate the large floral cross with flowers for the sick in the hospital. The Lenten Offering this year will go for more Christ-centered schools for the Episcopal Church's Mission field in Haiti, for Chapels on Wheels to ministers to Americans in communities that have no church, and for the church's ministry to Negroes today.

This will be the first time the church proper has been used, and a large crowd is expected to fill the church which will seat 500 on the ground floor and about 120 in the balcony. Chairs will be placed in the balcony to care for the overflow, since the balcony at present is not fitted with pews for the time being. The Rt. Rev. William A. Brown expects to visit the new church for confirmation of the first class in the new church, the Sunday after Easter, April 28, at 11 a. m. Bishop Brown will preach at this service, just before he attends the service of the Cape Henry Pilgrimage, at the Cross at Ft. Story at 3 p. m. that afternoon as part of the Jamestown Festival.

EASTERN STAR TO GIVE SUPPER THURSDAY, APRIL 25  
A supper will be given Thursday, April 25, 1957, 5-8 p. m. at the Masonic Temple, 30th St. and Arctic Ave., served by Virginia Beach Chapter 75, Order Eastern Star.

Fried chicken or oysters, two vegetables, salad, home-made pie and coffee will be served. Adults, \$1.25 and children, 75 cents.

## Lash-Wright Wedding Rites Held Saturday

The marriage of Miss Marjorie Linn Lash, daughter of Mr. and Mrs. Elder Lee Lash Jr., of Portsmouth, to Lt. Grover Cleveland Wright Jr., USMCR, son of Mr. and Mrs. Grover Cleveland Wright of Virginia Beach, took place last Saturday afternoon at 3 o'clock in the United States Naval Chapel in Portsmouth.

The ceremony was performed by the Rev. Howard Harris. The bride, given in marriage by her father, wore a mist blue chiffon wool costume suit, the slim sheath dress having a pure silk chiffon bodice. The short jacket was styled with blouse on back and bracelet length sleeves, cuffed with bands of matching Norwegian fox. Her hat was a pure silk cloche of the same shade. She carried a prayer book topped with a white orchid.

Mrs. Richard Joseph Davis of Portsmouth, aunt of the bride, was matron of honor. She wore a costume suit of navy blue peau de soie. The sheath dress was covered by a short jacket, with standing collar bound with white beading. Her hat was a pure silk cloche and her flowers were gardenias.

Robert Corbitt Wright of Glenside, Pa., was best man for his brother.

After the ceremony, a small reception followed for the immediate families at the home of the bride's parents. After a western wedding trip, Lieutenant and Mrs. Wright will reside in Oceanide, Calif., where he is on duty with the First Marine Division at Camp Pendleton.

Mrs. Wright attended Agnes Scott College, Atlanta, Ga., and is a graduate of the University of Alabama. Lieutenant Wright is a graduate of the University of Virginia. He is a member of Beta Theta Pi fraternity.

The Princess Anne Country Club will entertain for its members and their guests at a cocktail and hors d'oeuvre dance Saturday from 6:30 p. m. to 9:30 p. m. with the Dixieland Band furnishing the music.

Herbert Brooks, recording secretary; Mrs. Luther B. White, treasurer; Mrs. Louis Vohrner, corresponding secretary; Mrs. R. A. Culpepper, librarian; Mrs. Mabel Gregory Davis, historian; and Mrs. Michael O'Shaughnessy, chaplain.

At their meeting Friday night, which was held at Almond Hall, East Ocean View Presbyterian Church, Mrs. Michael Dudzik was the speaker, and she gave many practical and helpful hints on the culture and propagation of house and garden plants, illustrating her talk with live specimens.

Judges from Overbrook Garden Club awarded ribbons as follows: Arrangement class: Blue ribbons

to Mrs. R. A. Culpepper, Mrs. A. C. Mays, Mrs. Leo P. Blair, Mrs. Mabel Gregory Davis, Mrs. George Vergakis, Mrs. Luther B. White.

Red ribbons to Mrs. M. Dudzik, Mrs. W. F. Appleby Jr., Mrs. Herman Ghila, Mrs. W. O. Sinclair.

Horticulture class: Five blue ribbons to Mrs. O'Shaughnessy, four blues to Mrs. Dudzik.

Red ribbons to Mrs. O'Shaughnessy, Mrs. Mays (two), Mrs. Jennelle Milne, and Mrs. J. Edward Johnson (two).

Hostesses were Mrs. A. C. Hollomon and Mrs. Mabel G. Davis. Guests presented were Mrs. E. M. Thomas and Mrs. Ray Davis.

Plans were made to supply hostesses when needed for "Dream House" on Thorngood Estate.

Influenza, which spread to the United States from the Western Front of World War I in 1918, killed an estimated 500,000 people in this country.

## GROWING HANDS: a reflection for Easter

Since they're such small things, made of "sugar and spice and everything nice," you'd hardly think a little girl's hands could play such havoc.

They lose their mittens on the coldest days, and bake the muddiest mud pies, and dabble in the messiest water colors. They pick wild flowers where poison ivy grows, and sometimes they help Daddy by picking every bloom in his iris garden. They require quick treatment when they've twisted the cat's tail, and they're forever getting in the way when the car door is closed. They steal around a Daddy's neck as he leaves for the office — and leave breakfast jelly on his collar. They have forbidden dealings with matches, leave telephones "off

the hook," stray into nail polish, and write on walls with lovely crayons.

"And then, at the end of the day, a little girl puts her hands together before her face, and the mischiefs of the day are forgotten as she says in a small, sweet voice, "Now I lay me down to sleep . . ."

Those small hands will grow . . . wear a class ring . . . an engagement ring . . . a wedding ring. They'll move steadily through life — until one day they're stilled and laid gently one upon the other in rest. And at that time, there'll be nothing more precious you could have taught your child than the way to worship God."

This Easter — a time for awakening, for renewal, rebirth, rejuvenation — be glad you live in a free country. Be glad you live in the United States where God is not locked out, where no one criticizes you for worshipping Him . . . where you are not persecuted for teaching your children to place their hands together in prayer for Salvation. In this land of many freedoms, the greatest of them all is freedom of religion — for without this one priceless privilege, there would be no other freedoms.

### Trailways Adds Fleet of 51 Streamlined Buses

A new fleet of 51 streamlined, lavatory-equipped buses is going into service on Trailways routes in the eastern section of the nation this month. W. C. Humphrey, traffic manager of Carolina Trailways, announced today.

These 1957-model coaches introduce a re-styled chair, adjustable to three positions, with separately adjustable head and foot rests, and come equipped with stainless steel lavatory compartments located at the right rear of the coach.

Not a new feature for Trailways, lavatory-equipped coaches are becoming more prevalent on thru-liner and express trips since they decrease the number of rest stops ordinarily scheduled in distance travel, thereby allowing less travel time between origin points and destinations.

As in the past, the new buses feature airconditioning, now refined to allow temperature control within two degrees, regardless of the weather outside, Humphrey explained.

The coaches were ordered for April delivery since travel trends indicate more travel in the forthcoming spring and summer months than ever before. It is expected that this year's vacationers will be lured not only to cities and beaches, but to special events as well. The Jamestown Festival, April through November, will attract thousands of visitors to Virginia to join in the celebration of the nation's 350th birthday, and to attend the International Naval

Review hosted by Norfolk June 8-17 at Hampton Roads.

Other vacationers will tour to Florida, New England and California in numbers predicted to be larger than ever. A variety of individual and escorted tours have been developed, and complete information about them is now in the hands of Trailways agents, Humphrey remarked.

Commenting on distance travel and thru-liner service, Humphrey pointed out that Trailways plan-

nered the nation's first long distance, no-change routes in 1937. By 1950, Trailways' thru service was offered from coast-to-coast, and now connects the Southeast and Southwest; the Great Lakes and Florida; and New York with all states east of the Mississippi.

### Sales Personnel Taking Display Course at P.A.

Sales personnel from many of Virginia Beach's leading retail stores are currently enrolled in a display class which has been organized through the Distributive Education program of the school board. Eugene Lanning, DE coordinator, is instructing this course in the Princess Anne High School each Tuesday night for three weeks.

This display training course is designed to help the retailer and his employees to promote their sales through well planned interior and exterior displays. The principles and techniques of display such as arrangement, color harmony, and emphasis are being discussed by this group of retail personnel after which they practice with actual application.

The success of a recent class in professional selling, also provided through the DE program warranted the organization of a second distributive training class by the members through the Distributive Education coordinator. Many of the same employees are enrolled in this class to gain a better understanding of the principles for displaying their merchandise.

Upon completion of this area of training, the members will be awarded a seal to be attached to their certificates which were issued by the State Board of Education after their first course. Mr. Lanning points out that members may enroll for individual classes without having attended previous classes.

### Carolinas Virginia Nuclear Power Associates Hold Meet in Richmond

The Board of Directors of the Carolinas Virginia Nuclear Power Associates met today in the Virginia Electric and Power Company offices in Richmond.

Although the Board made no official announcement of its actions, N. A. Cooke, president of the non-profit corporation, said that a number of important matters relating to the progress being made in the development of the project were discussed.

Among those in Richmond for the Board meeting were presidents of the four companies: E. H. Will, Virginia Electric and Power Company; Lewis V. Sutton, Carolina Power and Light, of Raleigh; S. C. McMeekin, of South Carolina Electric and Gas, Columbia; and Norman A. Cooke, Duke Power Company, Charlotte.

Cooke said that the next meeting is scheduled for May 3 in Raleigh.

## The MIXING BOWL.. IT'S Fun TO COOK

By LUCILE CLARK  
SUN-NEWS FOOD EDITOR

For the very latest in food fads and foibles... for practical, down-to-earth recipes that please both palate and pocketbook, read the "Mixing Bowl" by Lucile Clark each Thursday in the Sun-News.

From Maine comes some suggestions for crispy delicious Lenten tea Sandwiches and I'm sure you'll enjoy them just anytime you're in need of a comforting cup of hot tea & a flavorful sandwich or two.

Sardines which are caught in such profusion in the icy waters off Maine's rocky coast line are used in both the sandwich fillings. The ingredients provide zestfully different flavors.

One of the prime advantages of the rolled sandwich is that thorough chilling is necessary in order to allow them to hold their shape. This means that they may be prepared well ahead of time & stored in the refrigerator until serving time.

The tiny silvery fish are rich in protein as well as valuable minerals. Their nation-wide availability, their extremely reasonable price & the small amount of space the convenient flat cans take on the pantry shelf all serve to make Maine sardines an extremely attractive food to keep on hand.

### Roasted Sardine Tea Sandwiches

2 hard-cooked eggs sieved  
1 tablespoon lemon juice  
1/4 teaspoon salt  
Dash cayenne  
Dash black pepper  
Mayonnaise  
24 sliced fresh thin-sliced bread  
Soft butter  
24 Maine sardines  
Watercress

Combine egg, lemon juice, seasoning and mayonnaise to moisten.

Blend well. Remove crust from bread and roll lightly with rolling pin so bread will have less tendency to break. Butter each slice. Place a sardine across one end and spread it with one teaspoon egg mixture. Roll carefully and fasten with toothpicks. Cover sandwich rolls with damp towel and chill thoroughly. To serve: remove toothpicks, tuck in sprigs of watercress for crispness and garnish. Yield: 2 dozen sandwiches.

### Sardine and Cucumber Tea Sandwiches

1 can (3 1/4-4 oz.) Maine sardines  
1/4 cup sour cream  
1/2 teaspoon lemon juice  
1/4 teaspoon salt  
Dash black pepper  
18 slices thin-sliced bread  
30 thin cucumber slices  
Pimento

Mash sardines with fork and mix well with sour cream, lemon juice and seasonings. Butter bread slices; remove crusts and cut two circles out of each slice with a 2-inch round cookie cutter. Spread with one teaspoon sardine mixture, top with cucumber slice and garnish with pimento. Yield: 2 1/2 dozen sandwiches.

If you're planning an after Lenten Party - you'll be interested in a novel idea which ingredients found of almost all pantry shelves. And a hot canape always makes a party seem more festive. Made from simple, every day materials, these little crunchy tidbits give appearance & flavor of an elaborate & complicated recipe prepared by a gourmet chef.

A highly flavored filling, made of Maine Sardines, seasonings & spices, is spread on a circle of prepared pastry. A top circle of pastry is placed over all. A 1/4 of gentle pressure with the rolling pin & the two pastry layers are joined together.

Cut the pastry into strips with a knife or if you have a small fish shaped cutter you can use it & so carry out the Maine seagiving theme.

### Spley Sardine Pastry Sticks

1 can (3 1/4-4 oz.) Maine sardines  
mashed  
2 teaspoons lemon juice  
2 tablespoons mayonnaise  
1/4 teaspoon prepared mustard  
Dash black pepper  
Dash cayenne  
1/2 teaspoon chili powder  
1 package (10 oz.) pastry mix  
water

Preheat oven to 450°F. (hot). Beat together sardines, lemon juice, mayonnaise and seasonings. Set aside. Blend chili powder with pastry mix in bowl. Prepare pastry according to directions on package. Divide dough in half and roll out into two 8-inch squares. This should be about 1/4 inch thick. Spread one square with sardine mixture; cover with other pastry square. Roll gently with rolling pin to press together. Cut into 1/2 inch sticks or cut with fancy cutter. Bake at 450°F. (hot) oven for 12-15 minutes. Yield: approximately 3 dozen sticks.

### Zippy Sardine Spread

4 tablespoons butter  
4 tablespoons flour  
3/4 teaspoon salt  
1 cup milk  
1/2 cup grated sharp cheddar cheese  
1 teaspoon Worcestershire sauce  
1/2 teaspoon dry mustard  
Dash cayenne  
1 can (3 1/4-4 oz.) Maine sardines  
broken into bite-size pieces

Melt butter in saucepan. Add flour and salt, blending until smooth. Slowly add milk and cook, stirring constantly, until smooth and thickened. Put in cheese and seasonings and cook over low heat until cheese is melted. Cool. Spread on toast rounds.

From the Basque country, deep in the Pyrenees, comes an interesting and unusual supper dish. This flavorful & nutritious casserole combines fresh vegetables & meaty Maine Sardines. Grated Parmesan cheese sprinkled over all adds a crispy crust.

A dish such as this is a boon to busy mothers. A tossed green salad & perhaps a toasty loaf of garlic bread makes a quick 'n' easy meal & satisfying too.

And Mother can rest assured, that, thanks to the high protein content of Maine Sardines, plus their added bonus of valuable minerals, her family will be well nourished.

**Maine Sardine and Vegetable Supper Dish**  
8 tablespoons butter  
3 medium sized onions, thinly sliced  
1 1/2 cups finely diced raw carrots (2 large)  
1 cup chopped green pepper (1 large)  
3/4 cup chopped celery (2 stalks)  
1 1/2 teaspoons salt  
1 1/2 teaspoon ground bread cubes  
3 1/2 cups diced raw tomatoes (4 medium)  
2 cans (3 1/4-4 oz.) Maine sardine  
1/4 cup grated Parmesan cheese  
3 tablespoons butter  
Melt butter in heavy skillet. Add onions, carrots, green pepper and celery; sprinkle with salt and pepper. Cover tightly and cook gently for 10 minutes. Stir in bread cubes and tomatoes. Place vegetables in bottom of greased 2-quart baking dish. Arrange sardines on top; sprinkle with cheese and dot with butter. Brown slowly under broiler (approximately 8 to 10 minutes). Yield: 8 servings.

**Maine Sardine Plaf**  
1 can Maine Sardines (3 1/4-4 oz.)  
1 1/2 cups cooked rice  
1 cup canned tomatoes  
1/2 teaspoon salt  
Dash of pepper  
1 1/2 teaspoons minced onion  
Drain sardines. Mix together remaining ingredients; pour half into 1-quart casserole; cover with sardines; then add remaining rice mixture. Bake in a moderate oven (375°F.) for 30 minutes. Serve 3. I do hope you and yours will have a happy Easter—Bye now—

**AND THEN...IT'S EASTER!**

Yesterday, these four were their Mothers' despair. Their faces were grimy, their playclothes spattered with mud. They were even ready to put up their fists and fight when the rivalry between spacemen and cowboys became a little too keen.

Today, they are immaculate. They sing like young angels. They even look like angels... because today is Easter! And these boys are proclaiming the glorious message that Christ is Risen.

Easter is the time of promise, beauty, awe at the miracle of birth and rebirth. Easter is the time to let the joy of living seep into you. It is the time to tell yourself that you believe... and, if there's been any doubt about it, to start believing again.

Spend part of your Easter in Church. Spend the rest of it looking, with new eyes, at the wonderland God has created around you.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Today, it costs  
THIS MUCH...  
to build  
the same house

You would pay almost twice as much today to buy or build your home as you paid 12 years ago. To put it another way, you can build only half a house in 1957 with the money it took for a whole house in 1945.

How about your fire insurance? Have you enough today—on house and contents—to meet any loss?

We are qualified to help you determine just what insurance, and how much, you need on your home and furnishings. Phone us right now—we'll be glad to discuss your insurance problems with you.

## Festival Ships To Be Off Shore Friday Afternoon

VIRGINIA BEACH, VA.: The "Godspeed," "Discovery" and "Susan Constant," the three Festival Ships will go to Pier 3 in Newport News on April 24th - hence to Little Creek on the 26th and at 9:00 A. M., on April 26th they will be towed into deep water and so under sail to Southern State Park to recreate the landing of the first colonists on Cape Henry.

Coming as close to shore as possible one or two small boats will come ashore in a realistic landing on the huge dune that will constitute the stage for the dramatic play that will unfold the story of the colonists' departure from England through to the erection of the cross claiming the new land.

The ships will sail off shore during the pageant under the command of their newly appointed captains. Captain Carl G. Bowman of the Coast Guard is Admiral of the Jamestown fleet while Captain of the 100 ton Susan Constant is John Hughes Curtis, Jr., son of the ship's builder. The other two captains are Raymond A. Brown, Jr. of Hampton, skipper of the 40 ton Godspeed and Alexander P. Grice III of Norfolk, skipper of the 20 to "Discovery."

On April 26th the ships will be off Cape Henry Lighthouse during religious services of the Order of the Cape Henry Commemorative the colonists raising of the cross.

Members of the Virginia Beach Little Theatre, supplemented by 30 actors from Jamestown will constitute the cast of 70 participating in the Cape Henry Story, a pageant written by Byron Hallfield, Director of Pageantry for the Jamestown Festival.

The pageant under the direction of Mrs. W. Carey Pennington has been in rehearsal for weeks with dress rehearsals scheduled April 24th and 26th. The actors will be

## Lake to Be Seen on Garden Tour

Beautiful Lake Lawson is one of the many beautiful and interesting sights to be seen on the Princess Anne Garden tour to be conducted April 26 to 28.

## Historic Garden Week Observance In County Friday and Saturday

Historic Garden Week in Princess Anne County will be observed Friday, April 26th and Saturday, April 27th. Since the beginning in 1929 of Historic Garden Week in Virginia, the Garden Club of Virginia has used the proceeds from these tours for restoration of historic gardens in the State. This year the funds will be used to further restore the gardens of WOODLAWN PLANTATION.

A beautiful old Potomac River plantation was a wedding gift of George Washington to his adopted daughter, Nelly Custis, when she married his nephew Lawrence Lewis. The Princess Anne Garden Club, a member club of The Garden Club of Virginia, is sponsoring a tour of some of the oldest landmarks in the County. The Chairman of Historic Garden Week, Mrs. L. Crawford Eyer, announces that the following places will be

SEA BREEZE FARM — An outstanding garden, the horticultural showplace of the county. This garden was created by the Misses Hill on the site of the Old Glebe of Lynnhaven Parish and the site of the first colonial court, which was held in 1637. It commands a beautiful view of Lynnhaven Bay.

ADAM KEELING HOUSE and

GARDEN — This old brick house is a perfect example of early Virginia architecture. The headers of the Flemish bonding are blue throughout and in the gables are laid to form a design of inverted chevrons following the lines of the roof. The interior has beautiful old pine paneling, a staircase and huge fireplaces characteristic of that era. The present owners are Rear Admiral and Mrs. Leon J. Manes, who have added rare old furnishings to the house and many handsome shrubs to the garden.

SEA BREEZE FARM — An outstanding garden, the horticultural showplace of the county. This garden was created by the Misses Hill on the site of the Old Glebe of Lynnhaven Parish and the site of the first colonial court, which was held in 1637. It commands a beautiful view of Lynnhaven Bay.

WILD FLOWER PRESERVE — This is a natural wild garden, spread around the shores of Lake Lawson, one of the lakes of the City of Norfolk. For those who like to walk through wooded trails and see wild flowers in their native habitat this is a real treat.

BAYVILLE — This garden is a perfect setting for the large old house which is the summer residence of Mr. & Mrs. James Hoge Tyler, Jr. It contains many old trees and boxwood, a shrub-bordered driveway, a formal garden that approaches the swimming pool and acres of peonies.

Old Cape Henry Lighthouse (1791)

and

New Cape Henry Lighthouse (1881)

The first Congress of the new United States of America ordered this old lighthouse built. George Washington, as President of the United States, approved the act, and in 1790 the State of Virginia ceded two acres of land at Cape Henry to the new Government and in 1791 the United States of America built its first lighthouse. The Norfolk Chapter of the Association for the Preservation of Virginia Antiquities have had custody of the old lighthouse since 1930, when it received it from the United States Government.

The "new" Cape Henry Lighthouse was built in 1881 and is the tallest fully enclosed lighthouse in the Lighthouse Service. There is a beautiful view from the top of Chesapeake Bay, Fort Story, Virginia Beach and Seashore State Park.

THREE GARDENS ON GREAT NECK POINT — The gardens of Mr. & Mrs. J. C. Aspinwall, Mr. & Mrs. J. L. Spence, and Judge and Mrs. J. Davis Reed, Jr. These three modern gardens on the Lynnhaven River have emphasized camellias, azaleas and flowering shrubs in their natural terrain.

OLD DONATION CHURCH — This old church was founded prior to 1680 on Church Point, but the church became unsafe when Lynnhaven Inlet was opened and the water level rose. Several church buildings later, in 1736, the present brick church was built. The Rev. Beverly D. Tucker is rector.

EASTERN SHORE CHAPEL — This church has been rebuilt many times since it was first established in about 1680. It was built as a Chapel of Ease on the eastern shore of the Lynnhaven River for the people who lived too far from

## Princess Anne HS Girls in Festival

Princess Anne County High School is sending two 5-foot 5 1/2-inch tall ladies-in-waiting to Queen Asalea IV's court on Saturday. Both have foreknowledge of queen and courts, having participated in those at the school.

Miss Jackie Hill, 17, the daughter of Mr. and Mrs. Derwood B. Hill. She was a member of the Homecoming Court in 1956 and in the cast of "Cavalier Capers." The brown-haired, brown-eyed lady-in-waiting is a member of Corn-Tri-Hi-Y and has been president of the Distributive Education Club.

June Elmore is 18 years old, the daughter of Mr. and Mrs. J. V. Elmore, and has blonde hair and brown eyes. Active in school affairs, she is co-editor of the annual, a member of the National Honor Society and Girls Athletic Club, and vice president of Corn-Tri-Hi-Y.

The former Homecoming Queen also is a reporter of the senior class, a cheerleader, and has attended Girls State.

## New Federal School Grant For Princess Anne Is Made

The early construction of a 26-room school at Aragona Village is assured with the announcement of a new \$770,000 Federal grant for Princess Anne County schools, according to Frank W. Cox, divisional superintendent.

The new school would eliminate part-time classes at the Thalia and Kempeville schools, Cox said. Cox made the announcement Monday after being informed that the grant had been approved by the United States office of Education. He said the plans for the new school had already been prepared and approved by the state.

Only \$588,000 of the money has been earmarked for the Aragona school. The remaining \$182,400 will be used eventually toward another elementary school in the Kempeville District, Cox said.

However, other funds will first

### City Council Proposes New Bond Issue

The Virginia Beach City Council placed on first reading this week a proposed new \$250,000 bond issue which would be used to meet a 30-year bond obligation falling due on July 1.

Need for the new bond issue is to pay off obligations incurred by the City in 1927 to build the beach walkway and seawall. The bonds were sold then with the provision that they could not be retired until their maturity, 30 years later.

In the late 1930's the city set up a debt service commission and bond issues since then have been anticipated with money appropriated into a sinking fund each year. The walkway issue of 1927 had no sinking fund to pay it off at maturity and now must be refinanced.

The council also put on first reading proposed changes in the city's license tax system.

Prorata or part-year license tax payments, according to the new proposals, would be limited to those amounting to more than \$50 on or after Sept. 1 each year.

No prorata tax would be allowed from the May 1 deadline through Aug. 31. A 10 per cent fine for failure to apply for a license would be imposed instead of the present 5 per cent.

Local laundries, dry cleaners and laundry retail services, etc., would pay a \$400 minimum license fee for the first \$15,000 of sales, plus \$1 per \$1,000 above that amount. Outside firms doing business in the city would pay a minimum license fee of \$600 for the first \$15,000 of sales and \$1 per \$1,000 of sales thereafter.

One vehicle for soliciting business would be included in the minimum license fee.

### NOTICE

Notice is issued to the Citizens of Virginia Beach that Mr. L. C. McClenny, Game Warden for Princess Anne County and Virginia Beach, beginning May 1st, will start checking dogs in Virginia Beach for violation of the laws pertaining to dogs. He will check all dogs to see if they have their 1957 dog tags and will also start enforcing City Ordinance Chapter 5, sec. 9 & 10, which prohibits dogs to run at large between May 1st and September 30th of each year.

Owners of dogs violating this ordinance will be subject to having their dogs picked up, receiving a summons or both.

## State Dental Meeting Next Week at Cavalier

More than 800 dentists will begin assembling from all over the State Sunday at the Cavalier for the 88th annual meeting of the Virginia State Dental Assn.

Hosts for the three-day meeting at the Cavalier are members of Virginia Tidewater Dental Assn. Dr. W. B. Costenbader Jr. is general chairman. Dr. J. Philip Bradshaw of Norfolk is state president.

Dr. Harry Lyons of Richmond, dean of the school of dentistry, Medical College of Virginia, current president of the American Dental Assn., will be honored at the convention's major social event, the annual banquet Monday night. Dr. Lyons is the first Virginian to hold that office. Dr. Bradshaw will preside at the testimonial.

Coinciding with the dentists' meeting at the Cavalier will be meetings of the Virginia Dental Hygienists Assn. and the Virginia State Dental Assistants Assn. at the Sir Walter Hotel, Virginia Beach.

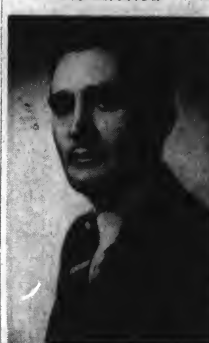

Six addresses by out-of-town guests are scheduled for general sessions of the dental association. A number of lectures and demonstrations are set for clinic sessions Tuesday. Special entertainment has been planned for wives accompanying the dentists.

Fundamental concepts of tooth decay arising from recent research will be discussed by Dr. Reidar F. Sognnaes, D.M.D., Ph.D., Charles A. Brackett Professor of Oral Pathology at Harvard School of Dental Medicine. He is consultant to the Forsyth Dental Infirmary for Children and to the National Institute for Dental

Haycox Re-Elected

State Registration Board  
Of Contractors' Head

Fred A. Haycox, of Virginia Beach, publisher of the Virginia Beach Sun-News, and a well-known party contractor, has been re-elected chairman of the State Registration Board of Contractors.

Haycox has served as chairman of the Board for the past two years. His re-election was unanimous among the members at a recent meeting held in Richmond. It was also announced that the next quarterly meeting of the Board would be held in Virginia Beach July 18 and 19.

## Kiwanis Will Hold Jamboree Saturday at VBHS

The Kiwanis Club of Virginia Beach will sponsor a jamboree known as Family Feed and Profile this Saturday, April 27, starting at 5 p. m. at the Virginia Beach High School stadium.

Pit barbecue, home made Brunswick stew with hush puppies will be featured on the menu while a highlight of the program is expected to be a battle of high school bands.

Among the musical groups signed for the contest are Buloh Barrineau and his group from Norview and Maury; Jay Ward and his band from Norview and Maury; Lorie Allen and the Princess Anne Stardusters; Larry McClellan and his band; Bruce Carter and the Warren Perry Quartet; and Cullen Davis and his combo from Princess Anne.

Dinner will be served at 5 p. m. followed by the contests at 7:30 p. m. General admission with dinner included will be \$1.75. Admission without dinner will be 50 cents. Children under 12 years of age will be charged 75 cents with the meal included.

Several acts from the Princess Anne High School show, "Cavalier Capers," which will be presented in May, will be given at the "Feed and Profile."

Guests desiring further information on the outing may contact Bob Woodward, JU 7-3650, or Bill Hobson, VA Beach 2110-R.

### HOUSE SALE

The residence of the late James P. Guzy has been sold by the trustees of the estate to Mr. and Mrs. Albert H. Ochser who reside at Eastover in Surry County.

The property purchased by the Ochsens is located on Linkhorn Bay on Holiday Road. The transaction was handled through the Kellam-Eaton Insurance and Real Estate firm. Justus P. White was the selling agent.

### See Candidates for Extra Cash and New Ford Below

The Sun-News is offering \$50 in extra cash prizes this week in its "Auto and Cash Offer" subscription campaign.

The contestant who turns in the most NEW subscriptions this week only (Monday, April 22 through Saturday April 27) will be awarded \$50. This extra \$50 will be won in addition to any other prize or commission.

Period Ends  
The second period of the Sun-News subscription campaign will end Saturday afternoon and all contestants are now working to get many new and renewal subscriptions before that date as possible.

### BE A SUBSCRIBER TO SUN-NEWS

Subscribe for yourself, a friend, a service man, a college student or send the Sun-News as a gift. Every one will enjoy its weekly visit. Each issue includes from 400 to 500 local names, people you know.

There is still time for new contestants to enter the contest. The campaign manager is urging local residents to subscribe to their county newspaper for complete local news coverage and to subscribe with their favorite contestants in the campaign. He suggests the Sun-News be sent as a gift. "It makes an ideal present for a friend or neighbor, particularly one who has moved out of town and wants to keep up with the local news." Local residents having gifts to present should contact their favorite contestant (names are listed elsewhere on this page) and tell him or her, to whom you wish the paper sent.

### Go Over Top

Last week most of the contestants went over the top with flying colors. Campaign Manager A. M. Alexander said: "They are really out to win the new Ford."

First prize in the contest is a 1957 Ford sedan. It has been purchased from EmRhee Motors. Other prizes are as follows: \$500, second; \$250, third; \$150, fourth. These contestants not receiving any prizes will get a 20 per cent commission on every dollar collected in the contest.

The \$50 bonus prize is over and above the regular awards and do not prevent anyone from winning one of the regular awards.

This extra prize will be awarded on or before the end of the contest. "The opportunity for these contestants to earn and win extra vacation money for prizes is better than it has ever been before in a local circulation contest," Mr. Alexander said. "The growth of Virginia Beach and Princess Anne County alone during the past four years has furnished the Sun-News with thousands of prospective subscribers and readers."

### Extra Vote Offer

To those unfamiliar with the big \$20 "club" coupon offer in effect this week, candidates will be entitled to a "Club" coupon for every \$20 worth of subscriptions sold and turned in at campaign headquarters by 1 p. m. Saturday. Any subscription of one to 10 years will count.

Each "club" coupon is worth 190,000 extra votes and is in addition to the regular votes for each subscription. Two "Club" coupons will earn 380,000 extra votes. In other words, extra votes will be credited for as many "clubs" as a contestant can sell. No limit has been placed on the number to be sold by any one candidate.

All contestants have been advised that fewer votes will be credited for subscriptions turned in after 1 p. m. Saturday.

### CONCERT AT OCEANA SCHOOL

A concert by the Oceana School Band will be presented under the direction of R. G. Vermilyea by the April meeting of the Oceana Parents-Teachers Association. The meeting will be held in the school auditorium at 8 p. m. on April 30, 1957.

## NOW is the Time

## Army to Show 'Peeping Tom,' Giant Camera, at Fort Monroe Tuesday

FORT MONROE, Va.—Camera fans in the Tidewater area will have an opportunity to sight through the world's biggest and fastest infra-red camera lens during the Jamestown-Fort Monroe celebration here April 30 which honors the arrival of the settlers on Old Point Comfort.

'Peeping Tom,' the pride of the Signal Corps, will be one of the many Army exhibits, displays and demonstrations open to the public that day within the fort itself and in the lobby of the Chamberlin Hotel.

The speedy telescope lens of the giant camera can penetrate through atmospheric haze to photograph objects 35 miles away. It can substitute for aerial photography when flights are grounded by weather or enemy gunfire.

The big-eyed camera has a coverage of about 100 feet wide at the closest distance it can operate. At a little more than 11 miles, it encompasses a view three-fifths of a mile wide.

The camera that Fort Monroe visitors will see looks like a bazooka, is about seven feet long and has a magnesium, gun-type barrel. It weighs about 120 pounds and, for more compact handling by two men, the barrel is split and folds back on itself for packing. It can be put in operation in five minutes.

In tactical military situations, 'Peeping Tom' can pick up in detail at six miles any jeep, tank, weapons carrier or comparable target within the area covered at that range.

For certain close support military missions, the Cyclops can observe enemy activity, locate fortifications, obstacles, supply plants, artillery, armor and other critical features.

On April 30, it will be on display in the Chamberlin Hotel along with other new Signal Corps equipment, including the new hand-held portable TV camera, the 'tale-scout,' used on field reconnaissance missions, the world's smallest known radar set, lightweight and portable; a model of a helmet-radio; and a model of the Missile Master, the country's first electronic system specifically designed for controlling and coordinating the use of such advanced Army weapons as the Nike.

The April 30 celebration, with General W. G. Wyman, Commanding General, U. S. Continental Army Command, official mili-

tary host, will start at 9 a.m. with a concert by the U.S. Army Band. A 19-gun salute from the land batteries at Fort Monroe and from the USS IOWA in Hampton Roads and an Honor Guard will greet the ranking military guest, secretary of Defense Charles E. Wilson, at 10 a.m. At 10:20 a.m. the Jamestown Festival Commission will honor the part played by the Armed Forces in the development of our country since the English established in 1607 their first fortification on the site now occupied by Fort Monroe.

Afternoon events include the 2:30 p.m. performance by the Army's precision-flying Helicopter Squares Dance Team and Bono the Helicopter Clown at Walker Army Airfield, Fort Monroe; a concert by the U.S. Army Band; a Parade of Colors at 4 p.m. by the 'Centennial Units'—Richmond Grays, Old Dominion Dragoons and Norfolk Light Cavalry—and a Garrison Retreat Parade at 4:30 p.m. Army exhibits, displays and demonstrations, in continuous operation throughout the day, will continue through May 4.

## VEPCO Shareholders Approve Charter Change

Shareholders at the Annual Meeting of the Virginia Electric and Power Company in Richmond today approved an amendment to the company's charter splitting the common stock on a 2 for 1 basis.

D. C. Barnes, Chairman of the Board announced that the 2 for 1 split will be effective April 26, 1957, and that stock certificates representing the additional shares will be mailed about May 4. Barnes said that holders of common stock of record at the close of business on the effective date of the charter amendment will receive certificates representing 1 additional share for each share held. As a result of the stock split, the company will have outstanding 13,200,000 shares of \$8 par value common stock.

The stock split and other matters proposed for action at the meeting were approved by an overwhelming vote of the shareholders, Barnes said.

In his report to the shareholders, E. H. Will, President said that Vepco 1956 earnings were \$2.78 per share, 24 cents higher than for the previous year. Operating revenues of \$117,800,000, he reported, were up 11 per cent from 1955.

Increased use of electricity and gas by Vepco customers and the addition of 28,000 electric and 6,000 gas customers were responsible for the growth in revenues, he said.

Total electric output has tripled in the past ten years, he reported. In summarizing plans for expansion, Will said that present construction and construction for the next four years will bring the total system capacity to approximately two million kilowatts—more than four times Vepco capacity in 1944.

Included in this construction program are two 150,000 kilowatt generating units at the Yorktown Power Station, the first to begin operation in June 1957, the second late in 1958; a 150,000 kilowatt addition to the Bremon Power Station, to begin operation in 1958; a similar addition at the Portsmouth Power Station, to be completed in 1959, and a 150,000 kilowatt unit at Chesterfield Power Station, scheduled for completion in 1960.

In commenting on operating costs, Will said that the cost of fuel for steam generation was one

of the major costs of operation, and he pointed to ways in which Vepco was endeavoring to offset the mounting costs of coal.

Among these efforts, he named the recent signing of a contract with Union Oil Company of California to buy 25 million cubic feet of natural gas per day for use in the generating plants at Bremon and Possum Point. A separate agreement has been made with the Transcontinental Gas Pipe Line Company to transport the gas from Union Oil's fields in Louisiana. This agreement is dependent on approval from the necessary State and Federal regulatory commissions. The Yorktown Power Station, now under construction, will use petroleum coke and refinery gas as fuels, in addition to coal.

Vepco is also studying feasible locations for a steam generating station in the coal fields, Will said, with energy brought into the Vepco area by high voltage transmission lines. Preliminary studies indicate substantial savings in fuel costs.

Will said that these plans are indications of Vepco's endeavor to provide electric power at the most reasonable possible cost.

Will also reported to shareholders that the non-profit corporation formed by Vepco and neighboring power companies in the Carolinas has set 1962 as the target date for completion of a nuclear fired electric generating plant in the area of the four associated companies. The association has engaged a director and is in the process of selecting a site for the plant, Will said.

In other action, the shareholders re-elected the existing Board of 13 directors, as follows: Harry H. Augustine, Richmond, Virginia; Donald C. Barnes, Charlottesville, Virginia; Wm. McEl Ferguson, Newport News, Virginia; John S. Jenkins, Jr., Norfolk, Virginia; Jay W. Johns, Charlottesville, Virginia; Charles W. Kellogg, Queen Anne, Maryland; T. Justin Moore, Richmond, Virginia; W. Taylor Murphy, Warsaw, Virginia; Clarence J. Robinson, Alexandria, Virginia; Montelle C. Smith, Richmond, Virginia; Erwin H. Will, Richmond, Virginia; Odipin Willson, Jr., Staunton, Virginia; and Charles G. Wilson, Richmond, Virginia.

## Den 4 Gives Skit At Monthly Meet

By KAY DOUGHTIE SEWELL.  
When Cub Scout Den 4 presented a playlet, "Dinner on the Rocks," at Pack 60's monthly meeting April 17, the assembly hall of the First Presbyterian Church rang with applause.

"The Swiss Family Robinson" had been the April theme for Cub Scouts everywhere. Den 4 gave its own modern dramatization of a family meal on the island, typical of family meals when parents are trying to teach their sons manners.

Parker Sneed played the only female role, as Mother Robinson. Bill Gaillard was Father. The Robinson boys were played by Dudley Cooke, Eddie Woods, Tommy Davis, Jay Grow. An able cast of actors. Unfortunately, two couldn't appear, because of illness: Tenn Vaughan and Jimmy Williams.

Jay Grow's mother, Mrs. Anthony J. Flacomo, was responsible for the scenery, with a painted backdrop depicting blue ocean, lush island greenery. There was also a bamboo stockade, and a primitive dinner table. Directors for this theatrical masterpiece were Den 4 Mothers, Mrs. Tom Davis, Mrs. Josh Vaughan, Mrs. Katherine Sneed.

In an afternoon project showed the varied creativity of the individual dens. Den 5 produced ingenious island cooking equipment, written reports, and an elaborate log book by Chris Huggins. Den 3 showed scenes of island life, viewed through holes at the ends of shoeboxes, on the beloved old Easter-egg principle.

Den 6 displayed dramatic large-scale island on a body of simulated water, complete with wrecked ship, a thatched tree-house with tiny handmade furniture, animals, the works. Monkeys swung from trees; one horse wrestled with a large snake; another horse was swimming ashore with legs strapped to his body. Well-detailed creative work.

Den 7 performed the opening ceremony. Ex-Chubmaster Dudley Cooke, after inspection, pronounced Den 1 honor den of the month. Garner House, who presided, called attention to the newly available fishing outfits for boys now available at Williams Flaming Pier, and to a coming tree-planting outing at Croatan Beach in June.

Awards were presented by David Batchelder to boys winning badges and arrows. Den representatives lined up on the stage, and in turn gave good oral accounts of their own den's activities, which well demonstrated the great individuality of each den.

Seven new boys—more than at any other meeting this year—became Bobcats. They, and their parents who came with them, must have gotten a good idea of the experiences in store for them. The new boys: Robert Lantz and Bob Brown, Den 7; Tommy Batchelder and Mark R. Lovington, Den 5; Harvey Fitzgerald, Den 2; Douglas Salomon, Den 6; Lee D. Entsminger, Den 1. It was a sad but proud moment for Den 6 when Paul Chamberlin left their ranks to become a Webelos.

## A ONCE-A-YEAR OPPORTUNITY

Most of us get only one vacation a year. And we don't want to miss one glorious moment of it. In fact, we like to keep the memory of it alive with pictures.

And with the fabulous POLAROID LAND CAMERA, you never miss a picture because of faulty exposure. You see each shot just 60 seconds after it's taken.

And, you never have to delay showing the pictures to friends. Brilliant, lasting prints are ready to see and be shown 60 seconds after the shot.

The POLAROID camera and film do all the work without fuss or muss. And it's so simple to operate, a child can do it.

## DUKW's Top Home Furniture At Fort Story

**FORT STORY**—The Fort Story DUKW's baseball team outdistanced the Home Furniture Co. team from the Norfolk City League, 11-5, in a practice game at Fort Story on April 20.

Pitcher Richard Kope is credited with the win, Bud Jones with the loss.

Home Furniture led up to the fifth inning when a hit by John D. Stewart started a DUKW four-run rally.

Home Furniture had hits in the third, fifth and seventh innings and two in the ninth while the DUKW's added to their four-run spurge in the fifth with a run in the sixth, three in the seventh and three in the eighth. Home Furniture ad three hits and nine errors, Fort Story, eight and four.

The DUKW's, who have defeated the Norfolk Naval Air Station Flyers in Service League play, will meet the Portsmouth Marine Barracks at Fort Story at 8:30 p. m. on Tuesday, April 23, for the second in a 45-game season.

"How badly do you need your driver's license?" asks our Governor's Highway Safety Committee. Most of us would be very inconvenienced without ours so we shouldn't take a chance on losing it. ## EDITORIAL SPEAKING

### Area Bristling with Activity

Virginia Beach and Princess Anne County has awakened from its winter sleep with Spring and sunshine peeping up the scene. Business started off with a bang here with the Easter weekend and activities galore are scheduled for the weeks and months ahead.

Two very significant events are on tap this week and should attract many thousands of people to our area. We refer specifically to the Pageant scheduled for Seashore State Park on Friday as the real beginning of the 350th Anniversary Jamestown Festival celebration.

The outdoor drama in Seashore State Park on Friday should prove very entertaining as well as educational. A large cast of actors, many from the Virginia Beach Little Theatre, have been hard at work for months in preparing the landing of the original English colonists. And there will be Indians, too, much the same scene as faced

the English settlers on that April day in 1607.

The Princess Anne Garden tour is scheduled for this weekend and it, too, should attract many persons to this area. The ladies have planned the tour well and, barring inclement weather, it should be the most successful garden tour ever held here.

All of these events focus attention on Virginia Beach and Princess Anne County. The cleanup drives conducted by both the city and county during the month of April have helped tremendously in putting our area in shipshape to welcome our visitors, who should set a post-war record this year.

On paper this area, we believe, is entering into one of its brightest seasons. It is up to us to reap the future benefits that can be derived by extending a warm welcome to our visitors and by being well informed on activities here and at Jamestown.

## WHAT OTHERS ARE SAYING

### Sunspots Misbehaving

Something is wrong with the sun, say scientists who have been watching it in conjunction with the activities of the approaching Geophysical Year. As proof they offer the facts that spots on the sun are decreasing and radio and television communications are clearer than expected.

If these sound like peculiar proofs of an erratic sun pattern, it should be explained that the sun is approaching the end of an 11-year cycle and sun spots should be reaching their greatest number. As sun spots increase, communications are noticeably affected—sometimes with humorous, although perplexing, results.

During previous sun spot activity, for example, radio calls from New York City taxis were heard clearly on television sets in Great Britain, images not in the script appeared on television screens and a Texas oil prospector found himself talking with prospectors in South America on his short-range radio set.

It is not known what causes sun spots to affect communications in this crazy manner, but the number of such instances increases greatly immediately following a rash of sun shenanigans. One of the reasons for setting the time of the International Geophysical Year from July 1, 1957, to December 31, 1958, was to catch the sun at the height of its sun spot activity.

Some scientists are hopeful that the sun spot activity which rose to a new record last November and has been falling off ever since may be undergoing a lull before the storm—the storm in this case being a second peak of activity. Others, however, feel that old sol has tricked them and completed his cycle one year early.

Whatever the reason for the sun's peculiarities, it can be assumed solar activity will not be back to normal until Honolulu returns to radio and Alaska again appears on the TV screen.

Allyn will be the Indian Chief and the soldiers will be from the 3rd Infantry Regiment of Fort Meyers, Virginia.

## Police Forces Combine

According to H. E. Halsehead of the Virginia Beach Jamestown Festival Committee, the state, county, Virginia Beach, Shore Patrol and Military Police will be out in force to direct and control the heavy traffic anticipated for the pageant. The spacious area of Seashore State Park will provide ample space for the parking of thousands of cars near the pageant site which is at the Restaurant and Bath House area, on the shore side, west of Fort Story on Route 60.

License fees. A \$50 license will be charged for each additional vehicle. Councilmen said that local firms under the ordinance would be subject to a slight increase while non-local firms would find a slight overall decrease. But the Virginia Beach tax on non-local firms is among the highest in Virginia, according to one of the councilmen.

Licenses for newstands, radio and refrigeration repair services and tire retapping services would be changed from a flat rate to the retail merchants' scale according to volume—\$70 for the first \$15,000 gross, \$2 per \$1,000 for the next \$105,000, and \$1 per \$1,000 over \$120,000.

Cigarette-vending machines will be taxed \$5 each. Heretofore vendors using machines have been taxed under an aggregate merchant's license. The \$5 fee will not apply to merchants who now pay a \$10 privilege license for handling tobacco over the counter.

A rental car license tax was approved at \$50 for the first five cars in operation and \$10 per car after the first five. A used-car lot tax was tabled for later action.

The council tentatively set Friday at 2:30 p.m. for a special meeting in the council chambers for final approval of the bond referendum and the new tax ordinances.

Great Smoky Mountains National Park, with the nation's heaviest patronage from tourists, will receive \$10,000,000 in improvements.

About one out of every six Americans, roughly 27,500,000 persons, receives a regular government check. Of the total, about 17,000,000 receive regular checks from the U. S. Treasury, and 10,500,000 from state and local governments.

## Panel Unveiled Easter Sunday at Rosewood Park

The second step in a long-planned portrayal of the Life and Teachings of Jesus Christ in marble and shrubbery took place Easter Sunday afternoon with the formal dedication and unveiling of Leonardo da Vinci's famed "Last Supper" panel at the Rosewood Memorial Park Cemetery on Kingside road, Princess Anne County.

Addressing more than 800 guests attending the exercises, Donald W. Shriver, secretary-manager of the Norfolk Chamber of Commerce, emphasized the significance of the Last Supper and described how it was the only known time that Jesus served as host at a supper of His disciples.

The Last Supper should remind people that death is not the end, Mr. Shriver said, and should serve as an inspiration and reminder to all of the life hereafter.

The feature was unveiled by Mrs. Gordon H. Ware, wife of the president and general manager of Rosewood Memorial Park. The Rev. L. Randolph Harrison of Calvin Presbyterian Church, Norfolk, gave the invocation. The Rev. Francis H. Strieby of Scots Memorial Methodist Church, Oceana, gave the dedicatory prayer, and the Rev. Dr. Arthur Parks Roach of Community Methodist Church, Princess Anne, gave benediction.

Weighing more than 18-tons and measuring 14-feet in height and 40-feet in length, the Last Supper feature was planned and designed at Carrara, Italy. The figures in the diVinci masterpiece are carved life-size out of beautiful white marble and was more than two years in the making. Carved a back of the huge panel in six-inch gold letters is the quotation from Matthew, 26: 26 through 28.

## Supervisors Declare War on Reckless Boaters

Boating enthusiasts, especially the careless and reckless type, are in for trouble with the Princess Anne Board of Supervisors declaring war on boat operators who are negligent and reckless in county waters.

The matter was again brought to the attention of the Board by Commonwealth's Attorney Robert S. Walsh, Jr., at the board meeting held Monday at Princess Anne Courthouse.

Walsh warned that more and faster boats would be plying local waters this year with people who don't know how to run them. He suggested that signs be put up in the Narrows and on the Broad Bay canal indicating a speed limit of six miles an hour and warning that violations will be prosecuted to the full extent of the law.

Chief of Police James E. Moore replied: "According to experience, the signs are torn down as fast as they are put up and it is extremely difficult to enforce boating laws now on the books."

The supervisors appointed a committee to work out control measures for reckless boating, skidding and other water sports that endangers the lives of participants and others. Meanwhile, a letter will be addressed to the Coast Guard asking for patrol of the beach and areas around Lynnhaven Inlet. The committee, composed of seven members, will seek means, perhaps through volunteers, to patrol Lynnhaven River, Board Bay, Lynnhaven Bay and Crystal Lake. The committee is composed of Chief Moore, Walsh, Supervisor James E. Darden, W. M. Snider, R. J. Webster, Mason Gamage and Charles Pitt.

The board authorized Walsh, its executive secretary, to study the septic tank problem for the out-house, jail and welfare and police departments, and to investigate the problem of the now "mudrinkable and concrete" wall from a 140-foot well that has been supplied for drinking purposes.

A new ich discovery of tin has been reported for the Northern Territory of Australia.

## Residents Warned of Crackdown

Residents of the Virginia Beach area will not be unprepared for the rigid enforcement of their sanitary codes. Police Chiefs Johnson and Moore, of Virginia Beach and Princess Anne County respectively, have warned of the crackdown that is to come. Fines from \$5.00 to \$500.00 are provided and will be imposed upon violators.

For the benefit of those who have not familiarized themselves with the law a brief resume of some of the provisions follows:  
Garbage must be placed in approved plastic cans with tight-fitting covers and put out for collection on public property only on days when a collection is scheduled.

The occupant of each lot or building (or if unoccupied, the owner thereof) shall be responsible for its cleanliness including sidewalks and/or utility strip.

The fine for throwing trash upon the streets, beaches or parkways is set by the State at up to \$500.00.

In the City of Virginia Beach the leash law goes into effect on May first. This ordinance provides that unleashed dogs may not be allowed to run free within the city or on the sand beaches.

Since unapproved receptacles may be hauled away by Sanitation Departments each resident should see to it that his are in good condition. Separate lids for standard sized garbage cans may be bought at hardware stores in Virginia Beach. It is possible also to repair minor holes in cans with plastic metal which may be bought either in a tube or a can. All plastic metals are not suitable for the purpose however and it would be wise to consult the salesman when purchase is made.

## Annual Easter Seal Campaign Nets \$909.05 For City-County Group

Returns from the annual Easter Seal campaign in Virginia Beach - Princess Anne County amounted to \$909.05 as of April 15th, it was announced by Commander N. A. Brown, Treasurer of the Virginia Beach - Princess Anne Chapter of the Virginia Society for Crippled Children and Adults, sponsors of the drive.

"The response to our appeal this year so far has been encouraging," Commander Brown said.

"However, we urge everyone who has delayed sending his contribution to do so. The time for correcting most physical handicaps is while a child is young. The sooner we are able to provide remedial treatment, the sooner they will be on their way to useful and productive citizenship."

Commander Brown pointed out that in spite of modern medical miracles, the ever-increasing population combined with the mechanized age in which we live that serves as the basis for the constantly mounting accident rate,

Every year in Virginia about 50 people are killed while attempting to cross rural highways. Our Governor's Highway Safety Committee says this is utterly unnecessary. Always allow a big margin for safety before crossing a road. Even at the legal speed limit, cars move faster than they seem to.

Here's a sign our Governor's Highway Safety Committee says appeared on the truck of a Va. florist. It reads, "Drive carefully, the next load may be yours." The Committee says this is a healthy thought. One of the most fatal fallacies in traffic is "It can't happen to me."

## Alison Murphy Unveils Painting

Miss Alison Loren Murphy, daughter of Mr. and Mrs. Allen M. Murphy, Jr., of Bay Colony, Virginia Beach, and great granddaughter of the late Mrs. Harriet Stewart Murphy, unveiled a painting recently at Scott Memorial Methodist Church, Oceana, in memory of Mrs. Murphy.

The painting, "Christ in Gethsemane" was a copy of the original by Hoffman and was the work of Constance Moore, of Virginia Beach. It was presented to the church by Mrs. Allen M. Murphy, Jr., for the Murphy family by whom it was given.

Mrs. Milton G. Ferrell, of Oceana, sang a special number for the dedicatory service, accompanied by Mr. Bailey Barco, church organist. The Rev. Francis H. Strieby, minister, presided and accepted the memorial for the church membership.

### MISS JO ANN JOHNSON TAPPED FOR CHI BETA THU

Miss Jo Ann Johnson, the daughter of Mr. and Mrs. B. J. Johnson, 616 Atlantic Ave., Virginia Beach, has been tapped for the Chi Beta Theta Sorority of Mary Washington College. The Kappa Sigma Chapter is the national sorority to promote interest in science for those of the high scholastic average and interest in the national sciences.

Jo Ann is a graduate of Virginia Beach High School, class of 1955.

With the coming of pleasant weather, our Governor's Highway Safety Committee asks all of us to watch out for kids when we drive. After the long winter season, they're beginning to flock out of doors. Always think for two—the child and you.

## Pusey, Mathews Receive Scholarship Awards

By Clyde Gray Simmons, Jr.  
Scholarship awards to the University of Virginia totaling \$2,450 have been bestowed upon two Princess Anne High School seniors.

Norton W. Pusey was awarded a one-year \$450 University of Virginia Scholarship award while Spencer R. Mathews, Jr., is the recipient of a four-year \$2,000 DuPont Scholarship. The scholarships are based on character, industry, ability, and each during the four years.

On March 13th Spencer was informed by the university he was one of five Regional DuPont Scholarship candidates nominated by the Alumni Committee from the Tidewater area.

Several days later, Pusey was informed that he had been nominated for one of the University of Virginia Scholarships.

Pusey and Mathews were guests of the university in Charlottesville on March 22nd and 23rd when they were requested to be present for final interviews.

When asked how he felt, Mathews said, "I was quite sleepy at the time I was informed as I had just gotten back from Washington on a government class trip. I was completely overwhelmed and I was most grateful to Mr. Littleton, the principal, for nominating me."

Mathews plans to major in English and will go to the Virginia Seminary in Alexandria to study for the ministry after he graduates from U.V.A.

Among his many activities at Princess Anne, Spencer is president of the French Club, Chess Club, and is a member of the chess team.

When asked if he liked sports, Spencer said "I like football but I'm too light to play; I like basketball but I'm too short to play. It presents a problem."

He plans to work with the telephone company this summer after he attends a church conference. Mathews is the son of Mr. and Mrs. Spencer R. Mathews, Sr., Princess Anne.

Norton W. Pusey, the \$450 scholarship winner, plans to study dentistry at the University of Virginia. After graduation he wants to return to Norfolk and set up practice.

Pusey is president of the Semper Paratus Hi-Y, vice president of the Key Club, and is a member of the National Honor Society among others.

He is the son of Mr. and Mrs. O. W. Pusey, Lynnhaven.

## Recent Realty Sale

This beautiful residence on Linkhorn Bay was recently purchased from the trustees of the estate of the late Jams P. Guzzey. The purchasers are Mr. and Mrs. Albert H. Ochsner. The residence is located on Holliday Road and the sale was handled by Justus P. White, of the Kellam-Eaton Insurance Company.

## Bloodmobile to Visit County

The Tidewater Regional Red Cross Bloodmobile will visit Princess Anne County on Monday, April 29th. This visit will be at EmRhae Motors, Inc., on Highway 13Y in Bayside. The hours are from noon to six p. m.

The Bayside Junior Chamber of Commerce and the Chesapeake Beach Woman's Club are co-sponsoring the Bloodmobile visit. Other clubs working in conjunction with the sponsors are: Bayside Lions Club, Chesapeake Beach Men's Club, Baylake Pines Civic League, Diamond Springs Civic League and Ocean Park Woman's Club. The elementary school children are working to secure blood donors and the classroom in each of the public schools in the area that bring the most donors will receive a prize given by the Jaycees and Lions Club.

Volunteer workers in attendance will be members of the Chesapeake Beach Woman's Club and

there will be someone to take care of children while their parents donate. Anyone desiring transportation may call EmRhae Motors at LOwell 5-4791.

## 1956 Wool Payment Applications Due by April 30

Wool and lamb producers must file applications for payment under the 1956 wool incentive payment program not later than April 30. Chairman W. F. Hunger of the Princess Anne County Agricultural Stabilization and Conservation Committee, has announced. The applications must be filed at the County AGC Office. Payments under the 1956 program will be made on marketings of wool and lambs completed between April 1, 1956 and March 31, 1957.

"Completion of marketings," the chairman explained, means that the title of the wool or lambs must have passed from the seller to the buyer. If any part of the sale such as price, weight, or yield-needed to determine the purchase price is not completed within the dates mentioned above, the sale will not be considered as eligible for submission under the 1956 program. Sales made after March 31 will be eligible under the 1957 program, which runs from April 1 of this year through March 31, 1958.

In applying for payments, producers must supply documents showing complete information concerning the sale of their wool and lambs.

Wool incentive payments are authorized by the National Wool Act of 1954 to stimulate increased

production of wool. Payments are made on lambs to encourage the normal marketing of lambs with the wool on. First payments under the program were made last summer on 1955-1956 marketings. Nationally, these payments total approximately \$57.5 million.

### Termites Worse Than Usual in State This Spring, According to VPI

"Worse than usual" is the tag  
put on the number of fraudulent  
termite exterminators in Virginia  
this spring.

John M. Amos, insect control  
specialist at VPI, says many home  
owners throughout the state are  
reporting "questionable practices"  
in the termite extermination busi-  
ness.

There are many reliable opera-  
tors in Virginia, Amos says, and  
it pays to check on the operator  
you intend to hire.  
Termites work slowly, and you

have time to check the extermina-  
tor's reputation before you hire  
him. A delay of a few weeks, or  
even months, will make little dif-  
ference.

Amos says the VPI Agricultural  
Extension Service is cooperating  
with the Va. State Pest Control  
Operators Association, and Better  
Business Bureau, regarding the  
reliability of persons who solicit  
work in termite control. If you  
will contact any one of the three  
organizations, they will be glad  
to help.

Here are some tips on how you  
can gauge the reliability of per-  
sons offering termite control ser-  
vice:

If you are told that termites  
will soon ruin or cause your house  
to collapse, you can definitely list  
the firm as questionable. Firms  
which charge according to the a-  
mount of chemical used likewise  
are questionable. Any good termite  
operator can estimate the cost  
just as a carpenter can estimate  
the cost of a repair job.

A reliable pest control operator  
should have established headquar-  
ters and a dependable local re-  
putation. Investigate this qualifi-  
cation. Do not depend on guaran-  
tees. Most of them are worthless.  
Rather, depend on the reputation  
of the operator.

### Modern Tourist Facility Joins Growing Family

A new, modern oceanfront motel  
will open its doors in Virginia  
Beach next week when the Ocean  
Ranch Motel at 32nd Street and  
the ocean is introduced to the  
traveling public for the first time.

The new tourist facility is mod-  
ern in every respect. It is com-  
pletely air-conditioned and heated  
and offers a modern coffee shop  
for its guests. There is ample park-  
ing at the Ocean Ranch.

The Ocean Ranch Motel offers  
the tourist a variety in accommo-  
dations. It features a patio bed-  
room in modern color and fabrics  
with connecting suites. There is  
also featured a studio efficiency  
unit with a complete kitchenette  
and separate dressing area.

The building is of brick con-  
struction and is fire proof. It is  
a two-story Florida-type motel in  
design.

The new motel building was de-  
signed by Lublin, McCaughey and  
Associates, of Norfolk.

Operators of the Ocean Ranch  
Motel is the Greenco Corporation,  
of which Dr. Dudley Cooper is  
president. The corporation also  
operates the Seaside Amusement  
Park which is located near the new  
motel facility.

### Fuel Feed to Participate in Hardware Week, April 25-May 4

"Fuel Feed & Building Supplies  
Corp. joins 23,000 independent re-  
tail hardware stores from coast-  
to-coast in celebrating IRHA  
Hardware Week, one of the na-  
tion's biggest promotions," R. D.  
Taylor announce today.

"IRHA Hardware Week will be  
observed from April 25-May 4,"  
Mr. Taylor said, "and features  
value for our customers from the  
country's leading hardware and  
housewares manufacturers."

The letters IRHA stand for In-  
dependent Retail Hardwaremen of  
America. It is part of the symbol  
that identifies Fuel, Feed of Vir-  
ginia Beach as a member of the  
National Retail Hardware Associa-  
tion, and a home-owned seller  
of standard, quality merchandise.

Supporting IRHA hardware  
stores in their huge spring selling  
campaign are hardware wholesa-  
lers and manufacturers, whose  
brand-name goods are displayed  
in these independent stores.

In anticipation of HARDWARE  
WEEK, Fuel Feed has its shelves  
stocked and is filled with the  
latest merchandise. Everything  
including power and hand tools,  
do-it-yourself and fix-it-yourself  
equipment, handy-man materials  
and supplies, sporting goods,  
housewares and kitchenwares, and  
lawn and garden supplies, is tag-  
ged and ready for Virginia Beach  
buyers.

customers, many of the featured  
items have been marked for ter-  
rific savings as an added incentive  
to buyers during IRHA Hardware  
Week.

"Springtime is traditionally and  
naturally the season to start fix-  
ing up around the house," Mr.  
Taylor said, "but this year it is  
especially important. Everyone is  
conscious it is economy of the  
highest order that their home  
should be kept in tip-top shape,  
and IRHA Hardware Week is the  
thrifty-time for Virginia Beach  
residents who are planning to  
buy tools and material for home  
improvements," Mr. Taylor com-  
mented.

It will be open house at Fuel,  
Feed during IRHA Hardware  
Week, April 25 - May 4, with the  
store gaily decorated in a carnival  
atmosphere. Featured are special  
window displays, posters, pen-  
nants and exhibits. Everyone is  
urged to drop in, ask questions  
and browse around.

## James Cagney, Broadway-Hollywood Actor, To Be Grand Marshal of Apple Blossom Festival Parade

Winchester, Va. — James Cagney, one of the world's best known actors and one of the entertainment world's best known farmers, was today named Grand Marshal of the 30th annual Shenandoah Apple Blossom Festival Grand Feature parade on Friday, May 3.

One of Hollywood's all-time stars, James Cagney was born in New York City. He attended Columbia University by day and worked at odd jobs by night to defray expenses. At his father's death, he quit school and his theatrical career was born when he took advantage of an opening in a vaudeville act. In his first Broadway show, he met and married a young lady named Frances Willard Vernon. They have a son, James, Jr., 18 and a daughter, Kathleen "Casey", 17 years old.

Although an actor of note for many years, Mr. Cagney has been a farmer at heart all his life. In between Hollywood movie making and New York stage appearances, he personally manages and maintains his New York state farm and a smaller one at Martha's Vineyard, Mass. The family home in California is a ranch in the Northridge section of Los Angeles.

Mr. Cagney's life story was a feature in the Saturday Evening Post of some months ago. The actor's role in "Outside Looking In" brought Mr. Cagney to national attention and "Penny Arcade" with Joan Blondell, in 1930, helped to establish him more firmly in the movies. His rise continued and he won the Academy award for his outstanding portrayal

JAMES CAGNEY

of George M. Cohan in "Yankee Doodle Dandy."

The Festival's Grand Marshal will be seen soon in his new Universal-International picture, "The Man of A Thousand Faces", the Lon Chaney life story.

Mr. Cagney's sister, Jeanne, is prominent on TV and radio. A brother, Ed, is a studio executive and a third brother, Harry, is a well known Los Angeles doctor. More than 200,000 persons are expected in Winchester for the two day Shenandoah Apple Blossom Festival and one of the largest crowds in Festival history is ex-

pected to greet Broadway-Hollywood actor Cagney when, as Grand Marshal, he rides along the Trail of the Pink Petals, which has previously been trod by such celebrities as Bing Crosby, Bob Hope, Van Johnson, Arthur Godfrey, Ed Sullivan and Bert Parks.

## NAVY NEWS

NAAS, El Centro, California — Ensign Edward David ROBBINS, USN, husband of Mrs. Margery Robbins, 216 96th Street, Virginia Beach, Virginia, arrived at the Naval Auxiliary Air Station, El Centro, California today to compete with his fellow team mates of Fighter Squadron THIRTY THREE, in the Second Naval Air Weapons Meet Monday through Friday.

ROBBINS was selected for competition in the meet on the basis of his aerial gunnery, skill and flying ability. He will compete in the air-to-air segment of the meet. Fighter Squadron THIRTY THREE, to which he is attached, is based at the Naval Air Station, Oceana, Virginia.

**IT NEVER FAILS****'The Founders' Have Equipment Headache****WILLIAMSBURG** — Equipping soldiers in authentic 17th-century armor can be a modern-day "headache."

Such a task has been undertaken by the technical staff for Paul Green's latest historical drama, "The Founders," in preparing the new pageant for its premier here on May 13.

Roger Sherman, the show's production manager and designer, began months of research and experimentation to develop exact copies of the armor during last summer's production of "The Common Glory," another Paul Green drama produced by The Jamestown Corporation. The final design was taken directly from two sections of armor purchased at auction, and from 17th-century paintings.

"The problem," said Owen Ryan, who along with Jim Armacost made the soldier costumes, "was to find a suitable material to use on stage as armor." The movie industry sets up metal presses which can one day turn out all the armor it may need. "However, costs run into the thousands of dollars and regular armor," he added, "is too noisy for stage use."

"We tried everything," added Armacost, "even to shaping several layers of window screening into our pattern—but it just didn't

look like armor."

The material which saved the day was one of the modern "miracle" fabrics. Called elastic, it is water proof for use around the outdoor theater's lakeside setting and cool enough for actors to wear in warm Tidewater Virginia weather. In addition, it is light in weight, will shrink or stretch to fit any mold design, and is durable enough to last several summer seasons.

To show the strength of elastic Ryan said that he stood on one of the finished breastplate pieces. "It finally bent a little at the shoulder curve," he noted.

To fashion the armor, the felt-like elastic is dipped into an inflammable softener and molded to a plaster cast for several hours of hardening. The dried patterns "made in three sizes—small, medium and large"—are fitted to matching pieces and then are ready for painting.

"We give the pieces two coats of shellac," explained Armacost. "With the second coat a metallic powder and dry color pigment are blown on the armor to give it some color and an antique effect."

The final touches include the addition of leather hinges and straps on the breast plates; riveting large, shiny metal buttons for ornamentation; placing colorful

plumes on the helmets.

Most of the authentic-looking armor is being painted black for the drama's many soldiers. However, a few are bronze for the officers, and one set is a brilliant silver for the glamorous "father of the colony," Captain John Smith.

The team of Armacost and Ryan also plan to fashion Indian rattles, bowls, drinking cups, fruits and vegetables for stage props from the versatile elastic.

"The Founders," which tells the story of the first permanent English settlement in America, will be given in the afternoons, except Mondays, from May 13 through October 19 in a newly built outdoor theater, The Cove, on the grounds of the College of William and Mary. Such colorful characters from history as the Indian maid Pocahontas, who has become known as "the guardian angel of Jamestown," her proud father, Powhatan; and devout John Smith, will be among the principal figures in the new drama.

The Santa Fe Trail, important to early commerce of the Southwest, was opened in 1621.

**CONSTRUCTION****FORT STORY** — A company of U. S. Army Engineers from the 87th Battalion at Fort Belvoir, Va., arrived at Fort Story this week. The unit will construct buildings to house the new BARC unit now being established.

The BARC (Barge, Amphibious, Resupply, Cargo) is the world's largest "swimming truck," capable of carrying up to 100 tons on both land and water. Currently, the only four such amphibians in use by the Army are based at Fort Story and 14 new vehicles are expected later this year.

The new 25-car parking lot constructed on the newly-granted National Park Service land near the Cape Henry Memorial Cross has been completed. It was first officially used by the Easter Sunrise Service and is now open for Garden Week visitors. In addition to the lot, and the concrete sidewalks, the NPS also plans to plant some shrubbery in a beautification project during the Jamestown Festival.

Also open for Garden Week in spite of the fact that renovation is not quite complete is the old Cape Henry Light House, first such structure built by the United States government. Workmen estimate it will take another three or four weeks to complete installation of glass windows and a copper canopy around the lighting section. In addition, the structure's interior is to be whitewashed, the stairs repainted and the outside brick work pointed up.

When it is completed, visitors may not only climb to the top, but walk about in the 10 or 12 foot octagon-shaped lighting area. Present plans call for no installation of a lamp.

This week entails much historical significance at Fort Story. Since it is located on Cape Henry, where the English colonists who later founded Jamestown first landed, a special salute to the date of the landing is planned.

Soldiers will take part in and observe the historical pageant in neighboring Seashore State Park at 2:30 p. m. on Friday, April 26—the date of the landing. In addition, special guides will be stationed at the Memorial Cross and the old Light House—both located on the Fort Story Military Reservation—throughout the day to provide information for visitors. Following a luncheon at the

**- FORT STORY TELLINGS -**

Fort Story Officers Club on April 28, the Archbishop of Canterbury will be principal speaker at 2:30 p. m. ceremonies at the memorial cross marking the 37th annual pilgrimage of the Order of Cape Henry, 1607.

The public is invited to visit the historical shrines at Fort Story and to the ceremonies on the 26th and 28th.

**RIFLE TEAM**

The Fort Story Rifle Team, competing with eight teams representing the other major commands of the Transportation Training Command, placed second in a tourney at Fort Eustis recently. And, in subsequent qualification firing, Sgt. First Class Howard Lockhart won the right to compete in the Second Army Area Rifle Matches at Fort George G. Meade, Maryland on May 21-24.

The 77th Transportation Railway Group placed first in the TTC match with the Fort Story contingent following closely.

**PARADE**

Six Fort Story personnel were honored with a special parade on April 23. Lt. Col. Bryan Griffith, provost marshal; Maj. Oswald B. Stewart, intelligence and security officer; and Maj. Alfred R. Campbell commanding officer of the 14th Transportation Battalion were honored on their retirement from active service.

Master Sgt. Clarence B. Allen was awarded the Bronze Star Medal for operations against the enemy in the European Theater of Operations on November 21, 1944.

Special Certificates of Achievement were presented to Capt.

Roger N. Smith and Master Sgt. Leonard R. Williams.

First Lt. Robert Gherlin will temporarily assume duties as provost marshal and Maj. William R. Bennett the duties of Major Stewart. Lt. Col. E. A. P. McCarthy, Jr., has assumed command of the 14th Battalion.

**HONOR GUARD**

A special honor guard has been formed at Fort Story to serve as an escort for distinguished visitors and on other ceremonial occasions.

Approximately 30 men compose the elite group which is commanded by Second Lt. Oda Bowles. The Honor Guard will represent the post at special occasions and ceremonies.

**NAVY NEWS**

NAAS, El Centro, California — Lieutenant William Palmer MAC DONALD, USN, husband of Mrs. Carol Dennison Mac Donald, 103 Seward Lane, Virginia Beach, Virginia, arrived at the Naval Auxiliary Air Station, El Centro, California today to compete with his fellow team mates of Fighter Squadron THIRTY THREE, in the Second Naval Air Weapons Meet Monday through Friday.

MAC DONALD was selected for competition in the meet on the basis of his aerial gunnery skill and flying ability. He will compete in the air-to-air segment of the meet, Fighter Squadron THIRTY THREE, to which he is attached, is based at Naval Air Station, Oceana, Va.

### CHESAPEAKE BEACH PRE-TEENS

The Pre-Teens of Chesapeake Beach held their Easter dance Saturday night, April 20, at the Chesapeake Beach Community Center. Approximately 70 children enjoyed dancing and refreshments.

Mrs. A. L. Zavlenski, youth chairman of the Chesapeake Beach Woman's Club, whose department the pre-teens comes under, told the young people that on Saturday night, May 4th there would be a joint dance for the pre-teens and teenagers at which time there would be an orchestra to play for them.

Chaperones for the Saturday night dance were Mrs. K. Waehler, Mrs. Eva Hatch and Mr. and Mrs. Tony Bennett.

### CHESAPEAKE BEACH COMMUNITY CENTER SUPPER

The building committee of the Chesapeake Beach Community Center are sponsoring a dinner Thursday night, May 9, at the Chesapeake Beach Community Center. The committee working on the dinner is under the direction of Mrs. U. L. Harmon, Mrs. Frederick Reider and Mrs. R. J. Webber.

The building committee is composed of representatives from the Woman's Club, the Men's Club and the Volunteer Fire Department.

The proceeds from the dinner will be used to curtail the note on the Community Center.

### CHESAPEAKE BEACH MEN'S CLUB HAM SHOOT

The Men's Club Ham Shoot which was scheduled for April 13 and had to be postponed on account of bad weather will be held Sunday, April 28, at the Sand Pit, on Route 13Y opposite the Bayside Post Office.

The shoot will begin at 10 a. m. and continue until 6 p. m. The committee on arrangements are

W. J. Slade Jr., Lothar Rieder and Lee Harmon.

### CHESAPEAKE BEACH MEN'S CLUB

The Chesapeake Beach Men's Club held their regular meeting Tuesday night, April 16 at 8 o'clock at the Chesapeake Beach Community Center.

The president, U. L. Harmon, appointed the following committee to work with the Bayside Recreation Committee, W. D. Brooks and Edward Cummings.

This committee from the Bayside area will work with the County Recreation Director, Jim Lall.

At the Tuesday night meeting the club discussed plans for a Minstrel Show to be put on in the fall.

### SHELTON PARK P-TA

The Shelton Park P-TA held their regular meeting Monday night, April 15 at the school auditorium.

The organization voted to hold election of officers in September instead of April as had been done previously. This was agreed to because in September the seventh and eighth grades will come back to Shelton Park School.

Announcement was made at the meeting of a pre school clinic which will be held April 29 and 30 from 9:30 until 11 a. m. Parents of children starting school in September are urged to take advantage of this clinic.

May 4 will be the annual spring carnival at the school. Mrs. M. D. Martin, ways and means chairman, is the general chairman of this event.

Lieutenant Racine from the Youth Bureau of the Norfolk Police Department, spoke to the group on delinquency. He explained the different methods used to curb delinquency and urged the P-TA members to band together with other P-TA's and stamp out crime comics and other under-

able literature from the news stands.

### BAYSIDE JAYCEES

The Bayside Jaycees held their regular meeting Thursday night, April 18 at 7:30 o'clock at Charles S. Scaford, Shore Drive. In the absence of the president, vice president Forrest Old presided.

Visitors at the meeting were: Jim Prince from the Norfolk Jaycees and Bill Robinson from Virginia Beach Jaycees.

A film was shown on the Teen Age Roadshow which was held last year.

Bill Reese is chairman of the Teen Age Roadshow which the Bayside club is sponsoring Saturday, April 27 at Princess Anne High School.

The Jaycees are co-sponsoring the Bloodmobile with the Woman's Club of Chesapeake Beach. The Bloodmobile will be at Embaras Motors on Pleasure House Road between Robbins Corner and Shore Drive on Monday, April 29 from noon until 6 p. m.

The speaker for the evening was Al Tabum from the Norfolk Jaycees. He is a candidate for vice president of Regent 1 Jaycees.

### ST. PIUS X P-TA

St. Pius X P-TA held their regular monthly meeting Wednesday, April 17 in the school assembly hall.

A nominating committee to select a slate of officers for the coming year was elected. They are: Mrs. M. L. Eichinger, Mrs. Robert Barrett, Mrs. E. D. Rose, Mrs. John Mathews and Mr. John Montgomery. Election of officers will take place at the next regular meeting on May 15.

Bob Malch was named chairman of a committee to procure additional recreation equipment for the children.

Father Michael Giblin, pastor of St. Pius X Church spoke on the importance and historical

significance of Holy Week Services.

Sister Madeleine Marie and Sister Philomena shared the attendance prize.

### BAYSIDE LIONS CLUB

The Bayside Lions Club had an unusual experience at their meeting held Wednesday night, April 17 at Shore Drive Inn. The nurse who brought Little Kay home for Easter was the speaker at this meeting. "Little Kay" is a project of the Bayside Lions Club as well as other local Lions Clubs. She was born deaf and blind and through the generosity of these Lions she is attending Perkins Institute which is the only such institute in the country that works with the blind and deaf.

The nurse explained to the club just what was being done for "Little Kay" and what progress she has made.

R. L. Beale Jr., told the club that plans for the Lions Annual Broom Sale are complete and everybody is urged to get on their "broom selling shoes" and be on hand May 15, 18 and 17.

The Bayside P-TA held election of officers at their meeting Monday night, April 15 which was held in the school auditorium. The new officers for the coming year are: President, Mrs. Robert J. Holland; vice president, Mrs. Elmer Evans and Mrs. Gene Barrow; secretary, Mrs. Joe Bornstein; treasurer, Mrs. A. W. Stowell.

The Fifth Grade Glee Club presented an enjoyable program under the able direction of Miss Betty Landers, music teacher at the school.

### BAYSIDE CHRISTIAN CHURCH NEWS

An impressive Holy Communion Service was held on Holy Thursday night at 8 o'clock at the Bayside Christian Church. The church was dimly lit, by the candles on the altar were lit. Above the altar was a picture of Christ in the Garden of Gethsemane which was illuminated by a spot light. In the hush of the sanctuary eight-year-old Little Miss Helen K. Twiford sang "How Often Do I Wonder."

Mrs. Gail Mullins was guest soloist at the morning. Worship service of the Bayside Christian Church. She sang "The Holy City." The choir's anthem was "Easter Dawn."

The Laymen's Fellowship and the Women's Fellowship met at the church Tuesday night, April 23 at 8 o'clock. The groups are led by Mrs. E. F. Caldwell and Mr. Stanley Chase.

CLEAN-UP CAMPAIGN AT CHESAPEAKE BEACH

Mrs. H. W. Fulford, garden chairman of the Woman's Club of Chesapeake Beach reports that to date 50 crane myrtles have been planted in the beach area, along Pleasure House Road, which is the main road into the beach. Greenwell Road, Lakeview Road, Bradford Ave. and Bradford Dr.

Ten crane myrtles were planted on the Bayside Christian Church property. Four were donated by the Friendship Class of the church and six by the Bayside Junior Woman's Club.

According to instructions received from Frederick Hewette no more crane myrtles will be planted after April 23 until the fall. Those residents who did not order their trees for spring planting and wishing them in the fall are asked to contact Mrs. Fulford at LO 3-1061.

It was through the efforts of the Maude Fulford Golden Circle Club that the beach residents were interested in this living memorial to the first settlers.

The Clean Up, Paint Up and Fix Up campaign at the beach is in full swing. If you haven't started yet—don't be a square—get in the groove! Get things spruced up for the visitors who are going to be in our area for the Cape Henry Celebration as well as the Jamestown Festival.

**Chocolate Dessert For Dieters**

This Chocolate Refrigerator Cake is delightful to look at and heavenly to eat, yet it's low, low in calories. We've calorie-streamlined the recipe so that it contains one-third less calories than the original recipe that inspired it. Secret is that we've used the non-caloric sweetener, Sucaryl, to replace all of the sugar normally required. This sweetener with its natural, sugar-like taste makes it simple to whittle unnecessary calories from many cooked and baked dishes. And you won't sacrifice one bit of good eating, for you just can't taste the difference.

**Chocolate Refrigerator Cake**

1½ teaspoons unflavored gelatin  
1 tablespoon Sucaryl solution or 24 tablets, crushed  
Pinch of salt  
½ cup water

2 squares unsweetened chocolate  
4 eggs, separated  
1 teaspoon vanilla  
¾ cup ice water  
¾ cup nonfat dry milk solids

3 lady fingers, split

Combine gelatin, Sucaryl, salt, water, and chocolate in top of double boiler. Cook over hot water until gelatin dissolves and chocolate is melted. Remove from heat; add egg yolks one at a time, beating well after each addition. Return to top of double boiler and cook for 2 minutes. (Mixture will become very thick and cling in a ball in center of pan.) Remove from heat; add vanilla. Chill in refrigerator for 15 minutes. Meanwhile, combine egg whites, ice water and dry milk solids; beat on high speed of mixer until of consistency of whipped cream. Carefully fold into the cooled chocolate mixture. Line a loaf pan (7 x 3 x 2 inches) with waxed paper. Place lady fingers around edges of pan. Carefully pour in chocolate mixture and chill until firm.

Makes 6 servings. Each serving contains 129 CALORIES: 7.4 grams protein; 8.9 grams fat; 7 grams carbohydrate. If made with sugar, each serving would contain 193 CALORIES.

Are you one of those who is interested in good desserts but are counting calories and it has become a problem for you?

The Chocolate Dessert does sound good and I have been looking around trying to find some other recipes for desserts and some salad recipes too. I hope you'll find them tasty and helpful in your low-calorie meal planning.

Because each teaspoon of sugar gives 20 calories, you can cut them down if you use a sweetener that will not supply any calories. Low-calorie sweeteners mean

sweet taste without calories and without sugar. The recipes I'm going to tell you about use a sweetener - such as Sucaryl - Saccharin or Sweetas.

The directions for using these are on the individual sweetener which ever you decide to use. A number of low-calorie canned or bottled fruits, fruit juices & beverages are now available in many markets. These foods add much interest to the low-calorie diets.

Skim milk is a low-calorie form of milk which helps with successful weight loss by keeping calories low while food value remains high. Fluid skim milk or non-fat dry milk solids can be used.

Non-fat dry milk solids plus water make skim milk. Follow directions on the package for correct proportions.

**Apricot Sponge**

1 envelope Knox unflavored gelatin  
½ cup cold water  
½ cup sieved apricot pulp  
1 tablespoon grated lemon rind  
1 tablespoon lemon juice  
4 non-calorie sweetening tablets or equivalent if using liquid  
3 egg whites, stiffly beaten but not dry  
Sprinkle gelatin on the cold water to soften in top of double boiler. Dissolve softened gelatin thoroughly over hot water. Stir in apricot pulp, lemon juice & rind & non-calorie sweetener. Chill until thickened but not firmly set. Whip with rotary beater until fluffy - fold in beaten egg whites. Turn into one large mold - or 6 small molds. Chill until firm. You may use ½ cup sieved prune pulp instead of apricot pulp.

**Savory Tomato Aspic**

1 envelope Knox unflavored gelatin  
½ cup cold water  
2 bouillon cubes  
1½ cups tomato juice  
1 tablespoon grated onion  
2 drops kitchen bouquet  
¼ teaspoon Worcestershire sauce  
¼ teaspoon pepper  
Sprinkle gelatin on the cold

water to soften. Heat bouillon cubes in tomato juice until completely dissolved. Remove from heat. Stir in softened gelatin until thoroughly dissolved. Add seasonings. Pour into one large mold or 4 individual mold. Chill until firm.

**Perfection Salad Mold**

1 envelope Knox unflavored gelatin  
½ cup cold water  
1½ cups very hot water  
¼ cup vinegar  
1 tablespoon lemon juice  
6 non-calorie sweetening tablets or equivalent liquid sweetener  
¾ cup finely shredded cabbage  
½ teaspoon salt  
1 cup diced celery  
¼ cup finely chopped pimiento  
Sprinkle gelatin on the cold water to soften. Dissolve the softened gelatin in very hot water, add vinegar, lemon juice & non-calorie sweetener. Fold in remaining ingredients & turn into

one large mold - or 6 individual mold. Chill until firm.

**Savory Quick Salad Dressing**  
¼ cup lemon juice  
1 cup undiluted evaporated milk  
¼ teaspoon salt  
Combine lemon juice, evaporated milk & salt in screw-top jar. Shake well to blend.

**Low Calorie Cooked Salad**

**Dressing**  
1 envelope Knox gelatin  
¼ cup cold water  
1 teaspoon dry mustard  
2 teaspoons salt  
¼ teaspoon paprika  
1½ cups boiling water  
2 tablespoons butter or fortified margarine  
2 eggs - well beaten  
4 non-calorie tablets or equivalent of liquid sweetener  
½ cup vinegar

Sprinkle gelatin on the cold water to soften in top of double boiler. Mix together mustard, salt and paprika, gradually add boiling water. Add this hot mixture & butter or margarine to soften gelatin. Stir until softened gelatin is thoroughly dissolved & butter or margarine is melted. Add gradually to the beaten eggs and return to the top of the double boiler. Cook over hot, but not boiling water - until mixture begins to thicken, stirring constantly. Remove from heat. Add non-calorie sweetener & very slowly stir in vinegar. Chill until slightly thickened. Beat with rotary egg beater until well blended. Store covered in refrigerator. To serve, beat lightly with a fork. Bye-bow - watch that diet!

## Rail oddities

The engineer of a fast train going through Cars, Okla., before daylight Jan. 22, 1957, kept his locomotive horn shrieking continuously . . . awakened everybody in town.

Through a flash of lightning he had noticed the funnel of an approaching tornado. It struck the town minutes later.

People lost their lives in Cars that night. But many others found shelter, and safety, thanks to the quick thinking and effective action of Engineer Billy Bryant.

## Too Many Motorist Play The Game Of Cops And Drivers

That statement was made today by Police Chief Reeves E. Johnson in connection with the Know and Obey Traffic Laws Program launched here this month by the Virginia Beach Police and the mittie.

"The Chief asserted that drivers and pedestrians who are always cheating in traffic are the real crash makers.

"Fortunately," he said, "Most motorists and pedestrians obey traffic laws and regulations most of the time. If they didn't, our accident rates would soar to even greater heights."

"Statistics show that traffic law violators figure largely in traffic fatalities. In four out of five fatal crashes, one or more driver violations are reported."

"Many of these violators feel that only suckers obey the laws. They know all the angles and shortcuts. You know these characters — the ones who always overdrive the posted speed limits. They jump the red lights at intersections. They weave from lane to lane and sneak by on your right if you slow down at an intersection. They never really stop at stop signs.

Citing the record, the Chief said the most frequent violations reported in fatal traffic crashes are excessive speed, failure to yield the right of way, failure to keep to the right of the center line and disregard of an officer or traffic control device.

Well — meaning motorists and pedestrians who are ignorant or forgetful of the law also came in for a verbal lashing by Chief Johnson. "Even under normal conditions," he said, "traffic can give you plenty of headaches. But drivers and pedestrians who risk their lives and the lives of others to gain some slight advantage or save a few seconds really give you extra jitters and contribute to many crashes." Chief Johnson said law enforcement agencies need the support of the entire community in building greater respect for traffic laws.

"It is only through a sense of responsibility on the part of each individual that we can hope to reduce traffic crashes," he said.

Consumer expenditures in the United States for automobiles and their maintenance have risen from 5.2 per cent in 1929 to 8.4 per cent in 1955. By 1956 the figure is expected to reach 10 per cent, or about 40 billion dollars.

## RECIPES USING SEAFOOD

Thaw frozen fillets. Sprinkle with salt and pepper. Place in a single layer in a well-greased baking pan. Combine butter, lemon juice, onion, and paprika. Cover fish with the sauce. Bake in a moderate oven, 350° F., for 20 to 25 minutes or until fish flakes easily when tested with a fork. Serves 6.

**Haddock Tomato Soup**  
1 pound haddock fillets, fresh or frozen  
1/4 cup diced bacon  
1/2 cup chopped onion  
1/2 cup chopped celery  
2 cups boiling water  
1/2 teaspoon salt  
Dash pepper  
1/2 cup rice  
2 cups tomato juice  
Chopped parsley

Thaw frozen fillets. Skin fillets and cut into 1-inch pieces. Fry bacon until light brown. Add onion and celery; cook until tender. Add boiling water, seasonings, and rice; cook 10 minutes. Add fish; cook 10 minutes longer or until rice and fish are tender. Add tomato juice; heat. Garnish with parsley sprinkled over the top. Serves 6.

**Halibut Salad Ring**  
1 pound halibut steak or fillets, fresh or frozen  
1 quart boiling water  
1 tablespoon salt  
1 can (1 pound 4 ounces) crushed pineapple  
2 packages lime-flavored gelatin  
1 1/2 cups boiling water  
2 cups pineapple juice and water  
1/4 cup lemon juice  
1 teaspoon salt  
1/2 cup sliced almonds  
1/2 cup mayonnaise or salad dressing  
1 teaspoon lemon juice  
1/4 teaspoon salt  
Salad greens  
Red radishes

Place steaks in boiling salted water. Cover and return to boiling point; simmer for 10 minutes or until fish flakes easily when tested with a fork. Drain, remove skin and bones. Flake. Drain pineapple and save liquid. Dissolve gelatin in boiling water; add pineapple juice and water, lemon juice and salt. Place in 1-quart ring mold; chill until firm. Combine almonds, mayonnaise, lemon juice, salt, pineapple, and fish. Chill. Unmold gelatin on salad greens and fill center with fish mixture. Garnish with radishes. Serves 6.

**Maine Sardine & Egg Sandwiches**  
2 cans (3 1/2 ounces each) Maine sardines  
1/4 teaspoon salt  
3 hard-cooked eggs, chopped  
1 tablespoon lemon juice  
3 tablespoons mayonnaise or salad dressing  
3 tablespoons French dressing  
12 slices buttered bread  
Drain and mash sardines. Combine all ingredients except bread. Spread 6 slices of bread with sardine mixture; cover with remaining 6 slices of bread. Serves 6.

**Tuna Jamblers**  
2 cans (6 or 7 ounces each) tuna  
1/2 cup chopped onion  
1 cup chopped celery  
1/2 cup chopped green pepper  
2 cloves garlic, chopped  
1/4 cup butter or other fat, melted  
1/4 cup uncooked rice  
1/4 teaspoon salt  
1 whole bayleaf  
3/8 teaspoon crushed whole

thyme  
Dash cayenne pepper  
2 chicken bouillon cubes  
1 1/2 cups boiling water  
1 can (1 pound, 4 ounces) tomatoes  
1/4 cup chopped parsley  
Drain tuna. Flake. Cook onion, celery, green pepper, and garlic in butter until tender. Add rice, seasonings, bouillon cubes, boiling water, and tomatoes. Simmer for 25 to 30 minutes, or until rice is tender, stirring occasionally. Add parsley and tuna; heat. Serves 6.

**Broiled Whitefish**  
2 pounds whitefish fillets or steaks  
1 teaspoon salt  
Dash pepper  
1/4 cup butter or other fat, melted

Remove skin and bones from fillets. Cut into serving-size portions and sprinkle with salt and pepper. Place on a greased broiler pan about 2 inches from source of heat. Brush with butter and broil 5 to 8 minutes or until slightly brown. Baste with butter and turn carefully. Brush other side with butter, and broil 5 to 8 minutes longer or until fish flakes easily when tested with a fork. Serves 6.

**Crab Louis**  
1 pound crab meat  
1 head lettuce  
1/2 teaspoon salt  
1 cucumber, sliced  
4 tomatoes, sliced  
3 hard-cooked eggs sliced  
Remove any shell or cartilage from crab meat, being careful not to break the meat into small pieces. Shred lettuce and place in a large shallow salad bowl. Sprinkle with salt. Arrange the crab meat over the lettuce. Around the edge place alternate slices of cucumbers, tomatoes, and eggs. Spread Louis Dressing over crab meat. Serves 6.

**Louis Dressing**  
1 cup mayonnaise or salad dressing  
3 tablespoons catsup  
2 tablespoons chopped sweet pickle  
1 tablespoon lemon juice  
Combine all ingredients and chill. Serves 6.

**Fried Oysters**  
1 quart select oysters  
2 eggs, beaten  
2 tablespoons milk  
1 teaspoon salt  
Dash pepper  
1 cup bread crumbs, cracker crumbs, or cornmeal

Influenza, which spread to the United States from the Western Front of World War I in 1918, killed an estimated 500,000 people in this country.

## Notes From Your County Agent

BY E. R. "DICK" COCKRELL, JR.

### PARASITE CONTROL PROGRAM MUST IN SHEEP PRODUCTION

A good year-round internal and external parasite control program is a "must" in profitable sheep production, says Dr. S. L. Kallison, veterinarian at VPI.

Internal parasites of sheep in Virginia are the common stomachworm, nodular worm, and, periodically, the tapeworm. Sheepmen reduce their losses by feeding properly, rotating pastures, preventing overstocking, having a clean water supply, and giving proper treatments. Dr. Kallison says every sheep in Virginia should be treated four times a year with phenothiazine. The first treatment must be given in the early spring before sheep go to permanent pasture. The second should come in early July, the third within 15 to 30 days later, and the fourth in mid-November, about the time permanent pasture is finished.

He warns against treating 30 days or less before lambing. It's also a good idea to keep the sheep on a low-level phenothiazine treatment continuously. This consists of 1 pound of phenothiazine to 9 pounds of salt, kept before the animals all the time. Do not have salt without phenothiazine available.

If there is a tapeworm infestation, use an occasional treatment of cu-nic. To make cu-nic, mix one ounce of powdered bluestone (copper sulphate) and 3/4 ounce of nicotine sulphate (blackleaf 40) in three quarts of water. This is enough for 25 mature sheep. Before cu-nic is used, sheep must be starved 12 to 18 hours. Feed and water can be given about two hours after treatment. Separate ewes from lambs about two hours before treatment, and wait until two hours after treatment before putting them back together.

The most bothersome external parasites of sheep are lice, ticks, and scab mites. To control lice and ticks, dip or spray with a DDT or chlordane solution containing 4 pounds of 50 percent wettable powder per 100 gallons, or use 0.8 pound of 25 percent wettable lindane per 100 gallons. Methoxychlor toxaphene, and TDE are also effective. Use these at rates equivalent to 2 pounds of the actual toxicant per 100 gallons. Whatever spray material is used, the animal must be wet to the skin. Spray when the wool is short, preferably in the fall.

In cold weather a 1 1/2 percent dieldrin, 1 percent lindane, or a 5 percent dust of the other materials mentioned above may be used. Dust the animal thoroughly and repeat the application in 3 or 4 weeks if infestations persist.

To control scab, use one of many commercial dips as directed by the manufacturer. Dipping is most effective shortly after shearing. The head of the animals should be dipped several times. Spraying with a hard-driving spray (about 400 pounds pressure) also will give good results. One of the newer insecticides used in scab control is benzene hexachloride, but it may give wool a musty odor. It is suggested that a high gamma benzene hexachloride preparation, preferably lindane, be used if the wool is to be processed within a few months after treatment. Use 1 1/2 pounds of 25 percent lindane per 100 gallons and apply about 1 to 2 gallons per animal.

### HOMEMAKERS' ITEMS

Cover on or off? Cooking vegetables in a covered pan has its advantages, say nutritionists at VPI. You can use less water without danger of burning as the water evaporates. The flavor of all vegetables (except strong ones) is improved by adding seasoning before vegetable is done, and allowing all liquids to be absorbed. This saves vitamins and minerals. You need less fuel because the steam returns to the water. This may be important when fuel costs are high.

The strong flavor of members of the cabbage, onion, and turnip families comes from chemical substances that pass off in steam. These aren't too strong if you use the best quality and cook them only until just tender. Cooking them uncovered helps to prevent strong flavor. Open the window so the odor does not go all through the house.

With supplies of both hamburger and cheddar cheese plentiful, now's the time to try a new idea for cheeseburgers.

Prepare your hamburger according to your favorite recipe. Then mix it with a cup of grated cheese for each pound of hamburger. Make your mixture into patties and leave them in the refrigerator until you're ready to broil them. The cheese adds a tasty flavor to the meat because it is cooked all through it.

With cheeseburgers as a main dish, escalloped or baked potatoes are vegetable suggestions. An apple salad and a bright-green vegetable, topped off with a dish of chilled canned purple plums, will make a dinner with party atmosphere.

### QUESTIONS OF THE WEEK

(Editor's note: Here are the questions asked most frequently by Virginia farmers during the past week, as reported by county agents. Staff members of the VPI Agricultural Extension Service and/or Experiment Station supply the answers.)

Q—What can I do to avoid bloat in my cattle when I turn them on orchard grass-ladino pasture this spring?

A—Feed them some dry hay before turning them on pasture. Leave them on pasture only a short time (around 15 minutes) the first day. Increase the time gradually each day. Watch them closely.

Q—What happened to the peanut market this year? Is there really an over-supply of Virginia type peanuts?

A—Increased production brought more peanuts to market than buyers were willing to buy at the then prevailing prices. Whether or not this constitutes an over-supply remains to be seen. It depends in part on whether or not manufacturers decide to use products other than peanuts. For

## NAVY NEWS

NAAS, El Centro, California—Commander James (N) FERRIS, USN, husband of Mrs. Hazel Francis Ferris, Abingdon Rd., Bay Colony, Virginia Beach, Virginia, arrived at the Naval Auxiliary Air Station, El Centro, California today to compete with his fellow team mates of Fighter Squadron THIRTY THREE, in the Second Naval Air Weapons Meet Monday through Friday.

FERRIS was selected for competition in the meet on the basis of his aerial gunnery skill and flying ability. He will compete in the air-to-air segment of the meet. Fighter Squadron THIRTY THREE, to which he is attached, is based at NAS, Oceana, Virginia. Commander FERRIS is the Commanding Officer of Fighter Squadron THIRTY THREE.

Instance, candy manufacturers have been talking about using more chocolate and fewer peanuts.

Q—How can I get rid of chickweed in alfalfa?

A—Apply chlo-ro IPC at the rate of three pounds in 20 to 30 gallons of water per acre. Be sure to make the application before the alfalfa breaks dormancy and starts growing. Your time now is limited.

Q—As an alfalfa producer what should I do now to get ready for the weevil and spotted aphid?

A—There is no preventive treatment. Wait and watch, and be ready to apply chemicals for control if and when the insects appear. Your county agent has information on what to use.

## VEPCO Declares Quarterly Dividend

The Board of Directors of the Virginia Electric and Power Company today met following the annual meeting, at which the shareholders approved a 2 for 1 split of the common stock.

The directors declared a quarterly dividend of 25¢ per share on the split shares of common stock, payable June 20, 1957 to holders of record at the close of business May 31, 1957.

D. C. Barnes, Chairman of the Board, said that quarterly dividends have previously been paid since June 20, 1956, at a rate equivalent to 22½¢ per split share.

Regular quarterly dividends of \$1.25 per share on the \$5 dividend preferred; \$1.01 per share on the \$4.04 dividend preferred; \$1.05 per share on the \$4.20 dividend preferred and \$1.03 per share on the \$4.12 dividend preferred, also payable June 20, 1957 to share holders of record May 31, 1957, were declared.

The directors also gave definitive approval to the issue and sale of 1,000,000 additional shares of common stock, Donald C. Barnes, board chairman announced.

Barnes said the necessary Federal Securities Act registration statement will be filed about May first and that the additional common stock will be sold early in June through competitive bidding to underwriters who will make a public offering.

Current center of U. S. population is in Richmond County, Ill., eight miles northwest of Olney.

## Highway Department Allots \$4 Million For This District

The State Highway Commission today announced allocations totaling \$35,224,397 for Virginia's 41,261 miles of secondary roads for the 12 months beginning July 1.

The total funds estimated for distribution for the maintenance and improvement of secondary (farm-to-market) roads in 96 of the 98 counties exceed last year's allocation by \$1,451,759. This increase was a result of: (1) additional federal aid, which must be matched on a 50-50 basis, and (2) a rise in state revenue expected during the fiscal year.

Included in the total allocations are \$27,317,977 in regular state funds; \$3,978,210 in federal aid and an equal amount in state matching money; and a rotating bridge fund of \$150,000. Also in the regular state money for the fourth year is a \$2,000,000 equalization fund which was provided by the Highway Commission for distribution to counties on the basis of non-hard surfaced secondary road mileage.

The bridge fund, which was set up for the first time in the 1955-56 allocations, is to be used to build bridges that would constitute a hardship to finance out of regular county road money.

By districts, the total secondary allocations include: Bristol \$5,165,241; Salem \$5,056,352; Lynchburg \$4,552,044; Richmond \$4,218,681; Suffolk \$4,325,411; Fredericksburg \$4,731,056; Culpeper \$5,005,413 and Staunton \$4,020,197.

The regular state funds, ex-

cluding the Equalization Fund, are distributed to the 96 counties in the secondary system by a formula that includes population, secondary road mileage, area and vehicle miles of travel. Three factors—area, population and road mileage—control the distribution of federal aid money for secondary roads. Two counties, Arlington and Henrico, are not included in the allocations because they maintain their own secondary roads and receive their money by a different formula.

The allocations announced today are based on anticipated revenue during the next fiscal year, engineers pointed out. Money can be spent only as it becomes available.

Tentative allocations for construction on Virginia's 8,481 miles of primary highways and urban extensions were announced by the Commission on March 14. The primary allocations are subject to public hearings which will be held in Roanoke and Richmond in May.

## Watch Out For The Other Guy When Driving

"Keep your eye on the other guy—he's the big question mark in traffic!"

In those words Chief of Police Reeves E. Johnson today warned motorists to be on their guard against the unpredictable behavior of pedestrians and other drivers.

Chief Johnson spoke in support of the defensive driving program which the Virginia Beach Police and the Governor's Highway Safety Committee are conducting this month. This program is part of the Back the Attack on Traffic Crashes campaign. The spring phase of this campaign stresses the moral responsibility of drivers for their own safety and the safety of others.

"It isn't enough to obey the law and mind your own business," Chief Johnson said. "You have a moral responsibility to prevent a crash if you can even if the other fellow is at fault."

Chief Johnson said that in traffic the driver is at the mercy of everyone he meets. His only protection is anticipating the other fellow's actions and countering his blunders with quick, safe action.

The Chief mentioned the following blunders of other drivers as the ones most likely to cause trouble: Failure to heed a stop sign. Making a left-hand turn from a right-hand lane. Failure to signal a turn. Stepping suddenly. Trying to pass on a curve or in a no-passing zone. Suddenly swerving over the center line. Pivoting from the curb into traffic without warning. Weaving dangerously through traffic.

Chief Johnson also warned drivers to watch out for pedestrians crossing in mid-block or against the lights, getting out of a vehicle on the street side or walking along the road in dark clothing at night.

**NEWS FOR AND ABOUT VETERANS****HEAVY WORK LOAD IN THE  
VETERANS ADMINISTRATION**

If decisions of the Veterans Administration agencies in Roanoke seem longer in forthcoming than usual, the cause can be attributed to a heavier work load the first of this year without an increase in personnel to get the work out. The increased volume of work has been caused partly by the heavy flow of first of the year pension income questionnaires, and partly by the return to the Roanoke Regional Office of the Virginia death compensation and pension claims. For 10 years or more the claims of widows and orphans in this State had been processed in Philadelphia but they are now being "decentralized" to Roanoke. This operation began last June, but has proceeded at a faster rate than at first planned, with the result that about twice as many claims of his kind are now being handled in Roanoke as had been anticipated. Another form of decentralization also in progress is the sending back to the Regional Offices of the disability claims of employees of the Veterans Administration, which have heretofore been handled in the Central Office of the Veterans Administration in Washington. Since the Veterans Administration gives preference to employment of war veterans, there are quite a number of employees of the Veterans Administration who have service-connected disabilities, and their claims, too, must be reviewed from time to time just as any other group of veterans. The files of the employees of the Veterans Administration in North Carolina are in Roanoke, and the Roanoke employees are in Winston-Salem.

The backlog created by the extra work at the first of this year has now been fairly well disposed of, and accordingly veterans in this area should now expect more prompt decisions from Roanoke.

**Veterans Service Officer Here  
Thursday**

T. A. Moore of Division of War Veterans' Claims, A Virginia State agency, will interview veterans, servicemen, & survivors of these persons, such as widows, orphans, and dependent parents, on the usual bi-monthly trip to the Beach on April 25, 1957. He will be at the Community House, 18th and Arctic from 11 AM to 3 PM only. Moore's regular trip is on the second and fourth Thursdays each month. He counsels, assists with claims and forms, and gets evidence for claims for benefits due the client under Law.

Moore's office in Norfolk 27 305 McKevitt Bldg. is at 203 City Hall Ave., phone MADison, 3-9871.

**Home Loan Payments Made  
Easier By Va.**

Special remittance envelopes have been provided by the Veterans Administration for use of veterans in mailing payments on home loans held by the VA under the direct loan program.

A year's supply of the green, self-addressed envelopes has gone

out to each veteran who was able to get his home loan direct from the VA because GI loan money had dried up in the area of his residence. The veteran's name, address, loan number and other accounting data are stamped inside each envelope flap, making it easier to handle the account. Veterans whose mortgages are held by the VA should use the envelope each

month, and should pay by check or money order — no cash should be enclosed.

This new envelope system is working out quite well. All payments are now correctly identified, whereas heretofore veterans without checking accounts have sometimes had others write checks for them, mailed them in without a letter or other identification,

causing the payment to become temporarily delinquent until the VA could learn for whom the remittance was intended.

With no eligible widow, the minor children of a veteran who dies of a service-connected cause after January 1, 1957, may be entitled to higher compensation payments than were in effect before that date, Veterans Administration announced.

VA said the term, "no eligible widow" applies: (a) if the mother is deceased; (b) if the mother was divorced from the veteran at the time of his death or, (c) if the widow subsequently remarries or dies.

The higher payments were authorized by the Survivor Benefits Act, which became effective January 1, 1957.

Provisions of the new law are optional for children whose father died of a service-connected cause before January 1. However, it usually is to their advantage to receive the new benefit, VA said.

An exception to the general rule are children who are receiving Servicemen's Indemnity, the so-called "free insurance" for certain deaths occurring between June 27, 1950 and December 31, 1956, inclusive. Such children may concurrently receive both the old form of death compensation and the Servicemen's Indemnity payments, VA said.

If there is no eligible widow, the new rates of payment are: one child, \$70 monthly; two children, \$100; three children, \$130; each additional child, \$25. The total payable is equally divided. The old rates are \$67, \$94, \$122 and \$23, respectively. VA pointed out that guardians of minor children must make application if the children are to receive the new benefit, even though the children already are on VA rolls.

**Sport Fishing People Form  
Salt Water Fishing Assn.**

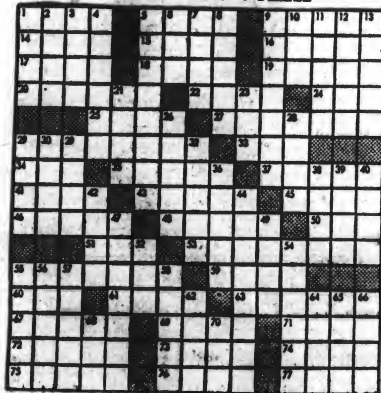

Salt water sport fishing people from all sections of Tidewater Virginia will meet on Monday, April 29 at 10 A.M. at the Nansemond Hotel, Ocean View, to organize a Virginia Salt Water Sport Fishing Association.

Announcement of the meeting was made jointly yesterday by Raymond V. Long, Director, Virginia Department of Conservation and Development, and Claude Rogers, Chairman, Publicity Committee, Tidewater Anglers Club. Long said that in addition to organizing the association, the meeting will discuss plans for a series of 1957 fishing tournaments and other matters of common interest to salt water sport fishing committees from the Eastern Shore, Northern Neck, Rappahannock, York Peninsula, the Peninsula and the Norfolk-Virginia Beach area have approved

the time and place for the meeting and have cooperated in outlining the program and in drafting papers to be presented.

"The movement of the past six months to bring all salt water sport fishing interests of Tidewater Virginia into a central organization for coordinated action in the promotion of this sport as one of Virginia's great recreational and economic resources has been enthusiastically received and supported," Long said. "In addition to fishing enthusiasts, fish and wildlife research and conservation societies, chambers of commerce, tourist establishments, boat yards and many other related interests have been active in the program and will be represented at the meeting."

The meeting will be open to the public and there will be no registration or membership fee. Free parking space will be available.
